

The background image is a photograph of a desert landscape. In the foreground, a river flows over a rocky, reddish-brown bed. The water is clear, and its surface reflects the sky and the surrounding vegetation. On the left bank, there are some green shrubs and trees. In the background, large, rugged red rock formations rise against a clear blue sky. The formations have various shapes, including some that look like natural arches or pillars. The overall scene is a beautiful representation of the Southwest desert environment.
