**Land of Nuclear Enchantment** Lucie Genay, 2019-04-01 In this thoughtful social history of New Mexico's nuclear industry Lucie Genay traces the scientific colonization of the state in the twentieth century from the points of view of the local people Genay focuses on personal experiences in order to give a sense of the upheaval that accompanied the rise of the nuclear era She gives voice to the Hispanics and Native Americans of the Jemez Plateau the blue collar workers of Los Alamos the miners and residents of the Grants Uranium Belt and the ranchers and farmers who were affected by the federal appropriation of land in White Sands Missile Range and whose lives were upended by the Trinity test and the US government's reluctance to address the collateral damage of the work at the Range Genay reveals the far reaching implications for the residents as New Mexico acquired a new identity from its embrace of nuclear science Southwestern Homelands William Kittredge, 2011-06-15 For part of each of the last twenty years much loved essayist and fiction writer William Kittredge has ventured to the storied desert landscape of the American Southwest and immersed himself in the region's wide ranging wonders and idiosyncrasies Here Kittredge brings all this experience to bear as he takes us on a rewarding tour of the territory that runs from Santa Fe to Yuma and from the Grand Canyon on south through Phoenix and Tucson to Nogales It is a region where urban sprawl abuts desert expanse where Native American pueblos compete for space with agribusiness cotton plantations and where semi defunct mining towns slowly give way to new age hippie gardening and crafts enclaves As part time resident and full time observer William Kittredge acquaints us with one of the country's most vital and perpetually evolving regions Populated with die hard desert rats on the banks of the Colorado theoretical physicists in Albuquerque Hopi mothers and their daughters and renegade punk rock kids sleeping in the streets Southwestern Homelands is a book as much about the legacies of a territory's colorful past as it is about the alternately exciting and daunting complexities of its immediate future *The Politics of Western Water* Stephen C. Sturgeon, 2022-12-06 As the Democratic congressman from Colorado's Fourth District from 1949 to 1973 Wayne Aspinall was an advocate of natural resource development in general and reclamation projects in particular A political loner considered crusty and abrasive he carved a national reputation by

helping secure the passage of key water legislation in the process clashing with colleagues and environmentalists alike. Fiercely protective of western Colorado's water supply, Aspinall sought to secure prosperity for his district by protecting its share of Colorado River water through federal reclamation projects and he made this goal the centerpiece of his congressional career. He became chair of the House Interior Committee in 1959 and ruled it with an iron fist for more than a dozen years, a role that placed him in a key position to shape the nation's natural resource legislation at a time when the growing environmental movement was calling for a sharp change in policy. This full-length study of Aspinall's importance to reclamation in the West clarifies his role in influencing western water policy. By focusing on Aspinall's congressional career, Stephen Sturgeon provides a detailed account of the political machinations and personal foibles that shaped Aspinall's efforts to implement water reclamation legislation in support of Colorado's Western Slope, along the way shedding new light on familiar water controversies. Sturgeon meticulously traces the influences on Aspinall's thinking and the arc of his career, examining the congressman's involvement in the Colorado River Storage Project bill and his clash with conservationists over the proposed Echo Park Dam, recounting the fight over the Frying Pan-Arkansas Project and his decision to support diverting water out of his own district and exploring the battles over the Central Arizona Project in which Aspinall fought not only environmentalists but also other members of Congress. Finally, he assesses the Aspinall legacy, including the still-disputed Animas-La Plata Project and shows how his vision of progress shaped the history of western water development. *The Politics of Western Water* portrays Aspinall in human terms, not as a pork-barrel politician but as a representative who believed he was protecting his constituents' interests. It is an insightful account of the political, financial, and personal variables that affect the course by which water resource legislation is conceived, supported, and implemented, a book that is essential to understanding the history and future of water in the West. *New Mexico Magazine*, 2012 *The Nation*, 1991 *Let the Cowboy Ride* Paul F. Starrs, 2000-03-17 The dime novel and dude ranch, the barbecue and rodeo, the suburban ranch house and the urban cowboy all are a direct legacy of nineteenth-century cowboy life that still enlivens American popular culture. Yet at the same time, reports of environmental destruction or economic inefficiency have motivated calls for restricted livestock grazing on public lands or even for an end to ranching altogether. In *Let the Cowboy Ride*, Starrs offers a detailed and comprehensive look at one of America's most enduring institutions. Richly illustrated with more than 130 photographs and maps, the book combines the authentic detail of an insider's view. Starrs spent six years working cattle on the high-desert Great Basin range with a scholar's keen eye for objective analysis. **Our Whole Gwich'in Way of Life Has Changed / Gwich'in K'yuu Gwiidandà' Tthak Ejuk Gòonlih** Leslie McCartney, Gwich'in Tribal Council, 2021-02-20 *Our Whole Gwich'in Way of Life Has Changed* Gwich'in K'yuu Gwiidandà' Tthak Ejuk Gòonlih is an invaluable compilation of historical and cultural information based on a project originally conceived by the Gwich'in Social and Cultural Institute to document the biographies of the oldest Gwich'in Elders in the Gwich'in Settlement Region.
