Russian political thought Sergej V. Utechin,1964

A Documentary History of Russian Thought William J.

Leatherbarrow,Derek Offord,1985

A History of Russian Thought William Leatherbarrow,Derek Offord,2010-04-01

The history of ideas has played a central role in Russia's political and social history. Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today. This history examines important intellectual and cultural currents: the Enlightenment, nationalism, nihilism, and religious revival, and key themes: conceptions of the West and East, the common people, and attitudes to capitalism and natural science in Russian intellectual history. Concentrating on the Golden Age of Russian thought in the mid nineteenth century, the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras. With brief biographical details of over fifty key thinkers and an extensive bibliography, this book provides a fresh, comprehensive overview of Russian intellectual history.

A History of Russian Thought from the Enlightenment to Marxism Andrzej Walicki,1979. This book covers virtually all the significant Russian thinkers from the age of Catherine the Great down to the eve of the 1905 Revolution.

A Concise History of Russia Paul Bushkovitch,2011-12-05. Accessible to students, tourists, and general readers alike, this book provides a broad overview of Russian history since the ninth century. Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991. Since then, new material has come to light on the history of the Soviet era, providing new conceptions of Russia's pre-revolutionary past. The book traces not only the political history of Russia but also developments in its literature, art, and science. Bushkovitch describes well-known cultural figures such as Chekhov, Tolstoy, and Mendeleev in their institutional and historical contexts. Though the 1917 revolution, the resulting Soviet system, and the Cold War were a crucial part of Russian and world history, Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power.

Political Thought From Machiavelli to Stalin E. A. Rees,2004-03-12. This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics. It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism. By providing a wide-ranging survey of European political thought in the Nineteenth and early Twentieth century, E. A. Rees locates the Bolshevik tradition within the wider European tradition.

A History of Russian Philosophy 1830-1930 G. M. Hamburg,Randall A. Poole,2010-04-22. The great age of Russian philosophy spans the century between 1830 and 1930, from the famous Slavophile-Westernizer controversy of the 1830s and 1840s through the Silver Age of Russian culture at the beginning of the twentieth century to the formation of a Russian philosophical emigration.

in the wake of the Russian Revolution This volume is a major history and interpretation of Russian philosophy in this period Eighteen chapters plus a substantial introduction and afterword discuss Russian philosophy's main figures schools and controversies while simultaneously pursuing a common central theme the development of a distinctive Russian tradition of philosophical humanism focused on the defence of human dignity As this volume shows the century long debate over the meaning and grounds of human dignity freedom and the just society involved thinkers of all backgrounds and positions transcending easy classification as religious or secular The debate still resonates strongly today *The Palgrave Handbook of Russian Thought* Marina F. Bykova, Michael N. Forster, Lina Steiner, 2021-05-22 This volume is a comprehensive Handbook of Russian thought that provides an in depth survey of major figures currents and developments in Russian intellectual history spanning the period from the late eighteenth century to the late twentieth century Written by a group of distinguished scholars as well as some younger ones from Russia Europe the United States and Canada this Handbook reconstructs a vibrant picture of the intellectual and cultural life in Russia and the Soviet Union during the most buoyant period in the country's history Contrary to the widespread view of Russian modernity as a product of intellectual borrowing and imitation the essays collected in this volume reveal the creative spirit of Russian thought which produced a range of original philosophical and social ideas as well as great literature art and criticism While rejecting reductive interpretations the Handbook employs a unifying approach to its subject matter presenting Russian thought in the context of the country's changing historical landscape This Handbook will open up a new intellectual world to many readers and provide a secure base for its further exploration

A Concise History of the Russian Revolution Richard Pipes, 2011-04-27 An authoritative history of the Russian Revolution and the violent and disruptive acts that created the first modern totalitarian regime portraying the crisis at the heart of the tsarist empire A deep and eloquent condemnation of the revolution and its aftermath The New York Times Drawing on archival materials released in Russia Richard Pipes chronicles the upheaval that began as a conservative revolt but was soon captured by messianic intellectuals intent not merely on reforming Russia but on remaking the world He provides fresh accounts of the revolution's personalities and policies crises and cruelties from the murder of the royal family through civil war famine and state terror Brilliantly and persuasively Pipes shows us why the resulting system owes less to the theories of Marx than it did to the character of Lenin and Russia's long authoritarian tradition What ensues is a path clearing work that is indispensable to any understanding of the events of the century *The Mystical as Political* Aristotle Papanikolaou, 2012-10-30 Theosis or the principle of divine human communion sparks the theological imagination of Orthodox Christians and has been historically important to questions of political theology In *The Mystical as Political* Democracy and Non Radical Orthodoxy Aristotle Papanikolaou argues that a political theology grounded in the principle of divine human communion must be one that unequivocally endorses a political community that is democratic in a way that structures itself around the modern liberal principles of freedom of religion the protection of human

rights and church state separation Papanikolaou hopes to forge a non radical Orthodox political theology that extends beyond a reflexive opposition to the West and a nostalgic return to a Byzantine like unified political religious culture His exploration is prompted by two trends the fall of communism in traditionally Orthodox countries has revealed an unpreparedness on the part of Orthodox Christianity to address the question of political theology in a way that is consistent with its core axiom of theosis and recent Christian political theology some of it evoking the notion of deification has been critical of liberal democracy implying a mutual incompatibility between a Christian worldview and that of modern liberal democracy The first comprehensive treatment from an Orthodox theological perspective of the issue of the compatibility between Orthodoxy and liberal democracy Papanikolaou s is an affirmation that Orthodox support for liberal forms of democracy is justified within the framework of Orthodox understandings of God and the human person His overtly theological approach shows that the basic principles of liberal democracy are not tied exclusively to the language and categories of Enlightenment philosophy and so are not inherently secular

Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989

A Concise History of Russia Ronald Hingley, 1972

Russian Philosophy, Volume 1 James M. Edie, 2025-03-14 Russian philosophy begins through the impregnation of the ancient Byzantine tradition of Old Russia by the Western thought of the French Enlightenment and then by German Romanticism The first original Russian philosopher Gregory Skovoroda the Russian Socrates was followed by the early philosophy of history and culture Alexander Radishchev and Peter Chasadayev The fateful break of Russian philosophers into two opposed camps of the Slavophiles was accomplished by the middle of the nineteenth century

Mikhail Bakunin Paul McLaughlin, 2002 McLaughlin is concerned not so much with an explication of Bakunin s anarchist position as such as with the basic philosophy which underpins it He focuses on two central components a negative dialectic or revolutionary logic and a naturalist ontology a naturalistic account of the structure of being or reality Bakunin scholarship he notes falls into two camps Marxist and liberal Both he says tend to be hostile McLaughlin discredits one by one the analyses published usually as part of a work on Marx et al by Francis Wheen schoolboy wit idiocy of tone poverty of content George Lichtheim completely misreads Bakunin and Oxbridge scholar Aileen Kelly personality assassination perverse slanderous while upholding Eric Voegelin Perhaps this book will spark a small revolution of its own Scholars interested in Bakunin have had few resources available in English and none of them until now presented a credible study of the man s philosophy

At the Crossroads of Post-Communist Modernisation C. Pursiainen, 2012-09-10 This volume takes a comparative approach to understand general tendencies in post Communist transition in Russia and China Bringing together perspectives from Political Science Sociology and IR it analyses three arenas of social change socio economic systems political systems and foreign policies

Breeding Superman Dan Stone, 2002-02-01 Before the First World War there existed an intellectual turmoil in Britain as great as any in Germany France or Russia as the debates over Nietzsche and eugenics in the context of early modernism reveal With the rise of fascism after 1918 these debates became more

ideologically driven with science and vitalist philosophy being hailed in some quarters as saviours from bourgeois decadence vituperated in others as heralding the onset of barbarism Breeding Superman looks at several of the leading Nietzscheans and eugenicists and challenges the long cherished belief that British intellectuals were fundamentally uninterested in race The result is a study of radical ideas which are conventionally written out of histories of the politics and culture of the period

Russia, NATO and Cooperative Security Lionel Ponsard, 2006-11-22 This is a comprehensive study of NATO Russian relations since the Cold War Author is a military professional who works as a NATO research advisor Book will be assigned reading at the NATO Defense College Senior Course about 160 people p a and the Senior Staff Officer Course of the NATO School about 800 people p a Will appeal to students of NATO Russian politics IR and security studies in general **Three**

Political Systems Martin Burch, Douglas Jaenicke, John Gardner, 1985

Russian Political Thought A Concise Hist Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Political Thought A Concise Hist has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Political Thought A Concise Hist has opened up a world of possibilities. Downloading Russian Political Thought A Concise Hist provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Political Thought A Concise Hist has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Political Thought A Concise Hist. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Political Thought A Concise Hist. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Political Thought A Concise Hist, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Russian Political Thought A Concise Hist has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Political Thought A Concise Hist Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Political Thought A Concise Hist is one of the best book in our library for free trial. We provide copy of Russian Political Thought A Concise Hist in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Political Thought A Concise Hist. Where to download Russian Political Thought A Concise Hist online for free? Are you looking for Russian Political Thought A Concise Hist PDF? This is definitely going to save you time and cash in something you should think about.
