Sacred Journey To Atlantis:

Sacred Journey to Atlantis Norma J. Milanovich, Jean Meltesen, 1992 Why is this journey important The words of Ascended Master Kuthumi may give an answer to this question The key to a successful journey to Bimini will be in your abilities to access the Command s coding systems What I mean is that you will receive the symbolism that will make your journey both intriguing and exciting But reality reveals that the intrigue will actually come from your abilities to decode the keys In the keys are contained the secrets to the power that Atlantis once knew This power was the connection of mind energy to the source It was harnessed energy of the sound frequencies that must be combined with the color frequencies for manifestation to occur The key to the future for planet Earth is the harnessing of this energy for when the decade of cleansing is complete much that is around you today will have to be reborn Therefore one of the ways this will occur is to rediscover the paths and the keys of that former lifetime that will be used to rebuild the civilization as you visualize it to be

Shapero, 2018-05-23 The sweeping technology that has come to define life on Earth is a monster with very long fingers as the sixth great extinction confirms Yet where did it come from and what of its tail Some say that the tip of its tail reaches far into the distant past But it is also true that many people on Earth have not heard of the monster's origin have never glimpsed its tail It might at first seem odd until one considers that the birthplace of the monster sunk beneath the sea Yet we have been graced with the tale of that ancient land Plato confirmed that the land though long forgotten indeed existed The record of the sinking of Atlantis as told to the Greek lawmaker Solon by the priests of Sais in Egypt has come down to us intact To glimpse the monster's tail we must travel back in time long before Plato back to the days of Athena to a time before her beloved land met its fate a fate that was linked to Atlantis **The Authentic Tarot** Thomas Saunders, 2012-01-01

Tarot is more than a means of fortune telling by telling an allegorical story of our quest in life it provides valuable insight into where we are on our path and how we can arrive at a better place The Authentic Tarot stays faithful to the cards true spirit using this ancient technique as a tool for self realization and heightened awareness Thomas Saunders decodes what may be the oldest known complete deck the Ancien Tarot de Marseille which retains the greatest integrity for its original function He explains the

symbolism of each card and the relationships between them and offers enlightening interpretations of both the Major Arcana and the 56 minor cards Easy to consult charts help decipher a 21 card spread Atlantis Samuel Shepherd,101-01-01
