Return Of The Martyrs:

Return of the Martyrs Richard Alan Ruof, 2005-05-11 These poems describe the character trials and faith of the neighborhood churches that deeply affected the lives of children teenagers and adults on the American scene The changing experience is described in poems on the Beatitudes and American life as parents unknowingly invite strangers into their homes who instill the secular views of television the Internet and public school text books The sheer weight of indoctrination dismisses the Spiritual from childhood experience and conviction The book concludes with the trials of the martyrs who pursued the poet throughout his life They were not then known to him by name or story save in spiritual experiences Lately he fully learned their identity as the founders of Christian schools for children in Wales and England Their costly sacrifice is related The book ends with a tribute to those martyrs who died before a weeping nation the heroes of the Twin Towers a tragedy but a willing sacrifice of historic proportion *The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper* Cedric Fisher, 2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world s ills Something is wrong with American society A few years ago people were saying I don t know how it can get worse It is worse and going to get worse The reality and angst of watching it disintegrate have pressed many people into apathy They have latched onto the belief that God will not permit them to suffer the consequences of the world s wicked rebellion Instead Christ will snatch them off the earth and out of danger during a split second secret coming There is an alternative to apathy and fantastical notions It is the central focus of biblical eschatology the superwhelming glorioustounding megamiraculous return of the King of kings

The Cult of the Saints Saint John Chrysostom, Wendy Mayer, 2006 The cult of the saints is a phenomenon that expanded rapidly in the fourth century and John Chrysostom s homilies are important witnesses to its growth In this volume Wendy Mayer investigates the liturgical topographical and pastoral aspects that marked the martyr cult at Antioch and Constantinople in John s time BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Martyrdom of the Franciscans** Christopher MacEvitt, 2020-03-06 A study of three hundred years of medieval Franciscan history that focuses on martyrdom While hagiographies tell of Christian martyrs who have died in an astonishing number of ways and places slain by members of many different groups martyrdom in a Franciscan context generally meant death at Muslim hands indeed in Franciscan discourse death by Saracen came to rival or even surpass other definitions of what made a martyr The centrality of Islam to Franciscan conceptions of martyrdom becomes even more apparent and problematic when we realize that many of the martyr narratives were largely invented Franciscan authors were free to choose the antagonist they wanted Christopher MacEvitt observes and they almost always chose Muslims However martyrdom in Franciscan accounts rarely leads to conversion of the infidel nor is it accompanied as is so often the case in earlier hagiographical accounts by any miraculous manifestation If the importance of preaching to infidels was written into

the official Franciscan Rule of Order the Order did not demonstrate much interest in conversion and the primary efforts of friars in Muslim lands were devoted to preaching not to the native populations but to the Latin Christians mercenaries merchants and captives living there Franciscan attitudes toward conversion and martyrdom changed dramatically in the beginning of the fourteenth century however when accounts of the martyrdom of four Franciscans said to have died while preaching in India were written The speed with which the accounts of their martyrdom spread had less to do with the world beyond Christendom than with ecclesiastical affairs within MacEvitt contends The Martyrdom of the Franciscans shows how for Franciscans martyrdom accounts could at once offer veiled critique of papal policies toward the Order a substitute for the rigorous pursuit of poverty and a symbolic way to overcome Islam by denying Muslims the solace of conversion Empires of God Linda Gregerson, Susan Juster, 2011 Linda Gregerson is Caroline Walker Bynum Distinguished University Professor of English at the University of Michigan **Christian Pacifism for an Environmental Age** Mark Douglas, 2019-04-25 Provides a new understanding of the traditions of Christian pacifism in order to address wars in a warming world *The Didache* Shawn J. Travesties and Transgressions in Tudor and Stuart England David Cressy,2000 In Travesties and Transgressions David Cressy examines how the orderly Protestant and hierarchical society of post Reformation England coped with the cultural challenges posed by beliefs and events outside the social norm He uses a series of linked stories and close readings of local texts and narratives to investigate unorthodox happenings such as bestiality and monstrous births seduction and abortion excommunication and irregular burial nakedness and cross dressing Each story and the reaction it generated exposes the strains and stresses of its local time and circumstances The reigns of Elizabeth James and Charles I were witness to endless religious disputes tussles for power within the aristocracy and arguments galore about the behaviour and beliefs of common people Questions raised by unnatural episodes were debated throughout society at local and national levels and engaged the attention of the magistrates the bishops the crown and the court The resolution of such questions was not taken lightly in a world in which God and the devil still fought for people s souls

The Other Christs Candida R. Moss,2010-05-24 Moss begins by tracing the theme of imitating Jesus through suffering in the literature of the Jesus movement and early church and its application in martyrdom literature She demonstrates the importance of imitating the sufferings of Christ as a practice and ethos in the Jesus movement She then proceeds to the interpretations of the martyr s death and afterlife arguing against the dominant theory that the martyr s death was viewed as a sacrifice and finding that in their post mortem existence martyrs continue to be assimilated to Christ closely resembling the exalted Christ as intercessors judges enthroned monarchs and banqueters

Picturing the (Un)Dead in Beirut Agnes Rameder,2024-12-14 Martyr posters are more than obituary images they can act as visual politics Focusing on Rabi H Mrou s play How Nancy Wished That Everything Was an April Fool s Joke 2007 Agnes Rameder analyses how contemporary artists question and appropriate Lebanese martyr posters By linking the posters from the Wars in Lebanon 1975 1990 to contemporary posters she shows that these images continue to the present day that martyrs are still created and that deaths such as those who were killed in the explosion on 4 August 2020 are still visually remembered This study does not focus on how such pictures are perceived by a Western audience but delves into the use and abuse of martyr posters that were intended to be shown to the Lebanese

Witness of the Saints Milton Walsh,2012-10-16 The writings of the Fathers of the Church have never been more widely available yet obtaining an exhaustive and user friendly volume of patristics can still be a daunting task Without realizing it many priests seminarians members of religious communities and even laity already own a patristic library their Liturgy of the Hours In the four

volumes of the Liturgy of the Hours the official daily prayer of the Catholic Church there are nearly 600 selections from the writings of Fathers and saints Seeing the potential of this vast collection as a theological resource Milton Walsh has organized these selections by topics according to the four pillars of the Catechism of the Catholic Church This topical concordance allows the reader to compare what the various authors have written on the same themes while a chronological timeline of the readings shows their relationship to each other in time Walsh has also provided background on the liturgical celebrations of the Church as well as historical information on each author In addition there is a chapter on how patristic readings can assist in understanding the Bible This fresh and original presentation of material that is literally at the fingertips of anyone praying the Liturgy of the Hours can be a tremendous aid to both religious devotion and theological study

Enchantment and Creed in the Hymns of Ambrose of Milan Brian Dunkle, 2016 Enchantment and Creed in the Hymns of Ambrose of Milan offers the first critical overview of the hymns of Ambrose of Milan in the context of fourth century doctrinal song and Ambrose's own catechetical preaching Brian P Dunkle SJ argues that these settings inform the interpretation of Ambrose's hymnodic project The hymns employ sophisticated poetic techniques to foster a pro Nicene sensitivity in the bishop's embattled congregation After a summary presentation of early Christian hymnody with special attention to Ambrose's Latin predecessors Dunkle describes the mystagogical function of fourth century songs He examines Ambrose's sermons especially his catechetical and mystagogical works for preached parallels to this hymnodic effort Close reading of Ambrose's hymnodic corpus constitutes the bulk of the study Dunkle corroborates his findings through a treatment of early Ambrosian imitations especially the poetry of Prudentius These early readers amplify the hymnodic features that Dunkle identifies as enchanting that is enlightening the eyes of faith

Understanding the New Testament and the End Times, Second Edition Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God's people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness Thus eschatology matters

[The Routledge Encyclopedia of the Historical Jesus](#) Craig Evans, 2014-01-14 This Encyclopedia brings together the vast array of historical research into the reality of the man the teachings the acts and the events ascribed to him

that have served as the foundational story of one of the world's central religions. This kind of historiography is not biography. The historical study of the Jesus stories and the transmission of these stories through time have been of seminal importance to historians of religion. Critical historical examination has provided a way for scholars of Christianity for centuries to analyze the roots of legend and religion in a way that allows scholars an escape from the confines of dogma, belief, and theological interpretation. In recent years, historical Jesus studies have opened up important discussions concerning anti-Semitism and early Christianity and the political and ideological filtering of the Jesus story of early Christianity through the Roman empire and beyond. Entries will cover the classical studies that initiated the new historiography, the theoretical discussions about authenticating the historical record, the examination of sources that have led to the western understanding of Jesus' teachings and disseminated myth of the events concerning Jesus' birth and death. Subject areas include the history of the historical study of the New Testament, major contributors and their works, theoretical issues and concepts, methodologies and criteria, historical genres and rhetorical styles in the story of Jesus, historical and rhetorical context of martyrdom and messianism, historical teachings of Jesus, teachings within historical context of ethics, titles of Jesus, historical events in the life of Jesus, historical figures in the life of Jesus, historical use of Biblical figures referenced in the Gospels, places and regions, institutions, the history of the New Testament within the culture, politics and law of the Roman Empire.

Sacred and Secular

Martyrdom in Britain and Ireland since 1914 John Wolffe, 2019-11-28. During and immediately after the First World War, there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920. John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom, analysing the ways in which they operated, sometimes in parallel, sometimes merged together, and sometimes in conflict with each other. Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England. Secular martyrdom is discussed in relation to military conflicts, especially the Second World War and the Falklands. In Ireland, there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916, although by the time of the Northern Ireland Troubles in the later twentieth century, these traditions diverged. In covering these themes, the book also offers historical and comparative context for understanding present-day acts of martyrdom in the form of suicide attacks.
