Renaissance Mannerist Art:

Renaissance & Mannerism Diane Bodart, 2008 From the 15th to the 16th centuries Western European culture flourished thanks in part to the astonishing achievements of such Renaissance artists as da Vinci Donatello Raphael Botticelli and Michelangelo and Mannerist painters including El Greco Pontormo and Tintoretto In Florence the cradle of the Renaissance artists pursued ancient classical ideals of harmony and naturalism and in architecture forms of perfection and grandeur Mannerists in the early 16th century valued exaggeration elongated figures unnatural lighting and vivid even lurid colors to create more tension and emotion in their work This stunning volume follows these two key movements in art history providing authoritative background from a top scholar rich cultural context and a wealth of exquisite reproductions of period paintings sculptures churches and palazzos

The Renaissance and Mannerism in Italy Alastair Smart, 1971 Professor Smart in this cogent and sensitive new study has found that in order to represent Renaissance art faithfully he has had to emphasize its religious inspiration and the tragic tone of many of its masterpieces He shows how the unique fusion of Christian and pagan culture which took place in Florence in the early fifteenth century was received and transformed by the later Quattrocento throughout Italy leading to the climax of Papal Rome under Julius II to the still controversial change of mood called Mannerism and to the final flowering in sixteenth century Venice Each artist is clearly characterized and related to the forces spiritual and social that molded his imagination It is a rounded and satisfying picture offering at the same time a complete account of an artistic movement and a series of fresh insights which will enrich the reader's experience of art

The High Renaissance and Mannerism Linda Murray, 1977 Linda Murray examines the manifold achievements of Italian artists but also identifies the strongly individual forms taken by the Renaissance and Mannerism in Northern Europe and in Spain in the work of painters as varied as Durer Bruegel and El Greco
