Handbook of the English Novel of the Twentieth and Twenty-First Centuries Christoph Reinfandt, 2017-06-12 The Handbook systematically charts the trajectory of the English novel from its emergence as the foremost literary genre in the early twentieth century to its early twenty first century status of eccentric eminence in new media environments Systematic chapters address The English Novel as a Distinctly Modern Genre The Novel in the Economy Genres Gender performativity masculinities feminism queer and The Burden of Representation class and ethnicity Extended contextualized close readings of more than twenty key texts from Joseph Conrad's *Heart of Darkness* 1899 to Tom McCarthy's *Satin Island* 2015 supplement the systematic approach and encourage future research by providing overviews of reception and theoretical perspectives **The 1970s: A Decade of Contemporary British Fiction** Nick Hubble, John McLeod, Philip Tew, 2014-02-27 How did social cultural and political events in Britain during the 1970s shape Contemporary British Fiction Exploring the impact of events like the Cold War miners strikes and Winter of Discontent this volume charts the transition of

British fiction from post war to contemporary Chapters outline the decade s diversity of writing showing how the literature of Ian McEwan and Ian Sinclair interacted with the experimental work of B S Johnson Close contextual readings of Welsh Scottish Northern Irish and English novels map the steady break up of Britain Tying the popularity of Angela Carter and Fay Weldon to the growth of the Women s Liberation Movement and calling attention to a new interest in documentary modes of autobiographical writing this volume also examines the rising resonance of the marginal voices the world of 1970s British Feminist fiction and postcolonial and diasporic writers Against a backdrop of social tensions this major critical reassessment of the 1970s defines explores and better understands the criticism and fiction of a decade marked by the sense of endings

The Experimentalists Joseph Darlington,2021-11-18 The Experimentalists is a collective biography capturing the life and times of the British experimental writers of the swinging 1960s A decade of research including as yet unopened archives and interviews with the writers colleagues is brought together to produce a comprehensive history of this ill starred group of renegade writers Whether the bolshie B S Johnson the globetrotting Ann Quin the cerebral Christine Brooke Rose or the omnipresent Anthony Burgess these writers each brought their own unique contributions to literature at a time uniquely open to their iconoclastic message The journey connects historical moments from Bletchley Park to Paris May 68 to terrorist groups of the 1970s A tale of love loss friendship and a shared vision this book is a fascinating insight into a bold provocative and influential group of writers whose collective story has gone untold until now **The Cambridge Guide to Literature**

Diana Cooper-Clark,1986-06-18 Visual Devices in Contemporary Prose Fiction Simon Barton,2016-01-26 This book acknowledges that the reader of a novel looks at and sees the page before they begin to read any text placed upon it Thus any disruptions to how a traditional page should look can have a large impact on the reading process The book critically engages with the visual appearance of graphically innovative contemporary prose fiction The Statesman ,1974 Brian Castro's Fiction , Abstraction in Post-War British Literature 1945-1980 Natalie Ferris,2022-03-29 In a catalogue note for the 1965 exhibition Between Poetry and Painting at the Institute of Contemporary Arts the poet Edwin Morgan probed the relationship between abstraction and literature Abstract painting can often satisfy but abstract poetry can only exist in

inverted commas Language may be fragmented rearranged or distorted abstract in so far as it is withdrawn from a particular system of knowledge but Morgan was of the mind that to be wholly disruptive was to deprive a poem of its point as an object of contemplation Whilst abstract art may have come to fulfil or fortify an impression of post war taste abstraction in literature continued to be treated with suspicion But how does this speak to the extent to which Britain's literary culture was responsive to progress compared to its artistic culture Abstraction in Post War British Literature 1945-1980 traces a line of literary experimentation in post war British literature that was prompted by the aesthetic philosophical and theoretical demands of abstraction Spanning the period 1945 to 1980 it observes the ways in which certain aesthetic advancements initiated new forms of literary expression to posit a new genealogy of interdisciplinary practice in Britain At a time in which Britain became conscious of its evolving identity within an increasingly globalised context this study accounts for the range of Continental and Transatlantic influences in order to more accurately locate the networks at play Exploring the contributions made by individuals such as Herbert Read Ian Hamilton Finlay and Christine Brooke Rose as well as by groups of practitioners It brings a wide range of previously unexplored archival material into the public domain and offers a comprehensive account of the evolving status of abstraction across cultural institutional and literary contexts **Reading**

the graphic surface Glyn White, 2018-02-28 This book critically engages with the visual appearance of prose fiction where it is manipulated by authors from alterations in typography to the deconstruction of the physical form of the book It reappraises the range of effects it is possible to create through the use of graphic devices and explores why literary criticism has dismissed such features as either unreadable experimental gimmicks or more recently as examples of the worst kind of postmodern decadence Through the examination of problematical texts which utilise the graphic surface in innovative and unusual ways including Samuel Beckett's *Watt* B S Johnson's *Albert Angelo* Christine Brooke Rose's *Thru* and Alasdair Gray's *Lanark* this book demonstrates that an awareness of the graphic surface can make significant contributions to interpretation

Christie Malry's Own Double-entry Bryan Stanley Johnson, 1985 A disaffected young man Christie Malry is a simple man who learns the principles of double entry book keeping while taking an evening class in accountancy and working in the local bank He begins to apply these principles to his own life revenging himself against society in an increasingly violent manner for perceived debits Debit the unpleasantness of the bank manager is the first on an ever growing list Credit scratching the facade of the office block All accounts are settled in the most alarming way *The B. S. Johnson - Zulfikar Ghose Correspondence* Vanessa Guignery, 2015-04-01 From 1959 to 1973 the writers B S Johnson and Zulfikar Ghose regularly wrote letters to each other in which they discussed their own work and literary preoccupations They exchanged early drafts of poems short stories plays and novels and their correspondence contains detailed comments and extended analyses of these texts as well as illuminating reflections on literature criticism poetics and aesthetics Though much of the correspondence is an extended literary discussion it also contains moments of personal revelation jokes and anecdotes so

that the letters with their surprising asides are enjoyable to read even as they inform with their biographical and intellectual content The two authors also frequently refer to the university poetry journals and literary magazines they contributed to or edited and they write about the poetry meetings they attended and the writers they met or read Their involvement in literary groups and their dealings with publishers editors and agents are indicative of the publishing mechanisms of the time This correspondence thus not only provides insight into the work of both B S Johnson and Zulfikar Ghose but also conjures up a comprehensive picture of the London literary world of the 1960s *Zulfikar Ghose* Mansoor Abbasi,2015-06-18 In 1963 Zulfikar Ghose received a special award from the E C Gregory Trust that was judged by T S Eliot Henry Moore Herbert Read and Bonamy Dobr e A year earlier in an issue devoted to the newly emerging Commonwealth literature the Times Literary Supplement featured Zulfikar Ghose as the most prominent poet from the former British colonies by conspicuously printing three of his poems spread across half a page By the time he was featured in The Review of Contemporary Fiction Ghose had been accorded major status as a writer of international repute the editors of The Review of Contemporary Fiction noted that Zulfikar Ghose has both ranked with and outranked several of the best English language writers in England and America and went on to present him as a unique figure in contemporary literature whose evolution across languages and national boundaries was comparable to Conrad Nabokov and Beckett In spite of receiving such notable attention Ghose has remained a marginal presence and in fact an untouchable among writers accorded a world class status Of the several reasons suggested for Ghose s marginalization by scholars of world literature and post colonial studies the most significant one is that his oeuvre resists categorisation For Ghose to use Proust s phrases Quality of language and the beauty of an image are the heart of great writing Ghose s work is full of meditative reverberations and has a fastidious style that scintillates the reader s mind with its brilliance His genius lies in the construction of a language that is lyrical and full of vivid imagery He captures the images of his native Punjab as well as the South American landscape and imbues the air with the fragrance of Amazon rainforest while his prose sends a shiver between the shoulder blades In his experimentation with form he make s it new to use Pound s phrase His literary journey from the imitation of nineteenth century realism to his most experimental and ambitious works like Hulme s Investigations into the Bogart Script and The Triple Mirror of the Self reflects his wide range of experimentation with form and style This book investigates the structural patterns in the novels of Zulfikar Ghose that give each of his works its peculiar aesthetic design While on the one hand this work notes his role as a pioneer among South Asian writers of the post colonial era on the other hand his novels are examined in the critical framework erected by the writer himself with its emphasis on style that is the central concern of this study The Legacies of Modernism David James,2011-10-20 An engagement with the continued importance of modernism is vital for building a nuanced account of the development of the novel after 1945 Bringing together internationally distinguished scholars of twentieth and twenty first century literature these essays reveal how the most innovative writers working today draw on the legacies of modernist

literature Dynamics of influence and adaptation are traced in dialogues between authors from across the twentieth century Lawrence and A S Byatt Woolf and J M Coetzee Forster and Zadie Smith The book sets out new critical and disciplinary foundations for rethinking the very terms we use to map the novel s progression and renewal enhancing our understanding not only of what modernism was but also what it might still become With its global reach The Legacies of Modernism will appeal to scholars working not only in the new modernist studies but also in postcolonial studies and comparative literature

A History of British, Irish and American Literature Hans-Peter Wagner, 2021-10-04 The third revised and enlarged edition contains discussions of British Irish and American literary works up to 2020 Focussing on outstanding writings in prose poetry drama and non fiction the book covers the time from the Anglo Saxon period to the 21st century The feature that makes this literary history unique among its rivals is the coverage of television web series as a particular form of postmodern drama The chapters on recent drama now contain detailed analyses of the development of TV and web series from Britain Ireland and America with extensive discussions of those series now considered classics In addition there are several major innovative features To begin with each century is introduced by a survey of the socio political and cultural backgrounds in which the literary works are embedded Furthermore extensive visual material more than 160 engravings cartoons and paintings has been integrated This visual aspect as well as the introductory sections on art for each century give the reader an excellent idea of the symbiosis between visual and literary representations Further innovative aspects include discussions of non fictional works from literary criticism and theory travel writing historiography and the social sciences analyses of such popular genres as crime fiction science fiction fantasy the Western horror fiction and children s literature footnotes explaining technical and historical terms and events a detailed glossary of literary terms chronological tables for British Anglo Irish and American literatures an updated cut off date 2020 extensive bibliography containing suggestions for further reading
