See You In Heaven:

From the Heart J. Bauman, 2019-01-29 I hope you enjoyed reading the words that God gave me to share with you These poems may have made you smile shed a tear remember a loved one or taken you back in time just for a little while This is a very unexpected and very exciting journey for me I never thought that one day I would be writing a book God gives us many talents This one was given to me in 2004 Why me God will tell me in time Until then I ll keep listening to him and writing down the words he gives to me and share the little stories I get from God with you Everyone has love in their hearts We just have to learn how to bring it out Remember the love ones you lost And love the ones who are still with you God bless

A Commentary on the Gospel of John David Pawson, 2015-06-24 John is a remarkable Gospel utterly different from the other three It reflects the unique insights of the man who was closest to Jesus while he was on earth and is full of concern that we should not just know about what Jesus did but should also realize who he was It reflects too John s burden the believers in Jesus should not be side tracked by erroneous teaching whether concerning Jesus identity or the veracity of his claims He wanted believers to be absolutely sure that eyewitnesses Jesus own words and his astonishing works all point to one who was truly God come in the flesh the living Word the very glory of God among humanity John s collected evidence and proof all make the most compelling testimony to Jesus right to demand our on going trust and obedience

 Paul Celan,2020-11-24 Memory Rose into Threshold Speech gathers the poet Paul Celan s first four books written between
 1952 and 1963 which established his reputation as the major post World War II German language poet Celan a Bukovinian
 Jew who lived through the Holocaust created work that displays both great lyric power and an uncanny ability to pinpoint
 totalitarian cultural and political tendencies His quest however is not only reflective there is in Celan s writing a profound
 need and desire to create a new inhabitable world and a new language for it In Memory Rose into Threshold Speech Celan s
 reader witnesses his poetry which starts lush with surrealistic imagery become gradually pared down its syntax tightens and
 his trademark neologisms and word formations increase toward a polysemic language of great accuracy that tries in the poet s
 own words to measure the area of the given and the possible Translated by the prize winning poet and translator Pierre
 Joris this bilingual edition follows the 2014 publication of *Breathturn into Timestead* Celan s collected later poetry All nine
 volumes of Celan s poetry are now available in Joris s carefully crafted translations accompanied here by a new introduction
 and extensive commentary The four volumes in this edition show the flowering of one of the major literary figures of the last
