[1st Ed.]. Frederick Binkerd Artz,1966 **Humanism and the Culture of Renaissance Europe** Charles G.

Nauert,2006-05-04 The updated second edition of a highly readable synthesis of the major determining features of the Renaissance **Italy in the Age of the Renaissance** John M. Najemy,2004-11-05 Italy in the Age of Renaissance offers a new introduction to the most celebrated period of Italian history in twelve essays by leading and innovative scholars Recent scholarship has enriched our understanding of Renaissance Italy by adding new themes and perspectives that have challenged the traditional picture of a largely secular and elite world of humanists merchants patrons and princes These new themes encompass both social and cultural history the family women lay religion the working classes marginal social groups as well as new dimensions of political history that highlight the growth of territorial states the powers and limits of government the representation of power in art and architecture the role of the South and the dialogue between elite and non elite classes This thematically organized volume introduces readers to the fruitful interaction between the more traditional topics in Renaissance studies and the new broader approach to the period that has developed in the last generation

Contesting the Renaissance William Caferro,2010-08-24 In this book William Caferro asks if the Renaissance was really a period of progress reason the emergence of the individual and the beginning of modernity An influential investigation into the nature of the European Renaissance Summarizes scholarly debates about the nature of the Renaissance Engages with specific controversies concerning gender identity economics the emergence of the modern state and reason and faith Takes a balanced approach to the many different problems and perspectives that characterize Renaissance studies *The A to Z of the Renaissance* Charles G. Nauert,2006-02-23 Few periods have given civilization such a strong impulse as the Renaissance which started in Italy and then spread to the rest of Europe During its brief epoch most vigorously from the fourteen to the sixteenth centuries Europe reached back to Ancient Greece and Rome and pushed ahead in numerous fields art architecture literature philosophy banking commerce religion politics and warfare This era is inundated with famous names Da Vinci Michelangelo Raphael Petrarch Machiavelli Cervantes and Shakespeare and the heritage it left can hardly be overestimated The A to Z of the Renaissance provides information on these fields through its chronology which traces events from 1250 to 1648 and its introduction delineating the underlying features of the period However it is the dictionary section with hundreds of cross referenced entries on famous persons from Adrian to Zwingli key locations supporting political and social institutions wars religious reformations achievements and failures which is the heart of this book Further research is facilitated by the bibliography *Humanity and Divinity in Renaissance and Reformation* ,2022-03-28 The volume contains studies by eleven distinguished scholars concerning changes in ethical and religious consciousness during this important era of Western

culture themes consonant with the scholarship of Charles Trinkaus It begins with three general essays the Renaissance discovery of human creativity William Bouwsma the Renaissance and Western pragmatism Jerry Bentley and the new philosophical perspective F Edward Cranz The remaining contributors deal with similar issues in Petrarch Ronald Witt Nicholas of Cusa Morimichi Watanabe Lorenzo Valla Salvatore Camporeale Marsilio Ficino Michael Allen and Brian Copenhaver Savonarola Donald Weinstein Battista Carioni Paul Grendler and Calvin Heiko Oberman The volume opens with a tribute to Trinkaus by Paul Oskar Kristeller and concludes with bibliographies of Trinkaus s publications and of works on Valla in English Pauline Watts and Thomas Izbicki Publications by Charles Trinkaus Edited by C Trinkaus and H A Oberman The pursuit of holiness in late medieval and renaissance religion ISBN 978 90 04 03791 5 Out of print Nicholas of Cusa - A Companion to his Life and his Times Morimichi Watanabe, Edited by Gerald Christianson, 2016-05-06 This work is a guide to the life thought and activities of Nicholas of Cusa 1401 1464 the great fifteenth century philosopher theologian jurist author of mystical and ecclesiastical treatises cardinal and reformer It is intended not only for advanced scholars but also for beginners and those simply curious about a man who has been called one of the greatest Germans of the fifteenth century and a medieval thinker for the modern age The book provides a series of detailed but readable essays on ideas persons and places a work developed over the course of nearly three decades First it contains articles on the important events and concepts that affected Cusanus philosophical religious intellectual and political Then it turns to his precursors and contemporaries both friendly and critical These include philosophers theologians politicians and canon lawyers And third the book follows the footsteps of the man from Kues and examines various sites where he lived studied or visited Because the author has also visited many of these sites he can contribute personal observations to enliven the journey To add to the book s usefulness as a resource and reference tool each entry is followed by a bibliography containing both recent and older works The purpose of the volume is to gain a greater appreciation of Cusanus and his legacy by striving for a total view of his thought and experience instead of narrowly focusing on specific philosophical theological or intellectual ideas or certain periods of his activities in isolation from other facets of this compelling figure **Handbook of European History**
