Capua,2014-01-10 Blessed with a natural beauty Scotland born actress Deborah Kerr 1921 2007 provided the cinema with memorable studies of English gentility A star in British pictures before she was 21 and a Hollywood fixture from 1946 on she projected a cool reserve and stoic nobility often hinting at passion and insecurity beneath the surface Frequently portraying selfless sympathetic women she was brilliant in such roles as Anna Leonowens in The King and I 1956 And in a fascinating departure from her normal range her portrayal of the sexually frustrated Army wife in From Here to Eternity 1953 resulted in the screen s most famous clinch the beach scene with Burt Lancaster Though she never won an Academy Award despite six nominations Deborah Kerr received an honorary Oscar in 1994 **Historical Dictionary of Crime Films** Geoff

Mayer,2012-09-13 The crime film genre consists of detective films gangster films suspense thrillers film noir and caper films and is produced throughout the world Crime film was there at the birth of cinema and it has accompanied cinema over more than a century of history passing from silent films to talkies from black and white to color The genre includes such classics as The Maltese Falcon The Godfather Gaslight The French Connection and Serpico as well as more recent successes like Seven Drive and L A Confidential The Historical Dictionary of Crime Films covers the history of this genre through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries on key films directors performers and studios This book is an excellent access point for students researchers and anyone wanting to know more about crime cinema *Hollywood's Melodramatic Imagination* Geoff Mayer,2021-12-22 Melodrama is the foundation

of American cinema It is however a poorly understood term While it is a pervasive and persuasive dramatic mode it is not tied to any specific moral or ideological system It is not a singular genre rather it operates as a genre generating machine capable of determining the aesthetics and structure of the drama within many genres Melodrama centers the conflict around the clash between good and evil and provides a sense of poetic justice but the specific values embedded in notions of good and evil are determined by the culture and they shift from nation to nation region to region and period to period This book explores the populist westerns of the 1930s the propaganda films that followed the Japanese attack on Pearl Harbor and the popularity of Sax Rohmer s master villain Fu Manchu Melodramas of passion and film noir also offer a challenge to melodrama with its seemingly alienated protagonists and downbeat endings Yet with few exceptions Hollywood was able to assimilate these genres within its melodramatic imagination Sacred Profanity Aubrey Malone,2010-02-26 This book offers a history of films with Biblical spiritual and supernatural themes This volume follows the evolution of one of the Hollywood s longest running thematic concerns From the silent era to the present Sacred Profanity Spirituality at the Movies examines

the rich diversity of films with spiritual themes films that reflect our own fascination with the divine and supernatural while evoking the specific times in which they were created From Birth of a Nation to Angels and Demons Sacred Profanity discusses over 180 films with an insightful movie lover s approach Coverage encompasses Biblical stories like King of Kings films about spiritual characters such as The Nun s Story foreign masterpieces like The Seventh Seal movies that incorporate spiritual symbolism such as Taxi Driver and Cool Hand Luke horrifying visions of the Satanic like The Exorcist and controversial works like The Last Temptation of Christ The book also looks at the history of Hollywood s attempt to maintain moral order through censorship as well as the growing influence of filmmakers own spiritual beliefs on the movies we see

William Holden Michelangelo Capua,2016-03-22 William Holden was a Hollywood star whose career spanned four decades more than 70 films and three Academy Award nominations Golden Holden won an Oscar for his role in Stalag 17 and after films like Sunset Blvd he became one of Hollywood s most powerful stars in the late 1950s His personal life included international adventures and romances with such stars as Audrey Hepburn and Grace Kelly yet he suffered from alcoholism and clinical depression This biography covers his entire life and career from boyhood through his greatest successes short decline re emergence in The Wild Bunch and his legacy of support for African wildlife **Encyclopedia of Film Noir** Geoff Mayer,Brian McDonnell,2007-06-30 When viewers think of film noir they often picture actors like Humphrey Bogart playing characters like Sam Spade in The Maltese Falcon the film based on the book by Dashiell Hammett Yet film noir is a genre much richer The authors first examine the debate surrounding the parameters of the genre and the many different ways it is defined They discuss the Noir City its setting and backdrop and also the cultural WWII and institutional the House UnAmerican Activities Committee and the Production Code Administration influences on the subgenres An analysis of the low budget and series film noirs provides information on those cult classics With over 200 entries on films directors and actors the Encyclopedia of Film Noir is the most complete resource for film fans students and scholars **In Lonely Places**

Imogen Sara Smith,2014-01-10 Although film noir is traditionally associated with the mean streets of the Dark City this volume explores the genre from a new angle focusing on non urban settings Through detailed readings of more than 100 films set in suburbs small towns on the road in the desert borderlands and the vast empty West the author investigates the alienation expressed by film noir pinpointing its motivation in the conflict between desires for escape autonomy and freedom and fears of loneliness exile and dissolution Through such films as Out of the Past They Live by Night and A Touch of Evil this critical study examines how film noir reflected radical changes in the physical and social landscapes of postwar America defining the genre s contribution to the eternal debate between the values of individualism and community *Hollywood's West* Peter C. Rollins,John E. O'Connor,2005-11-11 An excellent study that should interest film buffs academics and non academics alike Journal of the West Hollywood s West examines popular perceptions of the frontier as a defining feature of American identity and history Seventeen essays by prominent film scholars illuminate the allure of life on the edge of

civilization and analyze how this region has been represented on big and small screens Differing characterizations of the frontier in modern popular culture reveal numerous truths about American consciousness and provide insights into many classic Western films and television programs from RKO s 1931 classic *Cimarron* to Turner Network Television s recent made for TV movies Covering topics such as the portrayal of race women myth and nostalgia Hollywood s West makes a significant contribution to the understanding of how Westerns have shaped our nation s opinions and beliefs often using the frontier as metaphor for contemporary issues
