Secrets Of The Mormon Church:

Best Kept Secrets of the Gospel of Jesus Christ Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts

Secrets of the Mormon Church Donald Ray Haney, 2005-05-09 The church founded by Joseph Smith is today an organization more controlling and subjugating than any church on the face of the earth The LDS Church has written much about their history The church historians have written much about the accomplishments of the LDS Church and its leaders but altogether omit anything pertaining to the Secrets of the Mormon Church All too often LDS Church leaders are presented as infallible men who should be obeyed and never questioned At last a Mormon with insider s knowledge of the secrets of the church has come forward to expose those things that the LDS Church has held secret for generations At last someone with the courage to observe the LDS teachings past history practices standards and beliefs objectively has come forward to reveal his discoveries Finally there is someone with the audacity to reveal the truth and tell it like it is The writer plainly and objectively presents information considered taboo for members to even discuss among themselves He uses an uncanny logic and wit in his presentation and at times just plain gives a shot at past and sometimes present church doctrine and practices His common sense approach and plain talk is refreshing Mormons outside the inner circle will learn what the insiders know Others will learn what otherwise never would have been revealed to them A knowledgeable member of the church after twenty years of research tells all and reveals all The Secrets of the Mormon Church have now been exposed

members and what the Bible has to say about it We believe this book will help you create burning questions instead of a burning in the bosom for Mormons you know And the Bible verses are right there to give you the answer Secrets

This second revised and enlarged edition includes a new chapter on Freemasonry in South America from the revolution of Simón Bolívar to the capture and execution of Che Guevara. Family Secrets Catherine Slaney, 2003-02-20

Catherine Slaney grew into womanhood unaware of her celebrated Black ancestors. An unanticipated meeting was to change her life. Her great grandfather was Dr. Anderson Abbott, the first Canadian born Black to graduate from medical school in Toronto in 1861. In Family Secrets, Catherine Slaney narrates her journey along the trail of her family tree back through the era of slavery and the plight of fugitive slaves, the Civil War, the Elgin settlement near Chatham, Ontario, and the Chicago years. Why did some of her family identify with the Black Community while others did not? What role did passing play? Personal anecdotes and excerpts from archival Abbott family papers enliven the historical context of this compelling account of a family dealing with an unknown past. A welcome addition to African Canadian history, this moving and uplifting story demonstrates that understanding one's identity requires first the embracing of the past. When Catherine Slaney first consulted me, her intention was to research the life of her distinguished ancestor Anderson R. Abbott. After she told me her story of the discovery of her African heritage and the search for her roots, I urged her to make that the subject of her book. Cathy has served both of these objectives, giving us an intricate and fascinating account of her quest for her own lost identity through the gradual illumination of Dr. Abbott and his legacy for modern Canadians. Family Secrets carries an important message about the issue of race as a historical artifact and as a factor in the lives of real people. James W. St. G. Walker, University of Waterloo. This is a welcome addition to the growing collection of African Canadian materials that connects an unknown past to a promising future. That Slaney was unaware of her Black ancestry despite that heritage being so rich and powerful speaks to the dilemma of Black history research: it is there but requires considerable digging to uncover. Rosemary Sadlier, President, Ontario Black History Society. Freemasonry Threaded Through Mormonism Jay M. Hawkinson, 2014-03-10. Freemasonry in AMERICA was torpedoed by one man in 1826. Then Freemasonry in AMERICA all but died. Mormonism was born as a new religion in 1830 seemingly from the ashes of Freemasonry. As it turned out, Freemasonry unknowingly provided inspiration and direction for Mormonism to develop and grow. The secretive fraternity of Freemasonry and the secretive religion of Mormonism grew using the same tenants. The world now benefits from the growth and services of both organizations. **Secret Salt Lake City: A Guide to the Weird, Wonderful, and Obscure** Jeremy Pugh, Mary Brown Malouf, 2021-05-15.
