Self and Secrecy in Early Islam  
Ruqayya Yasmine Khan,2008 An original inquiry into the meanings of concealment and revelation in early Arabo Islamic texts In this comparative analysis of the significance of keeping and revealing secrets in early Islamic culture Ruqayya Yasmine Khan draws from a broad range of Arabo Islamic texts to map interconnections between concepts of secrecy and identity In early Islamic discourse Khan maintains individual identity is integrally linked to a psychology of secrecy and revelation a connection of even greater importance than what is being concealed or displayed Khan further maintains that secrecy and identity demarcate boundaries for interpersonal relations when governed by the cultural norms of discretion espoused in these texts As evidence for her study Khan explores religious and literary representations of secrecy in classical texts as diverse as the Qur'an the Book of Concealing the Secret and Holding the Tongue by al Jahiz and courtly love poems including the story of Majnun and Layla These works represent divergent approaches to spiritual ethical and romantic life in early Islam yet Khan extrapolates from each a shared construction of secrecy and revelation In advancing our understanding of the dynamic tensions between secrecy and revelation as depicted in these early Arabo Islamic discourses Khan illustrates that the creation of individual identity and subjectivity was inherently tied to these same tensions The resulting analysis opens new vistas for understanding the meanings of secrecy in Islamic studies Qur'anic studies Islamic philosophy and mysticism Arabic literary studies as well as European intellectual history

**Deadly Secrets of Iranian Princes** Pascal Mahvi,2011 Every once in a while someone with unprecedented access to the truth lifts the veil in a memoir so stark and revealing that it has the power to reframe history and our perceptions of those who defined it Pascal Mahvi s book is one such to me The Deadly Secrets of Iranian Princes which spans three decades is Mahvi s candid account of his struggle growing up straddling two cultures and in the process reconciling his own identity both as an American and a descendant of Iranian royalty When the newly appointed Shah of Iran reaches out to Mahvi s father to become his chief advisor and confidante young Pascal is thrust into the controversial leader s elite inner sanctum during one of the most pivotal periods in history The author s story of survival is at once both riveting and poignant offering rare intimate glimpses of the Shah at his most human away from the glare of the spotlight It is also a window into the surprising strengths and frailties of some of the world s most famous celebrities from the deeply personal perspective of someone who unexpectedly finds himself an intimate part of their world Told through the eyes of a son forced to become a man against a backdrop of unimaginable danger and sacrifice Deadly Secrets of Iranian Princes is the front page story that hasn t been broken until now The revelations in this book from corporate treason and corrupt government to the surreal demands of being an insider in the shadow of a nuclear arms race are sure to ignite a firestorm of controversy especially for those whose betrayals will finally become public More than a news story at its heart Deadly Secrets of Iranian Princes is also a haunting

testimonial to the complexities of extreme privilege and the unforgettable chronicle of one man's quest to honor his father
