Rustic Sunset And Other Stories:

Rustic Sunset & Other Stories Yitzhak Ben-Ner, 1998-01 These haunting stories present situations and characters that are often bizarre always real and with vivid portrayals of sexuality and day to day living Some of the stories deal with life in a small village and the workings of a community others concern more urban Israelis [War Lives](#) Nitza Ben-Dov, 2024-11-15 Since the nation's founding Israel has existed in a state of near perpetual warfare Despite this Hebrew novels that deal with the experience of contemporary conflict are surprisingly rare In *War Lives* Nitza Ben Dov argues that Israeli writers employ the freedoms granted by fiction to challenge the heroic myth of war She suggests that these writers do so not only by turning inwards towards the home front and the psyches of individuals marked by post trauma but also by unsettling the relationship between historical fact and fiction between purported reliability and representation Through close readings of a range of novels by authors such as S Y Agnon Yehuda Amichai and Amos Oz Ben Dov foregrounds war as a coordinate from which Israeli novels are driven and to which they return in equal measure While each chapter focuses on a different theme from mourning to battleground camaraderie to vengeance Ben Dov's literary analyses demonstrate how these canonical works afford an in depth view of the symbiosis between civilian and military life the comorbidity of life living under the constant threat of war *The Native Informant & Other Stories* Ramzi M. Salti, 1994-12-31 *The Native Informant Other Stories* is a collection of six short stories dealing with unmentionable aspects of Arab life in parts of the Arab world and in the West Inspired by such modern writers as Alifa Rifaat Nawal al Sadawi and Youssef Idris authors who have despite immeasurable odds managed to emphasize subjects ranging from feminism to homosexuality in their works these short stories attempt to further engage various social and political issues that remain for the most part largely ignored or silenced in modern Arabic literature Most of the stories in *The Native Informant Other Stories* operate on a dual level by addressing not only issues related to women homosexuals and victims of violence in southwest Asia but also by examining the seemingly conflicting relationship between notions of Arabness Islam and the West The collection thus aims at highlighting the plight of marginalized groups in Arab countries by broaching various issues on the social spectrum ranging from religious intolerance to the subjugation of women to homophobia to domestic violence to Western and Eastern concepts of terrorism and neo post coloniality to the ethnic experience of being an Arab in the United States at a time when the media seems to be promulgating the negative stereotype of the Arab [The Routledge Encyclopedia of Jewish Writers of the Twentieth Century](#) Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time *Jewish Writers of the Twentieth Century* is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing
