Robert De Niro The Hero Behind The Masks By McKay Keith:

The Films of Martin Scorsese and Robert De Niro Andrew J Rausch, 2023-06-14 In 1973 early in their careers Martin Scorsese and Robert De Niro collaborated for the first time Over the next few decades they worked together on seven more movies many of which brought them both acclaim and awards And while successful director and actor pairings have occurred throughout the history of film few have fashioned so many works of enduring value as these two artists In little more than two decades Scorsese and De Niro produced eight features including the classics Taxi Driver Raging Bull and GoodFellas In The Films of Martin Scorsese and Robert De Niro Andrew J Rausch examines the creative output of this remarkable pair from their initial offering Mean Streets to their most recent film together Casino Rausch looks at their relationship as individual artists who worked together to create cinematic magic as well as the friendship that was forged nearly 40 years ago Drawing upon interviews and other sources Rausch goes behind the scenes of their eight films providing insight into their creative process

Robert De Niro Keith McKay, 1986 **De Niro** Shawn Levy, 2015-10-27 REMARKABLE BIOGRAPHY OF AN ICON There's little debate that Robert De Niro is one of the greatest screen actors of his generation perhaps of all time if not in fact the greatest His work particularly in the first 20 years of his career is unparalleled Mean Streets the Godfather Part II Taxi Driver the Deer Hunter and Raging Bull all dazzled moviegoers and critics alike displaying a talent the likes of which had rarely if ever been seen De Niro became known for his deep involvement in his characters assuming that role completely into his own life resulting in extraordinary chameleonic performances Yet little is known about the off screen De Niro he is an intensely private man whose rare public appearances are often marked by inarticulateness and palpable awkwardness It can be almost painful to watch at times in powerful contrast to his confident movie personae In this elegant and compelling biography bestselling writer Shawn Levy writes of these many De Niro's the characters and the man seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature and who now seemingly avoids acting challenges taking roles which make few apparent demands on his overwhelming talent Following De Niro's roots as the child of artists his father the abstract painter Robert De Niro Sr was widely celebrated who encouraged him from an early age to be independent of vision and spirit to his intense schooling as an actor the rise of his career his marriages his life as a father restaurateur and businessman and of course his current movie career Levy has written a biography that reads like a novel about a character whose inner turmoil takes him to heights of artistry His many friendships with the likes of Martin Scorsese Meryl Streep Harvey Keitel Shelley Winters Francis Ford Coppola among many others are woven into this extraordinary portrait of DeNiro the man and the artist also adding a depth of understanding not before seen Levy has had unprecedented access to De Niro's personal research and production materials creating a new impression of the effort that went into the actor's legendary performances The insights gained from DeNiro's intense working habits shed new perspective on DeNiro's thinking and portrayals and are wonderful to read Levy also spoke to De Niro's collaborators and friends to depict De Niro's

transition from an ambitious young man to a transfixing and enigmatic artist and cultural figure Shawn Levy has written a truly engaging insightful and entertaining portrait of one of the most wonderful film artists of our time a book that is worthy of such a great talent *Sacred Profanity* Aubrey Malone,2010-02-26 This book offers a history of films with Biblical spiritual and supernatural themes This volume follows the evolution of one of the Hollywood s longest running thematic concerns From the silent era to the present Sacred Profanity Spirituality at the Movies examines the rich diversity of films with spiritual themes films that reflect our own fascination with the divine and supernatural while evoking the specific times in which they were created From Birth of a Nation to Angels and Demons Sacred Profanity discusses over 180 films with an insightful movie lover s approach Coverage encompasses Biblical stories like King of Kings films about spiritual characters such as The Nun s Story foreign masterpieces like The Seventh Seal movies that incorporate spiritual symbolism such as Taxi Driver and Cool Hand Luke horrifying visions of the Satanic like The Exorcist and controversial works like The Last Temptation of Christ The book also looks at the history of Hollywood s attempt to maintain moral order through censorship as well as the growing influence of filmmakers own spiritual beliefs on the movies we see Untouchable: Robert De Niro Andy Dougan,2011-05-31 Andy Dougan draws on first hand interviews with some of De Niro s closest friends and colleagues The result is a revealing and sometimes startling account of an intensely private man While previous biographies of De Niro have only scraped the surface of his complex character this sensitive and perceptive portrayal lays bare the psychological and emotional scars that De Niro has sought to hide for so long **Stars in Our Eyes** Angela Ndalians,Charlotte Henry,2002-03-30 The media star has become a powerful almost unparalleled cultural sign even as the star system has undergone radical transformation since the era of the Hollywood studio system Today s film industry continues to market and promote its products through actors in ways that seek to capture the often elusive quality that a star can embody Using contemporary stars such as Robert De Niro Keanu Reeves Arnold Schwarzenegger and Dennis Hopper this anthology of essays applies a variety of theoretical tools in its attempt to understand how we interpret stars and how we can begin to understand their cultural significance Likewise the study explores how the star system has become an increasingly complex phenomenon within society at large extending its impact beyond the cinema into music sports and fashion Many of the essays collected here consider this shift and examine how personae including the director Sam Peckinpah the royalty Princess Diana and even the digital star Lara Croft have captured the cultural imagination and have come to attain qualities as star like as those of the silver screen Scorsese Jim Sangster,2012-08-31 Martin Scorsese s obsession with sin and redemption conflict and violence runs through much of his work This essential guide to Scorsese explores his career from his early student works including It s Not Just You Murray through his personal examinations of his Italian American heritage in Mean Streets Italianamerican and Goodfellas the extreme violence of Raging Bull Taxi Driver and Cape Fear and the religious themes from a director who originally wanted to be a priest of The Last Temptation of Christ and Kundun Including all Scorsese s films up

to Gangs of New York this is a comprehensive study of the work of this widely respected film maker Also covering his influences the controversy surrounding his films exhaustive music lists and long time collaborations this is an extensive analysis of the most consistently passionate committed and inventive film director of the last thirty years **The Sopranos** Franco Ricci,2014-01-01 In The Sopranos Born under a Bad Sign Franco Ricci presents an insightful analysis of the groundbreaking HBO series and its complex psychological themes Martin Scorsese Vincent LoBrutto,2007-11-30 Martin Scorsese s current position in the international film community is unrivaled and his name has become synonymous with the highest standards of filmmaking excellence He is widely considered America s best living film director and his Taxi Driver and Raging Bull appear frequently on worldwide surveys of the best films of all time Here in the first biographical account of this artist s life Vincent LoBrutto traces Scorsese s Italian American heritage his strict Catholic upbringing the continuing role of religion in his life and art his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career Meanwhile the filmmaker s humble soft spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality Scorsese s intense passion his private relationships his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for the first time In addition the book includes an interview with the director as well as filmographies cataloging his work as a director producer actor and presenter As his Best Director award at the 2007 Oscars clearly demonstrated Scorsese has become something like Hollywood royalty in recent years finally enjoying the insider status and favor that eluded him for most of his career But these recent developments aside Scorsese is also notable as a distinctly American type of artist one whose work created in a medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In Martin Scorsese A Biography readers can examine not only the work of one of the form s genuine artists but also the forces that have propelled the man behind it **The Coppolas** Vincent LoBrutto,Harriet R. LoBrutto,2012-08-22 This fascinating behind the scenes look at a Hollywood dynasty offers an in depth study of the films and artistry of iconic director Francis Ford Coppola and his daughter Sofia exploring their work and their impact on each other both personally and professionally The Coppolas A Family Business examines the lives films and relationship of two exemplary filmmakers Francis Ford Coppola and his daughter Sofia It looks at their commonalities and differences as artists and people and at the way those qualities are reflected in their work Much of the book is devoted to Francis and his outstanding achievements and equally notable failures as a screenwriter director producer and presenter of landmark works of cinema The narrative goes beyond the heyday of his involvement with Hollywood to analyze his more recent projects and the choices that led him to create small independent films In Sofia s case the story is one of women s growing independence in the arts revealing how Sofia developed her craft to become a cinematic force in her own right In addition to its insightful commentary on their contributions to cinema past and present the volume

provides intriguing hints at what fans might anticipate in the future as both Coppolas continue to expand their artistry

Robert De Niro Giorgio Nisini,2004 *Jim Kobak's Kirkus Reviews* ,1986 **The Encyclopedia of American**

Independent Filmmaking Vincent LoBrutto,2002-12-30 Independent filmmaking is often regarded as a relatively recent phenomenon yet the so called movement has actually existed as long as movies themselves In this indispensable single volume reference work LoBrutto surveys the subject from cinema's inception through the 21st century Written in an accessible style and including biographical critical factual and bibliographical information this remarkable source

encompasses films and filmmakers operating independently from the studio system in concept financing production and distribution. Such a broad interpretation of independent filmmaking separates it from that of commercial Hollywood, a conglomerate existing to create product rather than support personal artistic vision. Many of the entries' subjects have rarely been investigated and studied yet knowledge of independent filmmaking is vital to any understanding of the cinematic medium, making this an essential book for any library's film shelves. **The Cinema of Martin Scorsese** Lawrence S.

Friedman, 1997. Scorsese is one of America's most distinctive and successful filmmakers. For twenty-five years he has provided audiences with tough, gritty yet beautifully composed movies, many of them all-time classics. From the urban violence, psychosis, and isolation of *Mean Streets*, *Taxi Driver*, *The King of Comedy*, and *Goodfellas* through the opulent lyricism of *The Age of Innocence* to the operatic and controversial *Raging Bull* and *The Last Temptation of Christ*, Scorsese has not compromised his vision of the human heart and its struggles. Scorsese has wrestled hard with his ambivalence over the legacy of his Catholicism. As a second-generation Sicilian American, he also has had to come to grips with the stereotypes of organized crime while recognizing the dramatic interest of these fascinating and complex characters. In this book, each of Scorsese's films is thoughtfully discussed in a way that will help readers understand these and other themes in order to discern the overall patterns of the filmmaker's career. **Bibliographic Guide to Theatre Arts** New York Public Library.
