It was after the fighting was over that Dowdey believes Lee made his most significant and neglected achievement As a symbol of the defeated people he rose above all hostilities and in the wreckage of his own fortunes advocated rebuilding a New South for which he set the example with his progressive program in education The essence of Lee s tragedy was the futility of his efforts toward the harmonious restoration of the Republic with the dissensions of the past forgotten Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **The Listeners** Roy R.
