Robinson,2007-09-20 Punch was sort of a mongrel In his veins circulated the blood of all the races found along the Gulf Coast and the Mexican border Like most mongrels Punch was a survivor smart healthy dependable and loyal Punch was a bit short of six feet tall slim always clean shaven with graying brown hair and blue eyes He walked with a limp His left leg had been messed up in a bad fall with a cowpony some years back The wreck pretty well retired him from working as a full time cowhand Punch had an endless supply of stories of the old days but no one knew where he actually came from or exactly how old he was It was evident that he had been a cowboy probably a lawman a hunter a trapper and perhaps an outlaw Punch was fluent in Spanish and French knew some Apache and most folks believed that he knew Indian sign language He was known to be a talented tracker Some claimed He could track a bird through the air As little was known about Punch folks tended to fill the gaps with guesses and rumors Punch never agreed or disagreed with those who claimed to have some knowledge about his background As long as the avoided insulting or demeaning him Punch would smile volunteer nothing and allow people to form their own opinions about his background He was easy going and friendly to everyone but if you had the sense God gave a sheep you would sense Punch was not a man to be trifled with Given the right circumstances Punch could be a dangerous person to cross One of the stories associated with Punch claimed he had trailed on foot a horse thief into Mexico and recovered a stolen horse When people

mentioned the story to Punch he would nod his head in apparent agreement and tell them Yup you just about got it right Punch knew that they were wrong Dead wrong Only he knew what had happened and he wasn't talking

Busted Tractors and Rusty Knuckles : Norwegian Torque Wrench Techniques and Other Fine Points of Tractor Restoration Roger L. Welsch, Rusty Yvonne Almeida, 2019-06-27 There were so many reasons to believe Rusty was no ordinary cat He hated cat toys But he would play all day with trains that ran on a track and made sounds He made vocal sounds more like human language than catcalls And on April 3 2014 he made a vocal cry so loud that he saved a life His owner his MA MMA was about to leave him forever And with God's hand Rusty knew just what to do to save her After that Rusty's owner started to realize that he wasn't just a gift

from God but was the most spectacular of gifts She had always believed in angelsguardian angels to be more specificand now realized hers was a little orange cat with the sweetest face ever There was no other explanation for this cat s amazing perceptiveness Others had made comments about Rusty and how astute he was how he seemed to have a mind that didn t operate like he was just a cat Things started to fall into place to support the idea that he had a mission in this life and most impressively Rusty knew how to accomplish that mission His start in life could not have been more unhappy or heartbreaking yet he prevailed through life as if he was the luckiest little guy ever born This is the story of how one cat brought God and faith back to a darkened soul saved a life minutes from leaving this world and even through his own health dilemmas created friendships and stories to last a lifetime You ve lost a therapy pet a service cat in my opinion He helped you navigate MS and helped you through the illness and deaths of your parents God sent him to you as a furry angel here on earth to support you Dr Carolyn Anderson **Rusty** Cindy Devereaux,2013-08-06 My little dog heartbeat at my feet Edith Wharton This story begins in Brooklyn New York Rusty a terrier chow mix could be described as a family member loyal companion teacher best friend and quite possibly the neighborhood mascot If the proverb it takes a village to raise a child could be paraphrased and dog substituted for child it would describe Rustys relationship with his neighbors They looked after him as if he were their own giving him walks rides play dates and treats His owners adored him Children made sure to visit him every day on their way home from schooland on those rare occasions when he ran away search parties were formed to bring him back home He was known for his playfulness and sweet disposition When family members had emotional challenges he stayed by their sides A channeled message from Archangel Michael at an International Angel Day workshop said Dont worry about Rusty the angels are looking after him The reason for this message became clear two years later when Rustys idyllic lifestyle was surprisingly interrupted That situation was turned around when one of his owners remembered to call on the angels They answered saved him and fulfilled Archangel Michaels promise That is why his story is called Rusty A Dog and His Angels
