Russian Peasant 1920 And 1984

Robert Gerwarth

Russian Peasant 1920 And 1984:

The Russian Peasant 1920 and 1984 Robert Ernest Frederick Smith, 2005-06-28 First published in 1977 The Russian Peasant 1920 and 1984 is a significant contribution to history *The Russian Peasant 1920 and 1984* Robert Ernest Frederick Smith, 2005-06-28 First published in 1977 The Russian Peasant 1920 and 1984 is a significant contribution to history *Russian Peasants and Tsarist Legislation on the Eve of Reform* David Moon, 1992-06-18 This study examines the interaction of peasant and official Russia in the period prior to the reforms of 1861 In a series of case studies the issues of communication and understanding between the peasantry and officialdom peasant aims and behavioural patterns are explored ***The Great War and the Origins of Humanitarianism, 1918-1924*** Bruno Cabanes, 2014-03-13 Pioneering study of the transition from war to peace and the birth of humanitarian rights after the Great War *Russian Traditional Culture* Marjorie Mandelstam Balzer, 1992 This is an annotated collection of recent studies of Russian folk religion village organization and family life including the rituals associated with childbirth and paying special attention to women's roles and to the specificity of Siberia in Russian culture ***The "Russian" Civil Wars, 1916-1926*** Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow ***Proletarian Peasants*** Robert Edelman, 2016-11-01 In this book conceived and written for the general reader as well as the specialist Robert Edelman uses a case study of peasant behavior during a particular revolutionary situation to make an important contribution to one of the major debates in contemporary peasant studies Edelman's subject is the peasantry of the right bank Ukraine and he uses local and regional archives seldom available to Western scholars to give a detailed picture of the ways in which the inhabitants of one of Russia's most advanced agrarian regions expressed their discontent during the years 1905-1907 By the 1890s the landlords of Russia's Southwest had organized a highly successful capitalist form of agriculture and Edelman demonstrates that their peasants responded to these dramatic economic changes by adopting many of the forms of political and social behavior generally associated with urban

proletarians **Beyond the Revolution in Russia: Narratives - Concepts - Spaces** Jaromír Mrňka, 2021-09-01 The book sheds light on the preconditions and consequences extending far beyond the event that opened up totally new horizons in 1917 To mark the centennial of the Russian Revolution an international team of both junior and experienced scholars from Austria Belarus Brazil the Czech Republic France Israel Poland Russia and Slovakia brought together contributions from the surprisingly broad interdisciplinary field of comparative economic conceptual and political history human geography and urbanism literature media studies and political science The book explains the Russian revolution in a complex ambiguity between the event and its immediate consequences medium term social and economic transformations and the long term reconfiguration of the spaces of politics and culture **The Russian Peasant, 1920 and 1984** Robert E. F. Smith, 1976

The Development of Soviet Folkloristics Pbdirect Dana Howell, 2015-02-11 Crucial to the world history of folkloristics is this key study first published in 1992 of the development of folklore study in the Soviet Union Nowhere else has political ideology been so heavily involved with folklore scholarship Professor Howell has examined in depth the institutional development of folkloristics in the Soviet Union in the first half of the twentieth century concentrating especially upon the transition from pre revolutionary Russian to Soviet Marxist folkloristics The study of folklore moved from narrator studies to the description of the relationship of lore to larger contexts of social groups and social classes Showing an exceptional knowledge of Russian political theory and folkloristics Dana Howell provides a valuable window into the rise of folkloristics in a country undergoing almost unprecedented changes in social and political conditions *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state *Alexander Kerensky* Richard Abraham, 1987 In this innovative biography Richard Abraham offers a comprehensive analysis of Alexander Kerensky s politics and an intimate portrait of the Russian revolutionary s role during the turbulent times of the 1917 Revolution and World War I "Truth Behind Bars" Paul Kellogg, 2021-11-05 Just north of the Arctic Circle is the settlement of Vorkuta a notorious camp in the Gulag internment system that witnessed three pivotal moments in Russian history In the 1930s a desperate hunger strike by socialist prisoners victims of Joseph Stalin s repressive regime resulted in mass executions In 1953 a strike by forced labourers sounded the death knell for the Stalinist forced labour system And finally in

the late 1980s and early 1990s a series of strikes by new independent miners unions were central to overturning the Stalinist system Paul Kellogg uses the story of Vorkuta as a frame with which to re assess the Russian Revolution In particular he turns to the contributions of Iulii Martov a contemporary of Lenin and his analysis of the central role played in the revolution by a temporary class of peasants in uniform Kellogg explores the persistence and creativity of workers resistance in even the darkest hours of authoritarian repression and offers new perspectives on the failure of democratic governance after the Russian Revolution

What Was Bolshevism? Lars T. Lih, 2023-10-20 How did the Bolsheviks see themselves What grand narrative gave meaning to their revolutionary aspirations The leading Western expert on Bolshevism Lars T Lih answers these questions in the first ever study of the Bolshevik outlook from Lenin to perestroika Sharply focused case studies allow individual leaders Lenin Stalin Bukharin Trotsky Zinoviev to come alive and speak in their own voices with surprising results that challenge conventional narratives left and right What Was Bolshevism uses novels plays literary criticism photographs statues poetry history textbooks songs and film to paint an indispensable self portrait of Soviet civilization

Soviet State and Society Between Revolutions, 1918-1929 Lewis H. Siegelbaum, 1992-08-20 The evolution of the ruling Communist Party and its New Economic Policy is explored in the first book to analyze the relationship between the Soviet state and society from 1917 through the early 1930s through the changing fortunes of its peoples

Natasha's Dance Orlando Figes, 2002-10-21 Explores the history of Russia starting in the eighteenth century through art literature and customs of daily life

The Vanquished Robert Gerwarth, 2016-11-15 An epic groundbreaking account of the ethnic and state violence that followed the end of World War I and shaped the course of the twentieth century Winner of the Tomlinson Book Prize A Times Literary Supplement Best Book of 2016 In The Vanquished a highly original and gripping work of history Robert Gerwarth asks us to think again about the true legacy of the First World War In large part it was not the fighting on the Western Front that proved so ruinous to Europe s future but the devastating aftermath as countries on both sides of the original conflict were savaged by revolutions pogroms mass expulsions and further major military clashes In the years immediately after the armistice millions would die across central eastern and southeastern Europe before the Soviet Union and a series of rickety and exhausted small new states would come into being It was here in the ruins of Europe that extreme ideologies such as fascism would take shape and ultimately emerge triumphant As absorbing in its drama as it is unsettling in its analysis The Vanquished is destined to transform our understanding of not just the First World War but the twentieth century as a whole

The Never End John Reed, 2023-07-27 This book presents full history of the origin of Orwell s Animal Farm as well as a translation of the Russian Ukrainian source work Has George Orwell lost his saintly luster In The Never End rabble rouser dogged investigator and consummate literary stylist John Reed collects two decades of subject Orwell findings previously published in Pank Guernica Literary Hub The Brooklyn Rail The Rumpus The New York Press The Believer Harper s Magazine and The Paris Review Reed s treatment of Orwell is corrective and peerlessly contemporary he views Orwell in a

twenty first century global context considering Orwell's collaboration with Cold War intelligence operations US and UK with unfaltering objectivity It's hard to imagine that Orwell in our own moment of global doublethink wouldn't have wanted his devotion to contrariety applied to the literary legacy he left behind The Never End is at once a hatchet job and a celebration Animal Farm based on a previously unknown Russian short story Animal Farm deployed by the CIA MI6 and the Congress for Cultural Freedom Orwell turning over blacklists in a McCarthy-esque act of betrayal The Cold War Does it last forever Russia the Axis of Evil and now China But Orwell Course syllabi Literary laurels Snitch Why do we keep coming back For the wrong reasons Or because we know Old Benjamin would want us to know the truth Aleksandr Chayanov and Russian Berlin Frank Bourgholtzer, 2023-05-31 Aleksandr Chayanov lived and worked in England and Germany in the 1920s when he wrote many letters He was also forced to write autobiographical material after his arrest in 1930 Frank Bourgholtzer uses this material in his account of this Russian utopian Women in the Soviet Countryside Susan Bridger, 1987-12-17 Research on women's roles in rural development has found that women's contribution to the rural economy is commonly underestimated and that women may find it difficult to benefit from the development process Within this context this book looks at the Soviet experience of development as reflected in the lives of rural women
