What Is Truth? James Emery White, 2006-09-01 SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD In this postmodern age truth especially religious or moral truth is widely criticized and constantly challenged yet perhaps more important than ever It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth century theologians Cornelius Van Til Millard J Erickson Francis A Schaeffer Donald G Bloesch Carl F H Henry

*Integrative Theology* Gordon R. Lewis, Bruce A. Demarest, 2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion's relevance to a person's spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2-6 integrate the disciplines of historical biblical systematic apologetic and practical theology

**Backsliding Church Organizations** Charles C. Mullings, 2010-10-30 *Two Different Worlds* Charles E. Garrison, 1988 Challenging the assumption that the biblical text is absolutist this study renders the wall of division between Christian absolutism and cultural relativism indefensible Its encouraging argument draws upon sociology anthropology and analysis of the biblical text

**Military Chaplains' Review**, 1985 *A Pilgrimage of Faith* John B. Toews, 1993 It is now 1990 one hundred and thirty years since the birth of the Mennonite Brethren Church and therefore time for someone in that church to take a backward glance to see how things have developed Who better to do this John B Toews His life spans well over half of those years and he has experienced much of what he writes JB as he is affectionately known by both students and colleagues is a patriarchal figure in the Mennonite Brethren Church Born in Ukraine the Russian Revolution and its aftermath were the crucible that shaped his youth and young adult years After studying in Western Europe Toews immigrated to Canada in the late 1920s Much of his life has been in Mennonite Brethren educational institutions in Canada and the United States During ten years as Executive Secretary of the Mennonite Brethren Board of Missions he traveled widely and came to know Mennonite Brethren people around the world In between educational and mission administrative responsibilities he pastored in Kansas and California After retiring from the presidency of the Mennonite Brethren Biblical Seminary he became the founding Director of the Historical Commission of the Mennonite Brethren Church

**Prospects for Growth** E. Calvin Beisner, 2019-04-24 The warnings are loud and clear the world is dangerously overpopulated natural resources are becoming scarce catastrophic manmade global warming could lead to the death of our planet Are these accurate predictions we ignore at our own peril or are they politically motivated scare tactics designed to promote a radical agenda In this important book respected author E Calvin Beisner brings biblical principles of theology anthropology and ethics to bear on these crucial questions What do the Scriptures say about population freedom civil

**Challenges to the Enlightenment** Academy of Humanism, Academy of Humanism Staff, 2010-10-05 The Enlightenment was an intellectual movement which began in seventeenth century Europe and espoused an optimistic project an end to human ignorance and the slavish adherence to ancient texts and dogma the application of scientific principles to solving the world's problems the elimination of inequality between the sexes and the advocacy of political rights for all citizens Modern western society with its democratic institutions and its reliance on science as the basis of technology and industry is largely an outgrowth of Enlightenment ideals Yet today the entire Enlightenment agenda is being challenged not only by members of the religious orthodoxy but also by a group of academics loosely described under the label of postmodernism Whereas the Enlightenment project has always been at odds with religious orthodoxy which has traditionally been suspicious of efforts to achieve human progress without supernatural support today it must deal with a very different type of attack from postmodernist intellectuals Critics of this school question the very ability of human reason to grasp objective reality and they raise serious objections to the reliability and efficiency of the scientific method and the tyranny of democratic elites Is the Enlightenment project still worth pursuing The distinguished members of the Academy of Humanism who have contributed to this important collection of essays are united in their conviction that the ideals of the Enlightenment must be preserved Editors Paul Kurtz and Timothy J Madigan have grouped the diverse perspectives represented in this volume into three major sections dealing with philosophical issues scientific issues and social issues These cogently argued and vigorous responses to traditional and postmodernist criticisms of the Enlightenment make it clear that reason science and the political and social ideals of the Enlightenment are indispensable for the welfare and future of our planet

How to Be Secular Jacques

Berlinerblau,2012-09-11 Why secularism isn't the same thing as atheism and why it's crucial for preserving liberty and democracy for all Americans regardless of their beliefs Founding father Thomas Jefferson believed that religion is a matter which lies solely between man and his God but these days many people seem to have forgotten this ideal Conservatives claim America is a Christian nation and urge that laws be structured around religious convictions Hardcore atheists meanwhile seek to undermine and attack religion at all levels Surely there must be a middle ground In *How to Be Secular* Jacques Berlinerblau issues a call to the moderates those who are tired of the belligerence on the fringes that we return to America's long tradition of secularism which seeks to protect both freedom from and for religion He looks at the roots of secularism and examines how it should be bolstered and strengthened so that Americans of all stripes can live together peacefully Jacques Berlinerblau mounts a careful judicious and compelling argument that America needs more secularists The author's argument merits a wide hearing and will change the way we think and talk about religious freedom Randall Balmer author of *Thy Kingdom Come How the Religious Right Distorts Faith and Threatens America* [National Union Catalog](#) ,1983

**Conservative Christian Politics in Russia and the United States** John Anderson,2014-09-19 This book explores the politics of conservative Christian churches and social movements in Russia and the United States focusing on their similar concerns but very different modes of political engagement Whilst secularisation continues to chip away at religious adherence and practice in Europe religion is often quite rightly seen as an influential force in the politics of the United States and more questionably as a significant influence in contemporary Russia This book looks at the broad social movement making up the US Christian Right and the profoundly hierarchical leadership of the Russian Orthodox Church as socially conservative actors and some of the ways they have engaged in contemporary politics Both are seeking to halt the perceived drift towards a more secular political order both face significant challenges in handling the consequences of secularism pluralism and liberal individualism and both believe that their nations can only be great if they remain true to their religious heritage In exploring their experience the book focuses on shared and different elements in their diagnosis of what is wrong with their societies and how this affects their policy intervention over issues such as religious and ethnic belonging sexual orientation and education Drawing on political sociological and religious studies this work will be a useful reference for students and scholars of religion and politics Russian politics and American politics
