**Unyielding Resolve** Lev E. Dobriansky, 2025-02-01 Dr Lev E Dobriansky provides a unique first person perspective on Russian imperialist behavior in the twentieth century arguing that even in the Soviet era Russian statecraft was heavily shaped by traditional imperialist ideology led by Moscow s self image as the dominant Eurasian imperial power This theory was at the heart of Dobriansky s commitment to warning against global Soviet aggression and liberating peoples under

Russian repression culminating in the Captive Nations Resolution PL 86 90 the US law designating Captive Nations Week and the issuance of a presidential proclamation every July This resolution played a major role in shaping US policies toward victims of Russian imperial domination and today continues as an acknowledgment of people and nations living under repressive regimes The collapse of the Soviet Union and subsequent developments including Russia s 2014 and 2022 unprovoked invasions of independent Ukraine have validated the author s view that Russian imperialism was the major determinant of its statecraft The book is the first to document the history of Captive Nations and the passage of PL 86 90 It is a potent first person account detailing the role of nationalism in the strong resistance to Moscow s efforts to maintain imperial domination over non Russian peoples in the Soviet era and beyond     **Problems of Communism** ,1954     **The Western Literary Tradition: Volume 2** Margaret L. King,2022-03-01 This compact anthology the second volume in Margaret L King s masterful introduction to the Western literary tradition offers in whole or in part eighty key literary works of the eighteenth nineteenth and twentieth centuries The texts provided here represent an unusually broad array of languages and traditions ranging across a variety of genres such as verse drama philosophy short and long form fiction and non fiction including autobiography speech journalism and essay This second volume shares with the first a focus on works by women numerous texts by Latin American writers are included here as well King s clear engaging introductions and notes support an informed reading of the texts while extending students knowledge of particular authors and problems of interest The Western Literary Tradition s modest length and cost allow for the use of full length works many of which are available in Hackett Publishing s own well regarded and inexpensive translations and editions alongside the anthology without adding undue cost to a student s total textbook fees     *U.S. Air Services* ,1951     **The Shaping of Western Civilization** Michael Burger,2013-01-01 Michael Burger s goal in this inexpensive overview is to provide a brief historical narrative of Western civilization Not only does its length and price separate this text from the competition but its no frills uncluttered format and well written one authored approach make it a valuable asset for every history student The Shaping of Western Civilization begins with the ancient Near East and ends with globalization Unlike other textbooks that pile on dates and facts Shaping is a more coherent and interpretive presentation Burger s skills as writer and synthesizer will enable students to obtain the background required to ask meaningful questions of primary sources In addition to suggestions for further reading this overview includes over 50 images and 22 maps
