Time for Reparations Jacqueline Bhabha,Margareta Matache,Caroline Elkins,2021-09-03 Past state injustice has enduring consequences and the harm needs to be addressed as a matter of justice and equity Time for Reparations offers detailed case studies of state injustices from slavery to forced sterilization to widespread atrocities and interdisciplinary

perspectives on the potential impact of reparative strategies The Fallacy of Race and the Shoah Naomi Kramer, Ronald Headland, 1998-11-25 Naomi Kramer and Ronald Headland approach the universal issues that inevitably arise in discussing the Holocaust: evil, courage, human dignity, moral responsibility and the existential qualities of humankind through individual experience. Consisting of two main parts, the book explores one individual's experience during the Shoah and the historical context in which these experiences occurred. It includes a comprehensive historical summary of the Shoah and represents a succinct synopsis of existing secondary literature and primary sources. A bibliography and extensive glossary of terms relating to both Jewish life and the Shoah are included. Published in English **Jewish Responses to Persecution:**

1944-1946 Leah Wolfson, 2015-08-13 Published in association with the United States Holocaust Memorial Museum. With its unique combination of primary sources and historical narrative, *Jewish Responses to Persecution 1944-1946* provides an important new perspective on Holocaust history. Covering the final year of Nazi destruction and the immediate postwar years, it traces the increasingly urgent Jewish struggle for survival, which included armed resistance and organized escape attempts. Shedding light on the personal and public lives of Jews, this book provides compelling insights into a wide range of Jewish experiences during the Holocaust. Jewish individuals and communities suffered through this devastating period and reflected on the Holocaust differently, depending on their nationality, personal and communal histories and traditions, political beliefs, economic situations and other life history. The rich spectrum of primary source material collected, including letters, diary entries, photographs, transcripts of speeches and radio addresses, newspaper articles, drawings and official government and institutional memos and reports, makes this volume an essential research tool and curriculum companion. **The Widening**

Circle of Genocide Israel W. Charny, 2018-04-17 *The Widening Circle of Genocide*, the third volume of an award-winning series, combines an encyclopedic summary of knowledge of the subject with annotated citations of literature in each field of study. It includes contributions by R. J. Rummel, Leonard Glick, Vahakn Dadrian, Rosanne Klass, Martin Van Bruinessen, James Dunn, Gabrielle Tyrnauer, Robert Krell, George Kent, Samuel Totten, and a foreword by Irving Louis Horowitz. This volume presents scholarship on a variety of topics, including Germany's records of the Armenian genocide, little-known cases of contemporary genocide in Afghanistan, East Timor, and of the Kurds; a provocative new interpretation of the psychic scarring of Holocaust survivors; and nongovernmental organizations that have undertaken the beginnings of scholarship on the worldwide problems of genocide. *The Widening Circle of Genocide* embodies reverence for human life; its goal is the search for new means to prevent genocide. This work is distinguished by its excellence, originality, and depth of scholarship. The first volume was selected by the American Library Association for its list of Outstanding Academic Books of 1988-89. It is both compelling reading and an invaluable tool for scholars and students who wish to pursue specific fields of study of genocide. It will also be of interest to political scientists, historians, psychologists, and religion scholars. **The Last Generation of Jews**

in Poland Efraim Shmueli, 2021-11-23 The book, based on memories of a native son and the research of a scholar, is an

amalgam of descriptions and discussions peppered with conversations personal observations and an acute observer's reflections focused on the fabric of life in the city of Lodz and its vicinity The author describes the court of the Hasidic Rabbis of Aleksander with which his family was affiliated the rival camps of Hasidim and Zionists industrialists and laborers struggles with the Polish authorities and more Detailed chapters are dedicated to a description of studies at a modern Jewish Zionist high school Gymnasium its exhilarating goals directors and teachers to the Lodz poet Yitzhak Katzenelson before and during the Holocaust and to life in a small Polish shtetl The concluding chapter Return to Poland examines the cities and towns described earlier in the book as well as Breslau Wroclaw where the author had completed his rabbinic and university studies in 1933 as they appeared to him during his visit in 1982 nearly fifty years after his departure from Europe for Israel The author's aim was to produce a portrait sympathetic intimate but also knowledgeable and critical of a generation that did not have the time to take stock of itself before its obliteration He has thus rendered palpable the experiences and quandaries of many of his contemporaries

"We are Here" Avinoam J. Patt, Michael Berkowitz, 2010 Collects groundbreaking research on displaced persons DPs in Europe in the period after World War II and before the establishment of Israel By the spring of 1947 less than two years after Nazi Germany's defeat some 250 000 Jewish refugees remained in the displaced persons camps of Germany Italy and Austria Yet many Jews did not know whether to return to their home countries or move on to someplace else As a result these stateless displaced persons DPs created a unique space for political cultural and social rebirth that was tempered by the complications of overcoming recent trauma In *We Are Here* editors Avinoam J. Patt and Michael Berkowitz present current research on DPs between the end of the war and the creation of the State of Israel in order to present a more complete and nuanced picture of the DP experience challenging many earlier assumptions about this group Contributors to this volume analyze art music and literature of the DPs as well as historical records of specific DP communities to explore the first reactions of survivors to liberation and their understanding of place in the context of postwar Germany and in Europe more generally A number of the contributions in this volume challenge prior interpretations of Jewish DPs and Holocaust survivors including the supposedly unified background of the DP population the notion of a general reluctance to confront the past the idea of Zionism as an inevitable success after the war and the suggestion that Jews despite their presence in Germany strenuously avoided contact with Germans Far from constituting a monolithic whole then *We Are Here* demonstrates that the DPs were composed of diverse groups with disparate wartime experiences Responding to burgeoning scholarship on DPs and related issues *We Are Here* sifts through the copious records DPs left behind to shed light on the many facets of a vibrant DP society Scholars of the Holocaust and all readers concerned with the Jewish experience immediately after World War II will be grateful for this volume
