

The background of the book cover is a detailed illustration of a grand, multi-story Elizabethan country house. The house features a central dome, numerous windows with decorative frames, and a prominent chimney. In the foreground, a circular fountain with a single jet of water sits on a green lawn. To the right, a wide, dark ramp or driveway leads up towards the house, bordered by a low wall and a fence. Several small figures of people are visible near the fountain and on the ramp, providing a sense of scale. The sky is a dark, moody greenish-brown.

Robert Smythson & Elizabethan Country House Mark Girouard, 1985 **Robert Smythson & the Elizabethan Country House** Mark Girouard, 1985-01-01 Describes the career of the seventeenth century British architect looks at his designs for rural mansions and castles and discusses his contributions to their interior decoration **A World History of Architecture** Marian Moffett, Michael W. Fazio, Lawrence Wodehouse, 2003 The Roman architect and engineer Vitruvius declared firmitas utilitas and venustas firmness commodity and delight to be the three essential attributes of architecture These qualities are brilliantly explored in this book which uniquely comprises both a detailed survey of Western architecture including Pre Columbian America and an introduction to architecture from the Middle East India Russia China and Japan The text encourages readers to examine closely the pragmatic innovative and aesthetic attributes of buildings and to imagine how these would have been praised or criticized by contemporary observers Artistic economic environmental political social and technological contexts are discussed so as to determine the extent to which buildings met the needs of clients society at large and future generations The English House Dan Cruickshank, 2025-11-13 A fascinating new account of the history of the English house from the country's preeminent architectural historian Cruickshank's enthusiasm for England's vernacular architecture shines through every infectious sentence of this glorious book A triumph The Times A mine of information presented in an effortlessly accessible style Unlike many books that merely convey stories attached to buildings this is social and architectural history delivered with forensic insight Country Life This is the story of the superbly elegant early eighteenth century Pallant House in Chichester It's the story of 19 Princelet Street in Spitalfields built for a Huguenot silk weaver ultimately a synagogue It's also the story of among others a row of two up two downs in Toxteth a block of flats in London's East End and what Ideal Home's magazine described in 1926 as Britain's first modern house in Northampton Together these buildings reveal the ways in which English homes have developed and changed over the past few centuries At the same time as Dan Cruickshank shows they have much to tell us about the lives of their first occupants their aspirations their struggles their place within society and relationship with their local community The English House brilliantly weaves these two strands together blending architectural and social history to create a series of brilliantly observed portraits of fascinating buildings Praise for Dan Cruickshank Genial erudite and companionable this heroic and heartfelt book caps a career devoted to Spitalfields heritage Spectator With beguiling erudition TV historian and local resident Cruickshank tells the story of Spitalfields from Roman times to today This is people's history at its tastiest Sunday Express A passionate scholarly energy and involvement with every era of the district's long history come off Spitalfields pages Absorbing detail Times Literary Supplement Cruickshank writes perceptively and honestly As well as being a fascinating account of a unique area of London Spitalfields is a timely warning that helps us to appreciate what the city and country risk losing Country Life A delight to read Teaches one how to use one's eyes more intelligently Jean Seaton Chair of Judges PEN Hessell Tiltman

History Prize **The Building of Elizabethan and Jacobean England** Maurice Howard, 2007 Building accounts government regulation and theoretical writing on the one hand and pictorial representation on the other directed new ways of documenting the changed appearance of the buildings in which people lived worshipped and worked This book shows how changes of style in architecture emerged from the practical needs of building a new society through the image making of public and private patrons in the revolutionary century between Reformation and Civil War BOOK JACKET *Art in England* Sara N. James, 2016-10-31 Art in England fills a void in the scholarship of both English and medieval art by offering the first single volume overview of artistic movements in Medieval and Early Renaissance England Grounded in history and using the chronology of the reign of monarchs as a structure it is contextual and comprehensive revealing unobserved threads of continuity patterns of intention and unique qualities that run through English art of the medieval millennium By placing the English movement in a European context this book brings to light many ingenious innovations that focused studies tend not to recognize and offers a fresh look at the movement as a whole The media studied include architecture and related sculpture both ecclesiastical and secular tomb monuments murals panel paintings altarpieces and portraits manuscript illuminations textiles and art by English artists and by foreign artists commissioned by English patrons *Architecture and Empire in Jamaica* Louis P. Nelson, 2016-01-01 Through Creole houses and merchant stores to sugar fields and boiling houses Jamaica played a leading role in the formation of both the early modern Atlantic world and the British Empire Architecture and Empire in Jamaica offers the first scholarly analysis of Jamaican architecture in the long 18th century spanning roughly from the Port Royal earthquake of 1692 to Emancipation in 1838 In this richly illustrated study which includes hundreds of the author's own photographs and drawings Louis P Nelson examines surviving buildings and archival records to write a social history of architecture Nelson begins with an overview of the architecture of the West African slave trade then moves to chapters framed around types of buildings and landscapes including the Jamaican plantation landscape and fortified houses to the architecture of free blacks He concludes with a consideration of Jamaican architecture in Britain By connecting the architecture of the Caribbean first to West Africa and then to Britain Nelson traces the flow of capital and makes explicit the material economic and political networks around the Atlantic **Design and Plan in the Country House** Andor Harvey Gomme, Austin Harvey Gomme, Alison Maguire, Maguire Alison, 2008-01-01 The way a man thinks about his day to day living and the needs of his household reveals a great deal about his ambitions his idea of himself and his role in the community And his house or castle offers many clues to his habits as well as those of the members of his household This intriguing book explores the evolution of country house plans throughout Britain and Ireland from medieval times to the eighteenth century With photographs and detailed architectural plans of each house under discussion the book presents a whole range of new insights into how these homes were designed and what their varied designs tell us about the lives of their residents Starting with fortified medieval tower houses the book traces patterns that developed and sometimes repeated in country house

design over the centuries It discusses who slept in the bedchambers where food was prepared how rooms were arranged for official and private activities what towers signified and more Groundbreaking in its depth the volume offers a rare tour of country houses for scholar and general reader alike *The Country House Poem* Alastair Fowler,1994 This major new collection of almost all the known estate poems of the seventeenth century draws on the literary historical and artistic traditions of the period to clarify this much debated genre The poems are mostly reproduced in their entirety and include ten from the Mildmay Fane manuscripts an important but so far unpublished source of such material Full notes accompany the text explaining difficult passages and relating them to their biographical social and political contexts There is a substantial introduction a comprehensive bibliography and a listing of visual sources complementing the contemporary illustrations Containing much new evidence for architectural and art historians as well as for literary scholars *The Country House Poem* is set to become the definitive work in this field
