Life Essentials Study Bible Holman Bible Publishers, 2011-10-01 So what? That's the response many people have to the Bible. Read a passage, interpret it, and still they ask, "So what? difference does that make in my life?" In the Life Essentials Study Bible, renowned Bible teacher Gene Getz complements the full text of the popular HCSB translation by elaborating on 1,500 principles in Scripture that are as relevant today as when the sixty-six books of the Bible were written. Distilling these truths into principles, Getz helps the reader more easily remember and effectively apply the Bible's wisdom to everyday life. He explains how each of these principles represents a supracultural truth, one that can and should be applied at any moment in history and in every cultural situation. In addition, the Life Essentials Study Bible was created with an integrated digital study system, more than 250 hours of free online coaching content led by Getz that fosters a greater understanding of the Bible's grand story. Along the way, Getz adds pertinent questions in print to inspire personal reflection or group discussion of each principle. There's also an introduction to each book of the Bible and its list of corresponding principles, plus a topical index and cross-references for all 1,500 principles. Other features of this dynamic study Bible
