Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy:

Russian Nationalism Since 1856 Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases_ Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_ when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

Russian Nationalism, Foreign Policy and Identity Debates in Putin's Russia Marlene, 2014-04-15 The contributors to this book discuss the new conjunctions that have emerged between foreign policy events and politicized expressions of Russian nationalism since 2005 The 2008 war with Georgia as well as conflicts with Ukraine and other East European countries over the memory of the Soviet Union and the Russian interpretation of the 2005 French riots have all contributed to reinforcing narratives of Russia as a fortress surrounded by aggressive forces in the West and CIS This narrative has found support not only in state structures but also within the larger public It has been especially salient for some nationalist youth movements including both pro Kremlin organizations such as Nashi and extra systemic groups such as those of the skinheads These various actors each have their own specific agendas they employ different modes of public action and receive unequal recognition from other segments of society Yet many of them expose a reading of certain foreign policy events which is roughly similar to that of various state structures These and related phenomena are analyzed interpreted and contextualized in papers by Luke March Igor Torbakov Jussi Lassila Marl ne Laruelle and Lukasz Jurczyn

Russian Nationalism Marlene Laruelle, 2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia s distinctive national character based on the country s geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia s ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin s political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond

Routledge Handbook of Russian Foreign Policy Andrei Tsygankov, 2018-03-20 Providing a comprehensive overview of Russia s foreign policy directions this handbook brings together an international team of scholars to develop a complex treatment of Russia s foreign policy The chapters draw from numerous theoretical traditions by incorporating ideas of domestic institutions considerations of national security and international recognition as sources of the nation s foreign policy Covering critically important subjects such as Russia s

military interventions in Ukraine and Syria the handbook is divided into four key parts Part I explores the social and material conditions in which Russia's foreign policy is formed and implemented Part II investigates tools and actors that participate in policy making including diplomacy military media and others Part III provides an overview of Russia's directions towards the United States Europe Asia the Middle East Eurasia and the Arctic Part IV addresses the issue of Russia's participation in global governance and multiple international organizations as well as the Kremlin's efforts to build new organizations and formats that suit Russia's objectives The Routledge Handbook of Russian Foreign Policy is an invaluable resource to students and scholars of Russian Politics and International Relations as well as World Politics more generally

Reconfiguring Chinese Nationalism J. Leibold, 2016-09-23 The first full length treatment of ethnic and national identity in early Twentieth century China Leibold traces the political and cultural strategies employed by Han Chinese elites in the process of incorporating both discursively and physically the diverse inhabitants of the last Qing dynasty into a new homogenous national community

Mobilizing the Russian Nation Melissa Kirschke Stockdale, 2016-12-13 This study of Russian mobilization in the Great War explores how the war shaped national identity and conceptions of citizenship

The West's East Lukas Milevski, 2018-06-01 In 2004 the Baltic states Estonia Latvia Lithuania finalized their return to the West by joining NATO and the EU after definitively throwing off their captive nations status by regaining independence in 1991 This has not however halted resurgent Russian revanchism in the region given Russia's aggressive actions starting in Ukraine in 2014 defense of the Baltic has gained a new urgency and prominence In The West's East Lukas Milevski places the Baltic states in strategic and historical perspective Through these nations experiences he sheds light on how independent states have been able to persist despite being surrounded by predatory great powers The work offers a deep overview of the region's history from the indigenous Baltic tribes which populated it to the post Cold War era followed by recent political analogies of West Russia relations Analyses of today's strategic balance in the region indicate the various actors geopolitical outlooks strategic cultures military capabilities and non military security vulnerabilities As Milevski argues the NATO Russia relationship will play the major role in any potential conflict in the Baltic but neutrals Finland and Sweden must also be factored into the strategic analysis Using the logic of strategy he anticipates potential military interaction in the region step by step from deterrence to Russia's choice of offensive strategy to area denial and NATO's return and break into the Baltic theater and finally war termination to determine the answer to the ultimate question how much defense for the Baltic is enough The West's East gives both experts and policymakers alike the background and framework for thinking strategically about a region that has re-emerged as a significant geopolitical concern in the Putin Trump era

Limiting institutions? James Sperling, Sean Kay, Victor Papacosma, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license Eurasian security governance has received increasing attention since 1989 The North Atlantic Treaty Organisation the institution that best served the security interests of the West in its competition with the Soviet Union is now

relatively ill equipped resolve the threats emanating from Eurasia to the Atlantic system of security governance This book investigates the important role played by identity politics in the shaping of the Eurasian security environment It investigates both the state in post Soviet Eurasia as the primary site of institutionalisation and the state s concerted international action in the sphere of security This investigation requires a major caveat state centric approaches to security impose analytical costs by obscuring substate and transnational actors and processes The terrorist attacks on the World Trade Center and the Pentagon marked the maturation of what had been described as the new terrorism Jervis has argued that the western system of security governance produced a security community that was contingent upon five necessary and sufficient conditions The United States has made an effort to integrate China Russia into the Atlantic security system via the Partnership for Peace PFP programme and the Euro Atlantic Partnership Council The Black Sea Economic Cooperation has become engaged in disseminating security concerns in fields such as environment energy and economy If the end of the Cold War left America triumphant Russia s new geopolitical hand seemed a terrible demotion Successfully rebalancing the West and building a collaborative system with Russia China Europe and America probably requires more wisdom and skill from the world s leaders *National Will to Fight*

McNerney,Connable,Zimmerman,Lander,Posard,Castillo,Madden,Blum,Frank,Fernandes,Seol,Paul,Parasiliti,2018-09-07 In this report RAND researchers explore the factors contexts and mechanisms that shape a national government s decision to continue or end military and other operations during a conflict i e national will to fight To help U S leaders better understand and influence will to fight the researchers propose an exploratory model of 15 variables that can be tailored and applied to a wide set of conflict scenarios A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world Britain and the World in the Twentieth Century Michael J Turner,2010-02-26 This is a detailed single volume analysis of Britain s changing position in the world during the twentieth century It places British policy making in the appropriate domestic and international contexts offers an alternative to the more negative decline obsessed assessments of Britain s role and influence in global affairs This book suggests that Britain s leaders did a better job than some historians think Michael Turner in order to understand why they took the options they did investigates their motives and aims within the international environment within which they operated **ASEAN-Russia** Victor Sumsky,Mark Hong,Amy Lugg,2012-05-30 In 2012 Russia assumes the Chairmanship of APEC and is keen to build on its memberships of both East Asia Summit EAS and the Asia Europe Meeting ASEM Russia is geographically and historically part of Asia and the Asia Pacific and has been a dialogue partner of ASEAN since 1996 Still

the obstacles of distance and languages have led ASEAN member states and Russia to know and interact little between both sides As growth poles in the world economy there is much benefit in greater interaction between their rich economies To commemorate the 15th Anniversary of the Russia ASEAN dialogue partnership in 2011 the ASEAN Studies Centre at ISEAS and its counterpart from MGIMO University Moscow co organized a two day conference that year in which papers were presented offering perspectives from Russia and the ten ASEAN member states Representatives from academia and the public and private sectors offered insights on topics including geopolitics bilateral relations business and economics and culture and education This is a timely book that affords the reader insights into where ASEAN Russia relations currently stand and suggests how they can improve and move forward

Russian Nationalism and the National Reassertion of Russia Marlene Laruelle, 2009-05-07 Military action in South Ossetia growing tensions with the United States and NATO and Russia s relationship with the European Union demonstrate how the issue of Russian nationalism is increasingly at the heart of the international political agenda This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era and examines how Russian nationalism grows out of or is related to ideology culture racism religion and intellectual thinking and demonstrates how Russian nationalism affects many aspects of Russian society politics and foreign policy This book examines the different socio political phenomena which are variously defined as nationalism patriotism and xenophobia As Russia reasserts itself in the world with Russian nationalism as one of the key driving forces in this process an understanding of Russian nationalism is essential for understanding the dynamics of contemporary international relations

The Round Table Movement and the Fall of the 'Second' British Empire (1909-1919) Andrea Bosco, 2017-01-06 In spite of the general phobia of federalism there is a strong federalist trend within British political culture In three very different historical contexts federalism inspired the action of political movements such as the Imperial Federation League the Round Table and the Federal Union Indeed it was regarded as the solution to problems arising from the first signs of the possible collapse of Great Britain and its Empire The Round Table Movement played a particularly interesting role in this regard attempting to reverse the rapid and inexorable decline of the British Empire It was a political organisation with roots in all the major peripheries of the Empire and almost unlimited financial resources This volume discusses the strategies and means employed by the group in order to maintain the British Empire s global prominence The book s main argument is that we did not have a British century the nineteenth and an American century the twentieth but rather four centuries of Anglo Saxon supremacy which witnessed the affirmation of the national principle expression of the Continental political tradition and its overcoming through its opposite the federal principle the expression of the insular political tradition

Intellectuals and Apparatchiks , Historical Dictionary of the Russian Federation Robert A. Saunders, 2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist

Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of Historical Dictionary of the Russian Federation provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of Historical Dictionary of the Russian Federation contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

The Baltic Transformed Walter C. Clemens Jr., 2001-06-06 Why isn't the Baltic region like the Balkans Why have the Baltic republics not experienced ethnic cleansing border wars authoritarian rule and social chaos Instead peace democracy and market economies have taken root since the fall of communism Walter C Clemens Jr here uses complexity theory which analyzes the role of self organization in complex adaptive systems to explain the Baltic miracle He argues that the theory is a vital tool for understanding the remarkable strides made by Estonia Latvia and Lithuania since 1991 in coping with the transition to partnership with the new Europe The Baltic peoples have adapted well to the demands of democracy a market economy and a constructive role in world affairs The achievements of Estonia Latvia and Lithuania in the past decade are the more amazing when considered against the hundreds of years they were dominated by Teutonic knights Hanseatic merchants Sweden Russia and the USSR Clemens uses this history as a springboard to analyze how Balts self organize today to meet the challenges of transition One of the first books to apply complexity theory to a major sphere of world politics The Baltic Transformed will provoke constructive debate with its ambitious and well grounded analysis of not only Baltic developments but European security more generally Despite its theoretical foundation the book is written in a clear and accessible style that will make it invaluable for courses on comparative politics political development international relations security or transition studies

On Absolute War Eric Fleury, 2019-01-15 Nearly two decades after the declaration of a War on Terror the precise relationship between warfare and terrorism remains unclear The United States and its allies have long sought to inflict a decisive defeat upon groups such as Al Qaeda and ISIS while regarding their individual members as malevolent criminals undeserving of combatant status A clearer understanding of how terrorists define victory and how their method of fighting relates to conventional military forces is necessary in order to devise more realistic and effective strategies of counterterrorism On Absolute War constructs a theoretical framework for the study of terrorism based on Carl von Clausewitz's On War widely regarded as the greatest analysis of war ever written Through a review of Clausewitz's work and a set of historical case studies ranging from the Fenian Dynamite Campaign of the 1880s to the wars in Iraq and Afghanistan Prof Fleury reveals just how closely terrorism mimics the logic of war Terrorism attempts to restore war to its theoretical baseline a condition that Clausewitz called absolute war featuring relentless escalation toward a climactic result While never achieving this ideal in practice terrorists

succeed to the extent that they compel their enemies and their prospective followers to engage mutual escalation which will ultimately favor whichever side is better able to jettison logistical and normative limits Consequently states must engage terrorists on the basis of Clausewitz's two most important injunctions namely that war is temporary and subordinate to political controls Given the very real prospect of a war without any temporal and spatial limits On Absolute War provides the theoretical basis for a strategy of limiting the effects of terrorism rather than repeatedly trying and failing to destroy it

The Routledge History of East Central Europe Since 1700 Irina Livezeanu, Arpad von Klimo, 2017-03-16 Covers territory from Russia in the east to Germany and Austria in the west exploring the origins and evolution of modernity in this region Provided by the publisher *Strategic Culture in Russia's Neighborhood* Katalin Miklóssy, Hanna Smith, 2019-07-24 This book explains the complex relations and entanglements of Russia and its neighboring countries an area that changed dramatically after the collapse of communism and the end of the Cold War The chapters discuss how the strategic cultures of different countries display common characteristics rooted in this special geopolitical space that has been subjected to simultaneous changes over a longer time Shared historical experiences provide a common ground to interpret outside threats The spatial context is relevant in this volume because the focus is on a geopolitical in between ness The position in between two ideologically politically or economically divergent entities affects the states security considerations maneuvering space and policy perspectives By cross examining competing Russian and Western influences Miklossy and Smith create a persuasive context of regional political choices

This is likewise one of the factors by obtaining the soft documents of this **Russian Nationalism Since 1856 Ideology The Making Of Foreign Policy** by online. You might not require more mature to spend to go to the books opening as skillfully as search for them.
