Mac Dixon-Fyle, Gibril Raschid Cole

Remote Corners A Sierra Leone Memoir:

Remote Corners Harry Mitchell, 2002-07-26 Africa has been described as the hopeless continent and Sierra Leone's recent history provides a vivid picture of this tragedy. Sierra Leone has witnessed a slide into anarchy and in large areas the government is powerless with control in the hands of rebel gangs some belonging to the Revolutionary United Front while neighbouring states jockey for position and intrigue for influence. After years of civil war violent changes in government death mutilation and destruction of property extreme suffering by so many ordinary people such order as exists is maintained by 11 000 United Nations troops a battalion of British soldiers and a substantial Royal Navy force with marines. Apart from its own military costs Britain as the former colonial power has poured in 60 million to help shore up the government. Renewed attention has been drawn to the problems of Sierra Leone by the visit of the British Prime Minister Tony Blair to the country in early February 2002 during a West African visit intended to highlight the African crisis in general and the dilemmas of Sierra Leone in particular. The diamond trade especially its illicit variety lies at the root of the problem which began to emerge when Sierra Leone was still a British colony. Harry Mitchell shows how the colonial government tried to control the trade and harness the wealth it generated to the territory's advantage and to limit its effect on other aspects of economic and social life. He gives a vivid account of the British Colonial administration in the twilight of Empire. He describes the daily round of a District Commissioner sitting as a magistrate to preserve law and order working with the District Councils and native administrations maintaining relationships with all strata of society from Paramount Chiefs to peasants and organising local elections at all levels to the House of Representatives. Sierra Leone's first elected parliament. Harry Mitchell and his colleagues were fearful of the fate of Sierra Leone as an independent nation despite the stability and calm at independence and while offering no blueprint for the salvation of Africa he suggests that a formula might be devised to bring in the United Nations as trustee for new African nations now in chaos. Historical Dictionary of Sierra Leone Magbaily C.

Fyle, 2006-03-27 Sierra Leone was founded albeit under British control with the highest hopes of being a refuge for liberated Africans and freed slaves. When the country received its independence hopes for the future grew even stronger. Alas its expectations came crashing down when the country's situation grew steadily worse after repeated military interventions and a devastating ten year civil war that raged throughout the 1990s. Now that the war is over there is once again renewed cause for optimism about the country's future as Sierra Leone becomes an active participant in African and world affairs. This new edition is based primarily on recent research on the country but covers the earliest known inhabitants the colonial era and the period of independence including the very confusing turmoil of the recent past. The chronology briefly traces its history and the introduction provides an essential overview of all the recent developments in the country. Hundreds of cross-referenced dictionary entries describe significant leaders events political parties and movements ethnic groups and related political economic and social aspects. A bibliography is included to facilitate further research. **Culture and Conflicts in**

Sierra Leone Mining Fenda Akiwumi, 2024-03-05 In *Culture and Conflicts in Sierra Leone Mining Strangers Aliens Spirits* the author uses Sierra Leone as a case study to contribute to the debates on the causes and nature of mineral resource conflicts in Africa Unlike many works that focus on the political economy and political ecology of large scale diamond mining conflicts this book's goal is to add to the limited literature on the persistent discord in mining areas In so doing the book integrates cultural conflict dimensions in analyzing the mineral commodity chain primarily the clash between the centuries old customary landlord stranger land governance institution and state mining laws with colonial vestiges It shows that these cultural conflicts challenge the effective development of the mining sector including establishing artisanal mining as a viable complementary livelihood to farming for rural populations *New Perspectives on the Sierra Leone Krio* Mac Dixon-Fyle, Gibril Raschid Cole, 2006 The ex slave Krio population of Freetown Sierra Leone an amalgam of ethnicities drawn from several parts of the African continent is a fascinating study in hybridity creolization European cultural penetration the retention of African cultural values and the interface between New World returnees and autochthonous populations of West Africa Although its Nigerian connections are often acknowledged insufficient attention has been paid to the indigenous Sierra Leonean roots of this community This anthology addresses this problem while celebrating the complexities of Krio identity and Krio interaction with other ethnic groups and nationalities in the British colonial experience *The Routledge History of Food* Carol Helstosky, 2014-10-03 The history of food is one of the fastest growing areas of historical investigation incorporating methods and theories from cultural social and women's history while forging a unique perspective on the past The Routledge History of Food takes a global approach to this topic focusing on the period from 1500 to the present day Arranged chronologically this title contains 17 originally commissioned chapters by experts in food history or related topics Each chapter focuses on a particular theme idea or issue in the history of food The case studies discussed in these essays illuminate the more general trends of the period providing the reader with insight into the large scale and dramatic changes in food history through an understanding of how these developments sprang from a specific geographic and historical context Examining the history of economic technological and cultural interactions between cultures and charting the corresponding developments in food history The Routledge History of Food challenges readers assumptions about what and how people have eaten bringing fresh perspectives to well known historical developments It is the perfect guide for all students of social and cultural history **Ringtone and the Drum** Mark Weston, 2012-10-26 Tucked away in a remote part of Africa Sierra Leone Guinea Bissau and Burkina Faso three of the world's poorest countries are in the throes of great upheaval Globalisation has shown their people that a more comfortable life is possible but as they strive to attain it climate change the population boom the tyrants of the old guard and the firm grip of tradition block their way The clash between old and new is explosive Civil wars erupt without warning with drugged up rebels fighting over blood diamonds gold or a humble bowl of rice Al Qaeda has set up camp in Burkina Faso Colombian drug gangs have overrun Guinea Bissau Christian and

Muslim fanatics battle for African souls preparing their converts for Armageddon In *The Ringtone* and *the Drum Mark* Weston dives into this maelstrom In an often unsettling adventure he travels around the three countries and immerses himself in local life Combining the remarkable stories of those he meets with his deep knowledge of Africa's development the book sheds new light on a neglected corner of the globe *Symbol of Authority* Anthony Kirk-Greene,2005-11-25 In this book Anthony Kirk Greene who served as a district officer in Nigeria for over a decade draws upon personal memoirs diaries private and official papers and his own experience to paint a vivid picture of the service from his perspective *Symbol of Authority* explores the socio educational status of district officers their recruitment and training and what they did in both their work and leisure *Queen Elizabeth II and the Africans* Raphael Chijioke Njoku,2024-09-05 The road to Queen Elizabeth II's implementation of African reforms was rough especially in the first two decades following her ascension to the throne In this book Raphael Chijioke Njoku examines Queen Elizabeth II's role in the African decolonization trajectories and the postcolonial state's quest for genuine political and economic liberation since 1947 By locating Elizabeth at the center of Anglophone Africa's independence agitations the account harnesses the African interests to tease out the monarch's dilemma of complying with Whitehall's decolonization schemes while building an inclusive and unified Commonwealth in which Africans could play a vital role Njoku argues that to gratify British lawmakers in her complex and marginal place within the British parliamentary system of conservative versus reformist Elizabeth's contribution fell short of African nationalists' expectations on account of her silence and inaction during the African decolonization raptures Yet ultimately the author concludes she helped build an inclusive and unified organization in which Africans could assert and appropriate political and economic autarky **African Research & Documentation** ,2003 *Africa* Richard Dowden,2010-03-09 In captivating prose Dowden spins tales of cults and commerce in Senegal and traditional spirituality in Sierra Leone analyzes the impact of oil and the Internet on Nigeria and aid on Sudan and examines what has gone so badly wrong in Rwanda and the Congo
