

Russia The People And The Power

Alexander Burak

Russia The People And The Power:

Russia Robert G. Kaiser, 1977 *Russia* Robert G. Kaiser, 1976 **Russians** Gregory Feifer, 2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries and continue to do so today Russians explores the seeming paradoxes of life in Russia by unraveling the nature of its people what is it in their history their desires and their conception of themselves that makes them baffling to the West Using the insights of his decade as a journalist in Russia Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super rich and the great majority of poor Traversing the world's largest country from the violent North Caucasus to Arctic Siberia Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much needed light on the purposely hidden functioning of its society before during and after communism Woven throughout is an intimate first person account of his family history from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka fueled run ins with the KGB What emerges is a rare portrait of a unique land of extremes whose forbidding geography merciless climate and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances Russians is an expertly observed gripping profile of a people who will continue challenging the West for the foreseeable future *Power and Policy in Putin's Russia* Richard Sakwa, 2013-09-13 The volume provides a retrospective analysis of Putin's eight years as president between 2000 and 2008 An international group of leading specialists examine Putin's leadership in an informed and balanced manner The authors are drawn from Russia itself as well as from Europe America and Australasia Coverage includes general analysis of the Putin presidency the ideology underlying the thinking of the regime issues of institutional development including coverage of parties parliament and elections developments in the federal system corruption and changes in the configuration of the elite The impact of energy on changes in political economy provides the background to an assessment of Russia's re emergence as a great power in international affairs accompanied by analysis of the difficulties in Russia's relations with its former Soviet neighbours and the European Union The authors examine the interaction between power and policy and draw some conclusions about the dynamics of Putin's system of government and thus of the fate of Russia This book was published as a special issue of Europe Asia Studies **Television and Presidential Power in Putin's Russia** Tina

Burrett,2010-12-14 As a new president takes power in Russia this book provides an analysis of the changing relationship between control of Russian television media and presidential power during the tenure of President Vladimir Putin It argues that the conflicts within Russia s political and economic elites and President Putin s attempts to rebuild the Russian state after its fragmentation during the Yeltsin administration are the most significant causes of changes in Russian media Tina Burrett demonstrates that President Putin sought to increase state control over television as part of a larger programme aimed at strengthening the power of the state and the position of the presidency at its apex and that such control over the media was instrumental to the success of the president s wider systemic changes that have redefined the Russian polity The book also highlights the ways in which oligarchic media owners in Russia used television for their own political purposes and that media manipulation was not the exclusive preserve of the Kremlin but a common pattern of behaviour in elite struggles in the post Soviet era Basing its analysis predominately on interviews with key players in the Moscow media and political elites and on secondary sources drawn from the Russian and Western media the book examines broad themes that have been the subject of constant media interest and have relevance beyond the confines of Russian politics *Russia and the Commonwealth of Independent States* Zbigniew K Brzezinski,2016-09-16 This work brings together major accords and protocols that form the institutional framework of the Commonwealth of Independent States CIS a selection of policy statements by the leaders of CIS countries a chronological record of political economic and military security developments and major crises in CIS hot spots and statistics and country profiles *Russia's People of Empire* Stephen M. Norris,Willard Sunderland,2018-11-01 A fresh and lively approach to understanding how the various Russian empires have worked Slavic Review A fundamental dimension of the Russian historical experience has been the diversity of its people and cultures religions and languages landscapes and economies For six centuries this diversity was contained within the sprawling territories of the Russian Empire and the Soviet Union and it persists today in the entwined states and societies of the former USSR Russia s People of Empire explores this enduring multicultural world through life stories of 31 individuals famous and obscure high born and low men and women that illuminate the cross cultural exchanges at work from the late 1500s to post Soviet Russia Working on the scale of a single life these microhistories shed new light on the multicultural character of the Russian Empire which both shaped individuals lives and in turn was shaped by them S tudents of Russian empire would be well served with this work given its snapshots of diverse imperial milieus and their attendant multicultural dialogues at the personal level Slavic and East European Journal This compilation gives readers a more in depth personal understanding of how the inescapable existence of diversity in Russia and the Soviet Union related to everyday life Highly recommended Choice **Russia as a Great Power** Jakob Hedenskog,Vilhelm Konnander,Bertil Nygren,Ingmar Oldberg,Christer Pursiainen,2013-07-04 After a period of relative weakness and isolation during most of the 1990s Russia is again appearing as a major security player in world politics This book provides a comprehensive assessment of Russia s current security

situation addressing such questions as What kind of player is Russia in the field of security What is the essence of its security policy What are the sources capabilities and priorities of its security policy What are the prospects for the future One important conclusion to emerge is that while Russian foreign policy under Putin has become more pragmatic and responsive to both problems and opportunities the growing lack of checks and balances in domestic politics makes political integration with the West difficult and gives the president great freedom in applying Russia's growing power abroad

Parliamentary Power in Russia, 1994-2001 T. Troxel, 2002-12-09 This book is the first study of the power of the Russian Parliament in the policy process from 1994-2001 within the context of executive legislative relations It challenges the widely held view that between 1994 and 2001 Russia had a presidential system with a strong authoritarian leader who ruled by decree and a weak parliament which did not have much power

Struggling Russia Arkady Joseph Sack, 1919 Presidential Power in Russia Eugene Huskey, 2016-09-16 This is the first major assessment of the role of the presidency in Russia's difficult transition from communist rule Huskey analyzes the establishment and functioning of the Russian presidency as an institution and in relation to the other leading institutions of state the government parliament courts and regional authorities Although this is not a biography of the first president Boris Yeltsin his allies and his rivals loom large in the study of a critical phase in the creation of a new Russian political system

The Unlimited Power of Russia Merve Suna Özel Özcan, 2025-07-30 The present book explores how Russia has pursued its aspiration to be recognized as a great power throughout its history and its actions to achieve this aim From the imperial period to the Soviet era Russia has consistently sought to uphold its reputation as a formidable player in the international system The Russian Federation strategically moves to maintain this great superpower status The book aims to analyze Russia's role in the international arena by examining key themes including its foreign policy identity the use of military power energy policies and relationships with the system These themes provide a comprehensive framework for understanding Russia's international role A comprehensive analysis of the historical and cynical context current policies and future strategies is essential for understanding the complexities surrounding Russia's emergence as a great power In this framework we can say that the Putin era has significantly facilitated Russia's pursuit of its strategic objectives This period has enabled the nation to reaffirm its status as a prominent player within the international arena

Is Russia a European Power? Tom Casier, Katlijn Malfliet, 1998 What place will Russia take in the new Europe Will Russia act as a full fledged European partner Or is there a risk that Russia might be isolated

Russia's Visionaries Alexander Burak, 2020-11-25 This book examines the latest thinking regarding Russia's present position and its anticipated future by leading Russian philosophers political scientists economists and cultural figures to whom the author refers as visionaries These thinkers position Russia as a global protector of fairness and a safeguard against any single nation's world hegemony Despite Russians' abiding tendency to underestimate and undervalue their achievements they are increasingly coming to realize that Russia's historical record is on the whole outstanding The book's 17 chapters

including many original translations of spoken discussions argue that Russia has all the prerequisites for and is in fact already well on the way toward becoming a global Noah's Ark of Western civilization People's Power Peter Roman, 2019-07-11 The study on which this book is based began in 1986 with the fifth legislative session of the Cuban municipal assemblies The research on which the book is based was supported in part by grants from the City University of New York PSC CUNY Research Foundation *Federalism and Local Politics in Russia* Cameron Ross, Adrian Campbell, 2008-10-27 With articles by a high quality set of contributors including Richard Sakwa Darrell Slider and Vladimir Gelman this book explores the increasingly authoritarian character of Putin's rule especially in his second term since 2004

The Independent William Livingston, 1907 **Protest in the Provinces** Allison D. Evans, 2025-05-20 In the immediate aftermath of the Soviet Union's collapse Russia entered shock therapy a series of neoliberal and seemingly democratizing reforms that sought to quickly undo the decades old communist planned economy fused Party State autocratic political system and highly centralized government Russians were indeed shocked by the resulting runaway inflation political chaos declining living standards rising unemployment and persistent wage arrears *Protest in the Provinces* examines the popular reactions to this dire economic decline which varied in scale intensity and aims across similar industrial company towns during the 1990s Analyzing local media archival documents and interviews Allison D Evans provides a detailed and comparative history of protests in three such cities Cherepovets dominated by the steel industry Komsomolsk na Amure by defense and Surgut by oil and gas In doing so she illuminates a range of strategies local elites used to control and respond to protesters which were influenced by the primary industry's level of dependence on the central state and the extent of elite unity Unique in its close range analysis of participation and protest in provincial cities this book reshapes understandings of Russia's transition to capitalism and provides insights into the activism that continues in provincial Russia today

Independent and Weekly Review, 1905 **Checking Executive Power** Jody C. Baumgartner, Naoko Kada, 2003-10-30 Baumgartner Kada and their contributors examine presidential impeachment in such varied settings as the United States Russia Colombia Brazil Venezuela the Philippines and Madagascar In all of these countries there has been a serious impeachment attempt within the past decade or so The results of each impeachment attempt vary from unsuccessful attempts to those which were successful in the latter case some resulted in presidents remaining in office others in removal of the president and in one case the forced resignation of a president The common framework of each analysis includes a discussion of the historical and constitutional bases of the presidency the institutional balance of power provisions for impeachment and the structure of party politics in each country in addition the role that public opinion plays in the process is discussed While broad the framework permits comparison between the cases and some general conclusions about all phases of the impeachment process and executive accountability can be drawn One of the most important conclusions is that contrary to popular wisdom impeachment is most definitively not a strictly legal process but rather one that is highly political

from start to finish As the volume makes clear it is most useful to view impeachment by way of examining the intersection of executive legislative relations partisan political conflict and public opinion

Unveiling the Magic of Words: A Report on "**Russia The People And The Power**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Russia The People And The Power Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia The People And The Power free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia The People And The Power free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia The People And The Power free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russia The People And The Power. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia The People And The Power any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russia The People And The Power Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia The People And The Power is one of the best book in our library for free trial. We provide copy of Russia The People And The Power in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia The People And The Power. Where to download Russia The People And The Power online for free? Are you looking for Russia The People And The Power PDF? This is definitely going to save you time and cash in something you should think about.
