Review In 1998 President Boris Yeltsin s government defaulted on its domestic debt and Russia experienced a financial meltdown that brought it to the brink of disaster In No Precedent No plan Martin Gilman offers an insider s view of Russia s financial crisis As the International Monetary Fund s senior person in Moscow Gilman was in the eye of the storm Russia s policy response to the economic collapse stemming from the disintegration of the Soviet Union was chaotic Fiscal deficits loomed in anticipation of future budget revenue that never seemed to materialize despite repeated promises to the IMF The rapid buildup of sovereign debt would have challenged even a competent government In the new Russia with its barely functioning government and no consensus on the path toward democratic and economic transformation domestic politics trumped economic common sense Gilman argues that the debt default although avoidable actually spurred Russia to

integrate its economy with the rest of the world In analyzing the ordeal of the 1998 crisis Gilman suggests that the IMF helped Russia avoid an even greater catastrophe He details the IMF s involvement and underscores the unique challenge that Russia presented to the IMF There really was no precedent even if economist Joseph Stiglitz and others argued otherwise In recounting Russia s emergence from the IMF s tutelage Gilman explains how the shell shocked Russian public turned to Vladimir Putin in search of stability after the trauma of 1998 And although Russia s own prospects are favorable Gilman expresses concern that the 1998 Russian default could serve as an unfortunate precedent for sovereign defaults in the future with the IMF once again playing a similar role No Precedent No Plan offers a definitive account the first from an insider s perspective of Russia s painful transition to a market economy BOOK JACKET **Ardis: Американская мечта о русской литературе** Николай Усков, 2021-06-02 1971 1920 1930 2016 Forbes **Learn Russian - Level 1: Introduction to Russian** Innovative Language Learning, RussianPod101.com, *Film & Video Finder*, 1997
