The Russian Reading Revolution S. Lovell,2000-02-24 Of all of Soviet cultural myths none was more resilient than the belief that the USSR had the world s greatest readers This book explains how the Russian reading myth took hold in the 1920s and 1930s how it was supported by a monopolistic and homogenizing system of book production and distribution and how it was challenged in the post Stalin era first by the latent expansion and differentiation of the reading public and then more dramatically by the economic and cultural changes of the 1990s **Reading Russian Literature, 1980-2024** Otto Boele,Dorine Schellens,2024-10-09 This edited collection focuses on the nexus between literary consumption memory and collective identity formation in Russia from the 1980s until today It challenges perceived notions about the reduced social significance and identity building potential of contemporary Russian literature Drawing on a diverse set of primary source materials ranging from memoirs diaries and essays to fan art and BookToks the collection seeks to do justice to the diversity of an enormous reading public that is often routinely referred to as the Russian reader The case studies explore the reading habits and self understanding of very different audiences that are dispersed along regional gender generational and technological divides In doing so this collection examines both the continuities and shifts in the multifaceted relationship between literary consumption memory and identity during the profound and ongoing transformations in Russian society and its literary landscape **Learn to Read Russian in 5 Days** Sergei Orlov,2015-11-26 Have you ever wanted to learn a new language but were intimidated by the foreign script Do you wish you could read Russian but aren t sure how to get started Are you interested in the Russian language and Russian culture If so then this course is for you Other language courses show beginning students a table of the alphabet and then launch directly into dialogues and grammatical descriptions This is not the ideal way to teach a foreign alphabet and can leave the student feeling discouraged and may cause the student to just
