Robespierre The Voice Of Virtue

Alphonse de Lamartine

Robespierre The Voice Of Virtue:

Robespierre Otto J. Scott, Originally published New York N Y Mason Lipscomb Publishers 1974 *Robespierre* Otto Scott, 2017-09-28 It is a perverse but almost inescapable phenomenon in the history of violent revolutions that after the first heroic days a colorless bureaucrat will inherit the mantle of leadership In the Russian Revolution Lenin was followed by a plodding Stalin rather than a dazzling Trotsky Even after the American Revolution the celebrated Jefferson barely made it into office as president between two party regulars The French Revolution was no exception After the genius and idealism of Mirabeau Danton and others who had created the Revolution it fell into the hands of an unscrupulous and sententious bourgeois lawyer who had been lost among the back benches of the first Estates General Like Stalin Robespierre rose through tireless party service and meticulous attention to detail and finally through the execution of men who had been the real heroes of the Revolution Unlike Stalin however Robespierre was a brilliant orator who ultimately was destroyed on the guillotine by the very terror he had created to eliminate his rivals In *Robespierre The Voice of Virtue* Otto J Scott has created an ironic portrait of hypocrisy in power This biography is a study in moral arrogance self proclaimed virtue and the effectiveness of brutality in the position of political leadership it is a reenactment of the events that Robespierre came to personify the Reign of Terror This political condition has since been re enacted all too often **Robespierre: the Voice of**

Virtue Otto J. Scott, 1974 **The "Atheism" of the Early Church** R. J. Rushdoony, 2009-11-16 Early Christians were called heretics and atheists when they denied the gods of Rome in particular the divinity of the emperor and the statism he embodied in his personality cult These Christians knew that Jesus Christ not the state was their Lord and that this faith required a different kind of relationship to the state than the state demanded Because Jesus Christ was their acknowledged Sovereign they consciously denied such esteem to all other claimants Today the church must take a similar stand before the modern state **Contrasting Ideals and Ends in the American and French Revolutions** Miguel A. Faria, Jr., 2024-11-26

This book describes momentous events in the American and French Revolutions The American revolutionaries were nationalist patriots who wanted independence from Great Britain and to create a new nation based on the principles of classical liberalism and Natural Rights theory Their goal was the attainment of life liberty and the pursuit of happiness inherent in the God given or Nature derived rights of free men They did not seek to overturn the basic institutions of society as eventually the French revolutionists did when they destroyed churches desecrated tombs and even renamed the months of the year creating a new revolutionary calendar The French revolutionists adopted the revolutionary slogan Libert galit Fraternit but they did not grasp the fact that the leveling of society was incompatible with liberty And regarding fraternity they did not mean the brotherhood of all men because the nobility and common citizens who did not hold the purest aims of Jacobin ideology were exterminated **Sovereignty** R. J. Rushdoony, The word sovereignty means one who is above all It is the supreme and highest power The Christian defines the Sovereign Lord as unlimited independent with original authority

For fallen man sovereignty belongs to the state because the state is the source of law Since the Christian can have no other gods Ex 20 3 history is defined appropriately by Augustine as a conflict between the City of Man and the City of God As in all conflicts we must choose this day whom we will serve Calvinists often limit the doctrine of sovereignty to a systematic theological definition of God Much more work is needed in developing the implications of sovereignty for the Kingdom of God and its application in terms of the law word of God In this posthumously published volume R J Rushdoony examines the comprehensive implications of God s sovereignty with a clear eye to critiquing the various places where man posits sovereignty especially the sovereign state This is a must read for anyone seeking to understand the crises of our times

The Essential Russell Kirk Russell Kirk,2023-07-04 As the author of *The Conservative Mind* and other seminal books Russell Kirk is usually thought of as one of the American conservative political movement s most important progenitors But as this collection demonstrates Kirk was perhaps at his best as an essayist This volume also confirms that Kirk s was principally a literary and historical conservatism that refused to fit the irreducible complexity of human experience to the requirements of any ideological straitjacket With *The Essential Russell Kirk* literary critic George A Panichas captures the breadth and depth of Kirk s intellectual project by gathering together forty four of the most masterful of Kirk s essays along with a unique chronology told in Kirk s own words and a substantial introduction that articulates the deep humanism that animated Kirk s philosophy The result is a carefully assembled volume that gives us a fuller picture of an extraordinary man and writer one whose labors had and continue to have remarkable repercussions on the American literary and political landscape

HOW ROBESPIERRE'S HOSTILITY TOWARD TRADITIONAL RELIGION LED TO THE TERROR Nuray Bamanie,2025-04-20 **The Revolutionary Career of Maximilien Robespierre** David P. Jordan,1989-07-15 As it changed forever the political landscape of the modern world the French Revolution was driven by a new type of personality the confirmed self aware revolutionary Maximilien Robespierre originated the role and embodied its ideological essence and extremes the self that he projected to the people was equated with the ideals for which he strove In creating this intellectual biography of so enigmatic a figure David Jordan has stressed the words of the man about himself With great imagination and insight Jordan places Robespierre s self conceptualization within the context of events and explains how Robespierre The Incorruptible a man seen by contemporaries as virtuous could not only equate justice with vengeance and demand it of the people but also stand as its symbol before the world *The Collected Works of Hilaire Belloc* Hilaire Belloc,2021-04-16 e artnow presents to you this meticulously edited collection of Hilaire Bellocs most influential works _x000D_ Nonfiction _x000D_ History _x000D_ The Book of the Bayeux Tapestry _x000D_ The Path to Rome _x000D_ The Old Road _x000D_ The French Revolution _x000D_ Blenheim _x000D_ Tourcoing _x000D_ Cr cy _x000D_ Waterloo _x000D_ Malplaquet _x000D_ Poitiers _x000D_ First and Last _x000D_ Europe and the Faith _x000D_ Survivals and New Arrivals The Old and New Enemies of the Catholic Church _x000D_ The Jews _x000D_ The Historic Thames _x000D_ A Change in the Cabinet _x000D_ A
