Cheapside in 1613 In 1620 he was officially appointed as chronologer of the City of London a post he held until his death The 1620s saw the production of his and Rowley s tragedy and continual favourite The Changeling and of several other tragicomedies However in 1624 he reached a peak of notoriety when his dramatic allegory A Game at Chess was staged by the King s Men Though Middleton s approach was strongly patriotic the Privy Council silenced the play after only nine performances at the Globe theatre having received a complaint from the Spanish ambassador What happened next is a mystery It is the last play recorded as having being written by Middleton Thomas Middleton died at his home at Newington Butts in Southwark in the summer of 1627 and was buried on July 4th in St Mary s churchyard which today survives as a public park in Elephant and Castle
