The Twenty-first Century Confronts Its Gods David J. Hawkin,2012-02-01 This book penetrates the assumptions of Western technological society and exposes the powers that govern it The contributors argue that it is a mistake to think that religion and belief have been relegated to the private sphere and are no longer important in the public and political domains They assert that the twenty first century has a set of new gods the powers of globalization technology the market and military might that reign alongside those of traditional religions These are the forces to which the modern era has granted ultimacy This book looks at how major religions such as Christianity Islam Judaism Hinduism and Buddhism play an important role in politics and society on both the global and local levels The new gods of technology globalization and war are shown to exacerbate the existing cultural divisions and religious strife that mark our time By understanding the importance of that which is held sacred whether traditional belief or modern practice not acknowledged as belief the contributors help us to comprehend our present situation and challenges FROM SPOKEN WORDS TO SACRED TEXTS Edward D.

Andrews,2020-02-21 FROM SPOKEN WORDS TO SACRED TEXTS is an introduction intermediate level coverage of the text of the New Testament Andrews begins by introducing the reader to New Testament textual studies by presenting all the essential foundational details necessary to understand New Testament textual criticism With Andrews clear and comprehensive approach to New Testament textual studies FROM SPOKEN WORDS TO SACRED TEXTS will remain popular for beginning and intermediate students for decades to come This source on how the New Testament came down us will become the standard book for courses in biblical studies as well as the history of Christianity FROM SPOKEN WORDS TO SACRED TEXTS is assured of becoming a reliable clear cut resource for generations of Bible students to come The Greek New Testament was copied and recopied by hand for 1 500 years Regardless of those scribes who had worked very hard to be faithful in their copying errors crept into the text How can we be confident that what we have today is the Word of God FROM SPOKEN WORDS TO SACRED TEXTS introduces its readers to New Testament textual studies of the Greek New Testament Herein the reader will find plain language as Edward D Andrews gives the reader an in depth view of the history of the New Testament We will discover how the New Testament books were transmitted The intentional and unintentional scribal errors that crept into the text for some 1 500 years of corruption by copyists followed by over 400 years of restoration work by textual scholars who gave their entire lives to give us today a restored New Testament text In this book the reader will gain an appreciation for the vast work that has been carried out in preserving the text of the New Testament and finding renewed confidence in its reliability Andrews work on FROM SPOKEN WORDS TO SACRED TEXTS was carried out with an apologetical mindset to assist Christians in their defense of God s Word The Guru Granth Sahib Pashaura Singh,2003-09-26 This book examines three closely related questions in the process of canon formation in the Sikh tradition

how the text of the Adi Granth came into being the meaning of gurbani and how the Adi Granth became the Guru Granth Sahib The censure of scholarly research on the Adi Granth was closely related to the complex political situation of Punjab and brought the whole issue of academic freedom into sharper focus This book addresses some of these issues from an academic perspective The Adi Granth the sacred scripture of the Sikhs means first religious book from the word adi which means first and granth which means religious book Sikhs normally refer to the Adi Granth as the Guru Granth Sahib to indicate a confession of faith in the scripture as Guru The contents of the Adi Granth are commonly known as bani utterance or gurbani the utterance of the Guru The transcendental origin or ontological status of the hymns of the Adi Granth is termed dhur ki bani utterance from the beginning This particular understanding of revelation is based upon the doctrine of the sabad or divine word defined by Guru Nanak and the succeeding Gurus This book also explores the revelation of the bani and its verbal expression devotional music in the Sikh tradition the role of the scripture in Sikh ceremonies and the hymns of Guru Nanak and Guru Arjan

Experiencing Scripture in World Religions Harold Coward, 2013-04-05 An inside view of how the scriptures of world religions illuminate the lives and experience of their devotees

Will and Grace Hune Margulies, 2017-11-13 This book is a poetic reading of the dialogical philosophy of martin buber my reading of martin buber takes me to this principal insight god is not in heaven nor on earth god is not above nor below not within and not without not in the soul or in the flesh god is not an entity anywhere god is the between of an i and a thou these pages are not an academic study in the strict sense my meditations in this book are not a literal description of buber s philosophy for buber would never have approved of taking his words in any way other than in dialogue buber wrote in dialogue with the reader and i read buber in the poetic philosophy of his words in other words we can say that the essential thinking in martin buber s philosophy is that the presence of god in us is always enacted as the presence of god between us god like love like poetry is a deed we do the god deed is actualized not in rituals or temples but in the practices of the sacraments of the neighbor for there is nothing we can predicate of god but we can still meet god in the embrace of the neighbor we meet god as we meet with one another in genuine relationship god is not in the relationship god is the relationship god is no thing but there is nothing that isn t god in the between of an i and a thou

Rhetoric, Scripture and Theology Stanley E. Porter, Thomas H. Olbricht, 1996-09-01 Rhetoric Scripture and Theology aptly describe the contents of this collection of essays from the 1994 Pretoria Rhetoric Conference The conference marked a significant dialogue among scholars gathered from many nations to consider how rhetoric engages with the study of scripture and theology South Africa provided a suitable context for such discussion Although the contributors are not only from South Africa the addressing of issues pertinent to a South African context shows through in many of the essays Those that do not address particularly South African issues raise equally important issues regarding the topic of rhetoric and its relation to contemporary theological discourse

Sparks Amidst the Ashes Byron L. Sherwin, 1997-04-24 For hundreds of years Poland served as the epicenter of Jewish life As a result of the Holocaust though Poland has become a Jewish Atlantis Yet the majority of Jews in the world today have their genealogical roots in the historical lands of Poland In this book Sherwin demonstrates how the unprecedented works of intellect and spirit produced during the Jewish Golden Age in Poland can provide contemporary Jews with the spiritual and intellectual resources required to ensure Jewish continuity in the present and future Sherwin introduces us to the vast range of mystical speculation evocative stories talmudic dialectics theological ideas and social realities that were muted by the destruction of Polish Jewry during the Holocaust Sherwin critiques the tendency among contemporary Jews to disregard the precious legacy bequeathed by Polish Jewry and presents a plan for re creating Jewish life after the Holocaust that draws from the wisdom of the spiritual magnates and from the communal experience that characterized Jewish life in Poland Sherwin concludes with a controversial proposal for the future of Polish Jewish relations

The Yijing Joseph Alan Adler, 2022 Despite its enduring popularity both in China and worldwide the Yijing is often poorly understood As a divinatory text it has a devoted following in the western hemisphere even as it represents a foundational text of both Confucianism and Daoism A fascination with the Yijing has been evident among western scholars since the Enlightenment as well as in notable modern literary and artistic figures This book provides an introduction for the general reader to this classic sacred text Joseph A Adler explains its multi layered structure its origins its history of interpretation from the early first millennium BCE up to the present day its function of divination its significance in the history of Chinese thought and its modern transformations He explores why the Yijing has been considered the most profound expression of traditional Chinese thought and what meaning it can have for contemporary readers

The Classical Upaniṣads Signe Cohen, 2024 The Upaniṣads are rich and complex Sanskrit Hindu scriptures dating back to the 8th century BCE and are a staple of world religion courses across the globe In this volume Signe Cohen guide readers through on the thirteen Classical Upaniṣads those generally regarded as the oldest Bhāṣya Chandogya

Taittiriya Aitareya Isa Kena Katha Mundaka Svetasvatara Mandukya Prasna Kausitaki and Maitri Upaniads Where most survey textbooks present a cursory overview of these texts The Classical Upaniads A Guide provides a nuanced but accessible exploration of the Upaniads that will benefit both scholars students and general readers alike This volume explores the historical geographical and social context of the Classical Upaniads and discusses issues of dating authorship and transmission of the texts Cohen also breaks down central ideas in the Upaniads such as atman brahman karma reincarnation moksha knowledge and sacred sounds mantras The text also discusses the importance of the Upaniads for Hinduism and Indian culture as well as the reception of the Upaniads in the West Through exploring these works their key characters and ideas and their impact on Hinduism's core beliefs Cohen provides the reader a thorough but approachable entry into these seminal texts

The Daode Jing Livia Kohn, 2019-09-25 The Daode jing Book of the Dao and Its Virtue is an essential work in both traditional Chinese culture and world philosophy The oldest text of philosophical Daoism and widely venerated among religious Daoist practitioners it was composed around the middle of the 4th century BCE Ascribed to a thinker named Laozi a contemporary of Confucius the work is based on a set of aphorisms designed to help local lords improve their techniques of government The most translated book after the Bible the Daode jing appears in numerous variants and remains highly relevant in the modern world This guide provides an overview of the text presenting its historical unfolding its major concepts and its contemporary use It also gives some indication of its essence by citing relevant passages and linking them to the religious practices of traditional Daoism

The Buddhist Tantras David B. Gray, 2023 The tantric Buddhist traditions emerged in India beginning in the seventh century CE and flourished there until the demise of Buddhism in India circa the fifteenth century These traditions were disseminated to Central East and Southeast Asia and continue to be practiced most notably in Nepal Tibet and Japan as well as in the numerous Tibetan traditions disseminated around the world by Tibetan masters living in diaspora The central scriptures for these traditions were generally designated by the term tantra Tantras are works that purport to relate secret teachings of the buddhas that enable awakening in as short as one lifetime As such they are understood by their advocates to be the inspired speech of a buddha and hence worthy of inclusion in the canons of Buddhist traditions Over the past twenty years there has been considerable growth in the study of tantras as well as translations of these works into Western languages This volume provides a detailed introduction to the Buddhist tantras It addresses their development in India their dissemination to Central East and Southeast Asia and their reception in these contexts It introduces the key teachings in the tantras as well as the history of their interpretation and their connection to traditions of ritual and contemplative practices It also introduces the classification of the tantras and their place in Buddhist scriptural canons It concludes with a look at the transgressive rhetoric that characterizes many of the tantras the impact this had on their dissemination and translation and the ways in which Buddhists explained this It suggests that transgressive rhetoric and practices served an important role in Buddhist tantric traditions which may be why they persist despite the

challenges they have presented to the dissemination of these traditions

The New Testament Donald Senior, 2022 Why is the New Testament considered a sacred text for Christians For some this ancient text is viewed simply as an influential and interesting artifact with no real impact on their lives But for believing Christians it is an integral part of the Bible and normative for Christian faith and life This book in Oxford University Press's series Guide to Sacred Texts addresses the question of why the New Testament is considered sacred text by Christians While sharing some characteristics of an Introduction to the New Testament this work has a very different purpose After exploring the content the historical roots and the complex process that led to the composition of the varied writings contained in the New Testament Donald Senior turns to its fundamental unifying purpose Through the diverse writings of the New Testament the early Christian community proclaimed the inherently transcendent character of Jesus Christ and the implications of that proclamation for the lives and destiny of Christians A key process was the formation of the New Testament canon during the early centuries of the Christian era a process that certified the normative nature of the New Testament writings and fused them onto the Jewish Scriptures or Old Testament to form the Christian Bible The study concludes by sketching the evolution and ongoing diversity of New Testament interpretation both in the academy and in the church Written in a clear and accessible manner this study introduces the reader to the world of the New Testament and why it has had such a powerful claim on Christianity for two thousand years

The Analects Erin M. Cline, 2022 The Analects Lunyu is the earliest and most influential record of the teachings of Kongzi 551-479 B C E known to most Westerners as Confucius If we measure influence according to the number of people who have lived their lives according to the teachings of a particular text there is a good argument to be made that the Analects has been the most influential text in the world This book argues that we have good reasons to study the Analects as a sacred text and that doing so sheds light not only on the text and the Confucian tradition but on what the sacred is more broadly It begins by examining what it means for a text to be regarded as sacred in relation to the unique history of this remarkably influential book and goes on to offer a close study of the Analects including its structure its composition and compilation and the purpose it has served in the Confucian tradition as the earliest and most authoritative record of Kongzi's teachings and conduct The book further considers the history of the Analects as the most authoritative collection of Confucian teachings which virtually all major Confucians as well as Chinese thinkers throughout history from the Mohist Daoist and Buddhist traditions responded This book explores the text situating its teachings in relation to the religious practices of its time including Zhou rituals and customs known as li and the veneration of ancestor and nature spirits and discusses the Analects use and reception both in the periods following its composition and compilation and throughout China's imperial history up through the modern era including the recent revival of activity in Confucian temples
