Churchward,2007-06-01 African people developed signs and symbols as a way of communicating and delivering messages It is most unfortunate that most people who today are members of secret societies have no in depth knowledge of the history of the society and the unifying role it played in the early intellectual life of the Nile Valley It is through Churchward's examination of most of the known cultures of the people of his day that the signs and symbols of primordial man is revealed At this juncture we need to be reminded that Nile Valley stretches over 4 000 miles into the body of Africa and that the creations of Nile Valley civilizations cannot be attributed only to that portion of North Africa that the Greeks called Egypt The Nile river was the world's first great cultural highway bringing people and cultures out of the body of inner Africa This great cultural migration led to the peopling of Egypt Making Egypt and composite civilization comprised of different African people who dwelled along the banks of the Nile river The civilization that developed in Egypt was the culmination of civilization **Secrets of Signs** Saket Shah,2021-10-30 Dear Reader Man is not only a physical entity but represents a

cogent expression or an equilibrium of forces so to say stimulated by certain higher principles The zodiacal signs govern these principles also We know that the signs are grouped into three types cardinal fixed and mutable These three sets of signs govern the three chief modes of expression of the vital body Pran amaya thus complicating the mechanisms of the human constitution The cardinal signs denote activity and govern the functional activities of life Circulation respiration digestion and excretion and such other vital activities are controlled by these signs The occultist should gain hold over these functions in order to overcome the effects of the cardinal signs The fixed signs govern the emotions and the desires of man Wish desire anger aversion attraction and repulsion are governed by these signs The behaviour nature of man which lies beyond the control of his intelligence and understanding comes under their control In this book I am trying my best to explain the complete details about signs and their secrets which is hidden in universe This is ancient wisdom and I believe you will love reading and learn a lot from this book if you are interested in the world of astrology Regards Saket Shah

**The Secret Legacy of Jesus** Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey B tz author of The Brother of Jesus and the Lost Teachings of Christianity reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In The Secret Legacy of Jesus B tz demonstrates how this centuries old underground stream of Christ s original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world
