Russian Americans:

Russian Americans Nichol Bryan, 2010-09-01 Provides information on the history of Russia and on the customs language religion and experiences of Russian Americans 'Russian Americans' in Soviet Film Marina L. Levitina, 2015-09-29 Certain aspects of American popular culture had a formative influence on early Soviet identity and aspirations Traditionally Soviet Russia and the United States between the 1920s and the 1940s are regarded as polar opposites on nearly every front Yet American films and translated adventure fiction were warmly received in 1920s Russia and partly shaped ideals of the New Soviet Person into the 1940s Cinema was crucial in propagating this new social hero While open admiration of American film stars and heroes of literary fiction in the Soviet press was restricted from the late 1920s onwards many positive heroes of Soviet Socialist Realist films in the 1930s and 1940s were partially a product of Soviet Americanism of the previous decade Some of the new Soviet heroes in films of the 1930s and 1940s possessed traits noticeably evocative of the previously popular American film stars such as Douglas Fairbanks Pearl White and Mary Pickford Others cinematically represented the contemporary trope of the Russian American an ideal worker exemplifying the Stalinist marriage of Russian revolutionary sweep with American efficiency Russian Americans in Soviet Film analyses the content reception and underlying influences of over 60 Soviet and American films the book explores new territory in Soviet cinema and Soviet American cultural relations It presents groundbreaking archival research encompassing Soviet audience surveys Soviet film journals and reviews memoirs and articles by Soviet filmmakers and scripts among other sources The book reveals that values of optimism technological skill efficiency and self reliance perceived as quintessentially American were incorporated into new Soviet ideals through channels of cross cultural dissemination resulting in cultural synthesis *The Russian Americans* Paul R. Magocsi, 1996 Presents an overview of the Russian American immigrant experience **New Perspectives on Russian-American Relations** William Benton Whisenhunt, Norman E. Saul, 2015-08-14 New Perspectives on Russian American Relations includes eighteen articles on Russian American relations from an international roster of leading historians Covering topics such as trade diplomacy art war public opinion race culture and more the essays show how the two nations related to one another across time from their first interactions as nations in the eighteenth century to now Instead of being dominated by the narrative of the Cold War New Perspectives on Russian American Relations models the exciting new scholarship that covers more than the political and diplomatic worlds of the later twentieth century and provides scholars with a wide array of the newest research in the field The New Americans Mary C. Waters, Reed Ueda, Helen B. Marrow, 2007-01-30 The U S has always been a nation of immigrants shaped by successive waves of new arrivals This comprehensive guide provides an authoritative account of the most recent surge of immigrants Based on the latest U S Census data and scholarly research this book is an essential reference for anyone curious about the changing face of America **The Catacazy Affair and the Uneasy Path of Russian-American Relations** Lee A. Farrow, 2021-09-09

Constantin Catacazy whipped up scandal in Washington after his appointment there as Russian Ambassador in 1869 ignoring diplomatic protocol and defying social mores By 1871 President Grant and his Cabinet requested that he be recalled But the timing of this request overlapped with the visit of the tsar s son to the USA a celebrated diplomatic event symbolising the friendship and good will between the two nations Consequently Catacazy was allowed to travel with the tsar s son but only as a persona non grata This tense resolution led many to worry about the future of the Russian American friendship With a keen sense of the human interest Lee A Farrow demonstrates that this affair was one of the earliest significant complications in the relationship between Russia and the USA Using a lively micro historical approach and fresh materials such as the letters of Catacazy and of Secretary of State Hamilton Fish from archives in the USA UK and Russia Farrow explores 19th century politics and diplomacy and the pre suffrage power of women in the political arena through an investigation of the Washington wives reactions to the controversial figure of Olga Catacazy The result is a cutting edge analysis of this pivotal episode in modern history

Russian Immigrants in the United States Vera Kishinevsky,2004 Kishinevsky s study surveys the acculturation of and response to American culture by three generations of Russian immigrant women Kishinevsky tells the stories of three generations of women who immigrated to the United States from Russia and satellite states inviting the reader into their reality and presenting their worldviews attitudes and perspectives through powerful and exciting life stories She interviewed five triads of immigrant women retired grandmothers midlife mothers and teenage daughters Her analysis of these powerful pieces yields unexpected conclusions about the strength of family ties and intergenerational influences that continue to shape the worldview of young Russian Americans The book is written from a multicultural perspective exploring such general issues as acculturation assimilation and psychological adjustment of immigrants as it applies to the Russian immigrants

Studies in Russian-American Commerce 1820-1860 Walther Kirchner,2023-11-27 **Library of Congress Subject Headings** Library of Congress,2011 **The American Bibliography of Slavic and East European Studies for 1994** Patt Leonard,Rebecca Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

The Oxford Companion to American Food and Drink Andrew F. Smith, 2007-05-01 Offering a panoramic view of the history and culture of food and drink in America with fascinating entries on everything from the smell of asparagus to the history of White Castle and the origin of Bloody Marys to jambalaya the Oxford Companion to American Food and Drink provides a concise authoritative and exuberant look at this modern American obsession Ideal for the food scholar and food enthusiast alike it is equally appetizing

for anyone fascinated by Americana capturing our culture and history through what we love most food Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions It also dispels a few commonly held myths Veganism isn't simply the practice of a few hippies but is in fact wide spread among elite athletic circles Many of the top competitors in the Ironman and Ultramarathon events go even further avoiding all animal products by following a strictly vegan diet Anyone hungering to know what our nation has been cooking and eating for the last three centuries should own the Oxford Companion to American Food and Drink

The Encyclopedia of North American Indian Wars, 1607-1890 Bloomsbury Publishing, 2011-09-19 This encyclopedia provides a broad in depth and multidisciplinary look at the causes and effects of warfare between whites and Native Americans encompassing nearly three centuries of history The Battle of the Wabash the U S Army's single worst defeat at the hands of Native American forces The Battle of Wounded Knee an unfortunate unplanned event that resulted in the deaths of more than 150 Lakota Sioux men women and children These and other engagements between white settlers and Native Americans were events of profound historical significance resulting in social political and cultural changes for both ethnic populations the lasting effects of which are clearly seen today The Encyclopedia of North American Indian Wars 1607 1890 A Political Social and Military History provides comprehensive coverage of almost 300 years of North American Indian Wars Beginning with the first Indian settler conflicts that arose in the early 1600s this three volume work covers all noteworthy battles between whites and Native Americans through the Battle of Wounded Knee in December 1890 The book provides detailed biographies of military social religious and political leaders and covers the social and cultural aspects of the Indian wars Also supplied are essays on every major tribe as well as all significant battles skirmishes and treaties

Transcultural Nursing Joyce Newman Giger, 2012-03-12 2010 census data is incorporated through the book to provide the most current analysis of demographic trends Completely revised cultural chapters reflect the shifting experiences of different cultural groups in our society NEW 6 additional cultural chapters on Nigerians Ugandans Jordanians Cuban Americans Amish Americans and Irish Americans

Russian-American Dialogue on Cultural Relations, 1776-1914 Norman E. Saul, Richard D. McKinzie, 1997 Russian American Dialogue on Cultural Relations 1776 1914 the third volume in the Russian American Dialogues series provides English translations of the best Russian scholarship on cultural relations Each

essay originally appeared as an article in the former Soviet Union Five issues are discussed the contributions that each country made to the cultural life of the other the correspondence and interactions between scientists writers and others from the two nations the development of public perceptions and how these changed over time the American focus in Russian periodicals during the nineteenth century and the significant roles of Russians and the Russian presence in American history The Russian articles on each of these subjects are followed by comments from American historians The articles by the Russian scholars make extensive use of and liberally cite material from Russian archives and publications As a result they provide American readers with new scientific exchanges personalities and points of view The result is a plethora of new material for Western historians of Russia as well as of the United States The book provides an opportunity for scholars to examine more thoroughly the relevant issues of Russian American cultural relations An important scholarly contribution Russian American Dialogue on Cultural Relations 1776 1914 brings a new dimension to the relationship between the United States and Russia before 1914 It will be of interest not only to historians of this period but to all historians and students of international cultural relations
