Secure Base Parent Child Attachment And Healthy Human Development

Michael E. Lamb, Marc H. Bornstein

Secure Base Parent Child Attachment And Healthy Human Development:

A Secure Base John Bowlby, 2012-11-12 John Bowlby 1907 1990 was a world famous psychiatrist and as the father of attachment theory he identified early abuse and neglect as key factors in adult psychological problems Supported by the simultaneous publication of *The Making and Breaking of Affectional Bonds* in the Routledge Classics series [Social and Personality Development](#) Michael E. Lamb, Marc H. Bornstein, 2013-05-13 This new text contains parts of Bornstein and Lamb's *Developmental Science* 6th edition along with new introductory material providing a cutting edge and comprehensive overview of social and personality development Each of the world renowned contributors masterfully introduces the history and systems methodologies and measurement and analytic techniques used to understand the area of human development under review The relevance of the field is illustrated through engaging applications Each chapter reflects the current state of knowledge and features an introduction an overview of the field a chapter summary and numerous classical and contemporary references As a whole this highly anticipated text illuminates substantive phenomena in social and personality developmental science and its relevance to everyday life Students and instructors will appreciate the book's online resources For each chapter the website features chapter outlines a student reading guide a glossary of key terms and concepts and suggested readings with hotlinks to journal articles Only instructors are granted access to the test bank with multiple choice short answer and essay questions PowerPoints with all of the text's figures and tables and suggestions for classroom discussion assignments The book opens with an introduction to social and personality development as well as an overview of developmental science in general its history and theory the cultural orientation to thinking about human development and the manner in which empirical research is designed conducted and analyzed Part 2 examines personality and social development within the context of the various relationships and situations in which developing individuals function and by which they are shaped The book concludes with an engaging look at applied developmental psychology in action through a current examination of children and the law Ways in which developmental thinking and research affect and are affected by practice and social policy are emphasized Intended for advanced undergraduate and or graduate level courses on social and personality development taught in departments of psychology human development and education researchers in these areas will also appreciate this book's cutting edge coverage *Social Psychology* Arie W. Kruglanski, Edward Tory Higgins, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company **Examining Lois Lane** Nadine Farghaly, 2013-09-19 In June 1938 Superman made his debut in Action Comics 1 which also featured his romantic interest and Clark Kent's journalistic rival Lois Lane In the decades since the intrepid reporter has become an iconic figure almost as recognizable as the Man of Steel himself Lois has appeared in multiple adaptations from her own comic book to various films and television shows and millions of women have seen and continue to see her as a role model Examining Lois Lane The Scoop on Superman's Sweetheart is the first anthology to explore the many incarnations of this empowering American icon

Chapters analyze the character of Lois Lane in various media through the perspectives of feminism gender studies cultural studies and more In some discussions she is compared to mythological heroines while others explain her importance in popular culture This wide ranging collection looks at previously neglected aspects of Lois and offers new insights into the evolution of her character Seventy five years after Lois Lane s first appearance this book creates a fascinating picture of the obstacles and decisions faced by her character whose challenges and accomplishments often reflected those of women over the course of the past century Examining Lois Lane will be of interest to students and scholars as well as those who grew up reading and watching the many manifestations of Superman s girlfriend

The Oxford Handbook of Poverty and Child Development Valerie Maholmes, Ph.D., CAS Ph.D., Rosalind B. King, Ph.D., 2012-04-01 Over 15 million children live in families subsisting below the federal poverty level and there are nearly 4 million more children living in poverty today than in the turn of the 21st century When compared to their more affluent counterparts children living in fragile circumstances including homeless children children in foster care and children living in families affected by chronic physical or mental health problems are more likely to have low academic achievement to drop out of school and to have health and behavioral problems The Oxford Handbook of Poverty and Child Development provides a comprehensive analysis of the mechanisms through which socioeconomic cultural familial and community level factors impact the early and long term cognitive neurobiological socio emotional and physical development of children living in poverty Leading contributors from various disciplines review basic and applied multidisciplinary research and propose questions and answers regarding the short and long term impact of poverty contexts and policies on child developmental trajectories In addition the book features analyses involving diverse children of all ages particularly those from understudied groups e g Pacific Islanders Native Americans immigrants and those from understudied geographic areas e g the rural U S international humanitarian settings Each of the 7 sections begins with an overview of basic biological and behavioral research on child development and poverty followed by applied analyses of contemporary issues that are currently at the heart of public debates on child health and well being and concluded with suggestions for policy reform Through collaborative interdisciplinary research this book identifies the most pressing scientific issues involving poverty and child development and offers new ideas and research questions that could lead us to develop a new science of research that is multidisciplinary longitudinal and that embraces an ecological approach to the study of child development
