and Indian culture such as the Taj Mahal the Palace of Winds in Jaipur the notorious rat temple in Deshnok and sacred cows Lastly he discusses his own trip and how the impact of Rajasthan did not fully register until he returned home This manuscript s strength lies in the author s ability to write in an accessible manner assemble the project in an interesting way and include only that information which will guide the reader along the narrative trail While this manuscript really is a guidebook to Rajasthan it could also serve as a good introduction to ethnography for beginning students and an interested general audience It moves from basic explanations such as that of semiotics to complex applications all with the grace of good story telling *In India* André Chevrillon,1896
