Meeting Jesus James W. Sire,1995-03-21 If we are honest in our search for truth we have to take Jesus seriously Jesus word is the best case for who he is it makes sense to look at the original documents of his life These studies are designed to do just that to help honest seekers meet Jesus *Meeting Jesus* is a Fisherman Bible Studyguide with 13 studies for individuals or groups that offers Penetrating questions that generate discussion A flexible format for group or individual needs Helpful leader's notes An emphasis on daily application of Bible truth **The Bible and Borders** M. may have insight and grasp of principles may be scholarly and critical in taste may have every minutia of the derivation and grammar of the letter may be able to trim the letter into its perfect pattern and illumine it as Plato and Cicero may be illumined may study it as a lawyer studies his text books to form his brief or to defend his case and yet be like a frost a killing frost Preaching which kills is prayerless preaching Without prayer the preacher creates death and not life This audio book nourishes the heart and mind with Bounds message about the role of prayer in the life of the Christian servant

Identity and Ethics in the Book of Ruth Peter H. W. Lau, 2011 This study demonstrates the importance of including narrative ethics in a construction of Old Testament ethics as a correction for the current state of marginalisation of narrative in this discipline To this end the concept of identity is used as a lens through which to understand and derive ethics Since self conception in ancient Israel is generally held to be predominantly collectivist in orientation social identity theory is used to understand ancient Israelite identity Although collectivist sensitivities are important a social identity approach also incorporates an understanding of individuality This approach highlights the social emphases of a biblical text and consequently assists in understanding a text's original ethical message The book of Ruth is used as a test case employing a social identity approach for understanding the narrative but also to model the approach so that it can be implemented more widely in study of the Old Testament and narrative ethics Each of the protagonists in the book of Ruth is examined in regards to their personal and social self components This study reveals that the narrative functions to shape or reinforce the identity of an ancient Israelite implied reader Since behavioural norms are an aspect of identity narrative also influences behaviour A social identity approach can also highlight the social processes within a society The social processes taking place in the two most commonly proposed provenances for the book of Ruth are discussed the Monarchic and Persian Periods It is found that the social emphases of the book of Ruth most closely correspond to the social undercurrents of the Persian Period On this basis a composition for the book of Ruth in the Restoration period is proposed

Ruth Daniel I. Block, 2015-12-15 The Zondervan Exegetical Commentary on the Old Testament serves pastors and teachers by providing them with a careful analysis and interpretation of the biblical text rooted in a study of the Hebrew text of the Old Testament and intended to track the flow of the argument in each book and passage Key Features of the Series In our effort to serve pastors and teachers in their study of the text of the Old Testament for ministry Zondervan has developed a set of distinctive features for this series A Graphical Display of the Text of Each Passage This visual thought flow of the passage will enable the reader to grasp quickly and accurately the main idea of the text its development and supporting ideas For readability the graphical display will be done in the commentator's own English translation of the passage A few paragraphs of discussion following this display will seek to enable the reader to understand how the commentator arrived at this depiction and interpretation of the passage Identification and Discussion of the Main Idea of Each Passage Special emphasis will be placed

on identifying and discussing the main thrust of each passage and showing how it contributes to the development of the whole composition The main idea will be illustrated in the graphical display discussed in the introduction to the passage and reflected upon in the Theological and Canonical Significance section of the commentary Help in Drawing Out the Meaning of the Hebrew for Interpretation The goal of this exegetical commentary series will be to draw on Hebrew grammar in the service of meaning Hebrew will not be discussed for the sake of better understanding Hebrew alone Whenever a Hebrew construction affects the interpretation of the text this feature will be discussed and explained Theological and Canonical Significance This portion of the commentary will focus on providing a theological and applicational discussion of the main thrust of the passage This section will build the theological discussion on the exegesis of the text by synthesizing the theology of the passage and elaborating on it *Gospel Tidings*, 1991 **Books in Series, 1876-1949** R.R. A New Model of the Authentic Church Robert Fuggi, 2018-02-08 In American church culture worldly benchmarks of achievement have all but blinded us to the true purpose of the body of Christ A New Model of the Authentic Church may be one of the most significant books written on the American church in decades It not only offers a scholarly analysis of the current state of the church but provides practical solutions The book offers a brilliantly well developed model for how to make church work more effectively If implemented it would provide a much needed paradigm shift in how we do church in America The book's main contribution is that it provides a workable framework not only on how to birth new missionally minded churches but how to reform existing ones back to the Authentic Church of the gospels If its principles are taken and applied the book could alter the landscape of the American church which will be a breath of fresh theological air to a church that has lost its way in the new millennium The purpose of this book is not to just challenge and change the status quo its goal is to bring a real lasting transformation to how we do church The aspiration in writing this book is for it to be seen and read not just as a critical assessment of the condition of the American church but as a practical blueprint that will provide much renewed hope and purpose to the contemporary American church the bride of Christ [The Antiochene Crisis and Jubilee Theology in Daniel's Seventy Sevens](#) Dean R. Ulrich, 2015-08-17 In [The Antiochene Crisis and Jubilee Theology in Daniel's Seventy Sevens](#) Dean R. Ulrich explores the joint interest of Daniel 9 24 27 in the Antiochene crisis of the second century B C E and the jubilee theology conveyed by the prophecy's structure This study is necessary because previous scholarship though recognizing the jubilee structure of the seventy sevens has not sufficiently made the connection between jubilee and the six objectives of Daniel 9 24 Previous scholarship also has not adequately related the book's interest in Antiochus IV to the hope of jubilee which involves the full inheritance that God has promised to his people but that they had lost because of their compromises with Antiochus IV
