With the help of a sympathetic nurse, Hal manages to clear his mind of the drug-induced haze and then pulls off a daring escape. Now he's out to discover who stashed him here and why, but the world he returns to isn't the one he remembers. Friends and longtime associates don't remember him; there are no official records of Hal Ambler, and when he first sees himself in the mirror, the face that looks back at him is not the one he knows as his own.
