Sacred Revolt

Kevin Kokomoor

Sacred Revolt:

Sacred Revolt Joel W. Martin, 1993-04-01 The Muskogees Struggle for a New World In *Sacred Revolt* Joel Martin places the 1813 1814 revolt of the people who were called Creek Indians in the context of world history while forsaking nothing of the texture of their own culture With a deft use of multiple perspectives he has rewritten a chapter in the history of the Old South His book will do much to freshen stale ways of thinking about a valiant people Charles Hudson author of *The Southeastern Indians*

Warrior Nations Roger L. Nichols, 2013-10-08 During the century following George Washington's presidency the United States fought at least forty wars with various Indian tribes averaging one conflict every two and a half years *Warrior Nations* is Roger L. Nichols's response to the question Why did so much fighting take place Examining eight of the wars between the 1780s and 1877 Nichols explains what started each conflict and what the eight had in common as well as how they differed He writes about the fights between the United States and the Shawnee Miami and Delaware tribes in the Ohio Valley the Creek in Alabama the Arikara in South Dakota the Sauk and Fox in Illinois and Wisconsin the Dakota Sioux in Minnesota the Cheyenne and Arapaho in Colorado the Apache in New Mexico and Arizona and the Nez Perce in Oregon and Idaho Virtually all of these wars Nichols shows grew out of small scale local conflicts suggesting that interracial violence preceded any formal declaration of war American pioneers hated and feared Indians and wanted their land Indian villages were armed camps and their young men sought recognition for bravery and prowess in hunting and fighting Neither the U S government nor tribal leaders could prevent raids thievery and violence when the two groups met In addition to U S territorial expansion and the belligerence of racist pioneers Nichols cites a variety of factors that led to individual wars cultural differences border disputes conflicts between and within tribes the actions of white traders and local politicians the government's failure to prevent or punish anti Indian violence and Native determination to retain their lands traditional culture and tribal independence The conflicts examined here Nichols argues need to be considered as wars of U S aggression a central feature of that nation's expansion across the continent that brought newcomers into areas occupied by highly militarized Native communities ready and able to defend themselves and attack their enemies

Ties That Bind Tiya Miles, 2005-02-11 In *Ties that bind* Tiya Miles explores the interplay of race power and intimacy in the nation's early days providing a full picture of the myriad complexities ironies and tensions among African Americans Native Americans and whites in the first half of the nineteenth century book jacket

Prophets of the Great Spirit Alfred A. Cave, 2006-01-01 *Prophets of the Great Spirit* offers an in depth look at the work of a diverse group of Native American visionaries who forged new syncretic religious movements that provided their peoples with the ideological means to resist white domination By blending ideas borrowed from Christianity with traditional beliefs they transformed high gods or a distant and aloof creator into a powerful activist deity that came to be called the Great Spirit These revitalization leaders sought to regain the favor of the Great Spirit through reforms within their societies and the inauguration of new ritual practices Among the prophets

included in this study are the Delaware Neolin the Shawnee Tenkwatawa the Creek Red Stick prophets the Seneca Handsome Lake and the Kickapoo Kenekuk Covering more than a century from the early 1700s through the Kickapoo Indian removal of the Jacksonian Era the prophets of the Great Spirit sometimes preached armed resistance but more often used nonviolent strategies to resist white cultural domination Some prophets rejected virtually all aspects of Euro American culture Others sought to assure the survival of their culture through selective adaptation Alfred A Cave explains the conditions giving rise to the millenarian movements in detail and skillfully illuminates the key histories personalities and legacies of the movement Weaving an array of sources into a compelling narrative he captures the diversity of these prophets and their commitment to the common goal of Native American survival

The American Empire and the Fourth World Anthony J. Hall, Tony Hall, 2005 In a book that Naomi Klein says could change the world Anthony Hall shows that the globalization debate actually began in 1492

Creek Internationalism in an Age of Revolution, 1763-1818 James L. Hill, 2022-07 Bring them what they lack Spanish Creek exchange and alliance making along Florida's Gulf Coast 1763 1783 Victorious over the Americans in every quarter Creek Alliances confront the American Republic 1784 88 A voyage ill advised a transatlantic journey 1787 1791 Autonomy rivalry continuity competing political and diplomatic visions 1790 The voice of the nation Prophets men intra and inter Talwa tensions and civil war 1799 1814 Driven to the desert lands of the sea the long Creek War and diplomacy's failure 1814 1818

Postcolonialism, Feminism and Religious Discourse Kwok Pui-Lan, Laura E. Donaldson, 2015-12-22 Contributors examine white feminist theology's misappropriations of Native North American women Chinese footbinding and veiling by Muslim women as well as the Jewish emancipation in France the symbolic dismemberment of black women by rap and sermons and the potential to rewrite and reclaim canonical stories

Rethinking American Indian History Donald Lee Fixico, 1997 Using innovative methodologies and theories to rethink American Indian history this book challenges previous scholarship about Native Americans and their communities

War in Heaven/Heaven on Earth Stephen D. O'Leary, Geln S. McGhee, 2014-12-18 The apocalypse is a motif that lies behind many religious beliefs and practices War in Heaven Heaven on Earth theorizes the apocalyptic as it has arisen in a variety of religious traditions from Native American religion to Islam in Northern Nigeria and new terrorist movements Millennial theory and history are explored from the perspective of social psychology sociology and post modern philosophy The volume is unique in applying an analysis of millennial themes to a comparative study of religion

Beyond Black and White Stephanie Cole, Alison Marie Parker, 2004 This work brings up to date perspectives to the oversimplification of racial categories and new insight into the complexity of social relationships in these two important regions It should be of use to those interested in social activism directed toward racial ethnic and gender issues

Creek Paths and Federal Roads Angela Pulley Hudson, 2010 In Creek Paths and Federal Roads Angela Pulley Hudson offers a new understanding of the development of the American South by examining travel within and between southeastern Indian nations and the southern states from the

founding of the United States *A Conquering Spirit* Gregory A. Waselkov, 2009-05-19 The August 30 1813 massacre at Fort Mims left hundreds dead and ultimately changed the course of American history The Indian victory shocked and horrified a young America ushering in a period of violence surrounded by racial and social confusion Fort Mims became a rallying cry calling Americans to fight their assailants and avenge the dead In *A Conquering Spirit* Waselkov thoroughly explicates the social climates surrounding this tumultuous moment in early American history with a comprehensive collection of illustrations artifact photographs and detailed accounts of every known participant in the attack on Fort Mims These rich and extensive resources make *A Conquering Spirit* an invaluable collection for any reader interested in America's frontier era Winner of the Adult Nonfiction Book of the Year award by the Alabama Library Association Winner of the Clinton Jackson Coley award from the Alabama Historical Association

Of One Mind and Of One Government Kevin Kokomoor, 2019-02-01 In *Of One Mind and Of One Government* Kevin Kokomoor examines the formation of Creek politics and nationalism from the 1770s through the Red Stick War when the aftermath of the American Revolution and the beginnings of American expansionism precipitated a crisis in Creek country The state of Georgia insisted that the Creeks sign three treaties to cede tribal lands The Creeks objected vigorously igniting a series of border conflicts that escalated throughout the late eighteenth century and hardened partisan lines between pro American pro Spanish and pro British Creeks and their leaders Creek politics shifted several times through historical contingencies self interests changing leadership and debate about how to best preserve sovereignty a process that generated national sentiment within the nascent and imperfect Creek Nation Based on original archival research and a revisionist interpretation Kokomoor explores how the state of Georgia's increasingly belligerent and often fraudulent land acquisitions forced the Creeks into framing a centralized government appointing heads of state and assuming the political and administrative functions of a nation state Prior interpretations have viewed the Creeks as a loose confederation of towns but the formation of the Creek Nation brought predictability stability and reduced military violence in its domain during the era

Rivers of Power Steven Peach, 2024-02-13 Although the Creeks constitute a sovereign nation today the concept of the nation meant little to their ancestors in the Native South Rather as Steven Peach contends in *Rivers of Power* the Creeks of present day Georgia and Alabama conceptualized rivers as the basis of power leadership and governance in early America An original work of Indigenous ethnohistory Peach's book explores the implications of this river oriented approach to power in which rivers were a metaphor for the subregional provinces that defined the political textures of Creek country The provinces nurtured leaders who worked to mitigate dangers across the Native South including intertribal war trade dependence settler intrusion and land erosion *Rivers of Power* describes a system in which these headmen forged remarkably malleable coalitions within and across provinces to safeguard Creek country from harm but were in turn directed approved and contested by local townspeople and kin groups Taking a unique bottom up approach to the study of Native Americans Peach reveals how local actors guided and thwarted Indigenous headmen far more frequently

and creatively than has been assumed He also shows that although the Creeks traced descent through the maternal line some became more comfortable with bilateral kinship giving weight to both the paternal and maternal lineages Fathers and sons thus played greater roles in Creek governance than Indigenous scholarship has acknowledged Weaving a new narrative of the Creeks and outlining the contours of their riverine mode of governance this work unpacks the fraught dimensions of political power in the Native South and indeed Native North America in the eighteenth and early nineteenth centuries By privileging Indigenous thought and intertribal history it also advances the larger project of Native American history

Red On Red Craig S. Womack, 1999-11-15 An entertaining and enlightening proposal for a new way to read Native American literature How can a square peg fit into a round hole It can't How can a door be unlocked with a pencil It can't How can Native literature be read applying conventional postmodern literary criticism It can't That is Craig Womack's argument in *Red on Red* Indian communities have their own intellectual and cultural traditions that are well equipped to analyze Native literary production These traditions should be the eyes through which the texts are viewed To analyze a Native text with the methods currently dominant in the academy according to the author is like studying the stars with a magnifying glass In an unconventional and piercingly humorous appeal Womack creates a dialogue between essays on Native literature and fictional letters from Creek characters who comment on the essays Through this conceit Womack demonstrates an alternative approach to American Indian literature with the letters serving as a Creek chorus that offers answers to the questions raised in his more traditional essays Topics range from a comparison of contemporary oral versions of Creek stories and the translations of those stories dating back to the early twentieth century to a queer reading of Cherokee author Lynn Riggs's play *The Cherokee Night* Womack argues that the meaning of works by Native peoples inevitably changes through evaluation by the dominant culture *Red on Red* is a call for self-determination on the part of Native writers and a demonstration of an important new approach to studying Native works one that engages not only the literature but also the community from which the work grew

Apocalypse Now and Then Catherine Keller, 2004-12-01 In her brilliant wide-ranging nuanced study of apocalypse Keller has written a definitive cultural and theological essay In this book she is doing the work of the true intellectual providing learned passionate guidance for living the good life all of us together here and now on our planet Sallie McFague Distinguished Theologian in Residence Vancouver School of Theology A richly evocative exploration of apocalyptic's ambiguous possibilities Inspiring in the fullest personal political and religious senses of the term Kathryn Tanner University of Chicago Divinity School Catherine Keller is a poet among theologians Her writing attains imaginative heights and depths that expose the flatly prosaic character of most theological work One finds oneself lingering over sentences images and tropes hearing them resonate with connections and insights Peter Hodgson *Journal of the American Academy of Religion*

Surviving Genocide Jeffrey Ostler, 2019-05-28 The first part of a sweeping two-volume history of the devastation brought to bear on Indian nations by U.S. expansion In this book the first part of a sweeping two-volume history Jeffrey Ostler

investigates how American democracy relied on Indian dispossession and the federally sanctioned use of force to remove or slaughter Indians in the way of U S expansion He charts the losses that Indians suffered from relentless violence and upheaval and the attendant effects of disease deprivation and exposure This volume centers on the eastern United States from the 1750s to the start of the Civil War An authoritative contribution to the history of the United States violent path toward building a continental empire this ambitious and well researched book deepens our understanding of the seizure of Indigenous lands including the use of treaties to create the appearance of Native consent to dispossession Ostler also documents the resilience of Native people showing how they survived genocide by creating alliances defending their towns and rebuilding their communities

Indians in the United States and Canada Roger L. Nichols, 2018 Drawing on a vast array of primary and secondary sources Roger L Nichols traces the changing relationships between Native peoples and whites in the United States and Canada from colonial times to the present Dividing this history into five stages beginning with Native supremacy over European settlers and concluding with Native peoples political economic and cultural resurgence Nichols carefully compares and contrasts the effects of each stage on Native populations in the United States and Canada This second edition includes new chapters on major transformations from 1945 to the present focusing on social issues such as transracial adoption of Native children the uses of national and international media to gain public awareness and demands for increasing respect for tribal religious practices burial sites and historic and funerary remains

Red Dreams, White Nightmares Robert M. Owens, 2015-03-16 From the end of Pontiac s War in 1763 through the War of 1812 fear even paranoia drove Anglo American Indian policies In *Red Dreams White Nightmares* Robert M Owens views conflicts between whites and Natives in this era invariably treated as discrete regional affairs as the inextricably related struggles they were As this book makes clear the Indian wars north of the Ohio River make sense only within the context of Indians efforts to recruit their southern cousins to their cause The massive threat such alliances posed recognized by contemporary whites from all walks of life prompted a terror that proved a major factor in the formulation of Indian and military policy in North America Indian unity especially in the form of military alliance was the most consistent universal fear of Anglo Americans in the late colonial Revolutionary and early national periods This fear was so pervasive and so useful for unifying whites that Americans exploited it long after the threat of a general Indian alliance had passed As the nineteenth century wore on and as slavery became more widespread and crucial to the American South fears shifted to Indian alliances with former slaves and eventually to slave rebellion in general The growing American nation needed and utilized a rhetorical threat from the other to justify the uglier aspects of empire building a phenomenon that Owens tracks through a vast array of primary sources Drawing on eighteen different archives covering four nations and eleven states and on more than six dozen period newspapers and incorporating the views of British and Spanish authorities as well as their American rivals *Red Dreams White Nightmares* is the most comprehensive account ever written of how fear oftentimes resulting in Indian hating

directly influenced national policy in early America **The Color of the Land** David A. Chang, 2010-02-01 The Color of the Land brings the histories of Creek Indians African Americans and whites in Oklahoma together into one story that explores the way races and nations were made and remade in conflicts over who would own land who would farm it and who would rule it This story disrupts expected narratives of the American past revealing how identities race nation and class took new forms in struggles over the creation of different systems of property Conflicts were unleashed by a series of sweeping changes the forced removal of the Creeks from their homeland to Oklahoma in the 1830s the transformation of the Creeks enslaved black population into landed black Creek citizens after the Civil War the imposition of statehood and private landownership at the turn of the twentieth century and the entrenchment of a sharecropping economy and white supremacy in the following decades In struggles over land wealth and power Oklahomans actively defined and redefined what it meant to be Native American African American or white By telling this story David Chang contributes to the history of racial construction and nationalism as well as to southern western and Native American history

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **Sacred Revolt** . Sacred Revolt Introduction

In today's digital age, the availability of Sacred Revolt books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sacred Revolt books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sacred Revolt books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sacred Revolt versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sacred Revolt books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sacred Revolt books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sacred Revolt books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast

collection of digitized books and historical documents. In conclusion, Sacred Revolt books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sacred Revolt books and manuals for download and embark on your journey of knowledge?

FAQs About Sacred Revolt Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sacred Revolt is one of the best book in our library for free trial. We provide copy of Sacred Revolt in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sacred Revolt. Where to download Sacred Revolt online for free? Are you looking for Sacred Revolt PDF? This is definitely going to save you time and cash in something you should think about.
