freedom Freedom from financial bondage Fear Relationship and Addiction There used to be generational curses in my life Generational curses of Poverty Failure and Loss As a result I was in debt and the pressure was unbearable that I decided to take my life at which point The Holy Ghost told me to go into fasting and prayers and it was revealed to me in my dream to sow a seed Giving Sacrificial Offering to the poor those dying of hunger and to the orphans In obedience I sowed my seed and thereafter an idea was given to me to write books whereby millions of copies of my books had be sold all over the world and God took me out of debt by breaking generation curses from my life **R.S.V.P.** Beverly Ricard Walker,2019-02-13 God s plan brings life to the just and the just shall live by faith Faith brings us to the spiritual dining bookplate the of Word of God Faith comes by hearing and hearing the Word of God A good man s steps are ordered by the Lord and will lead one to the Master s Table And this dining invitation is extended to the table for Lamb s Supper This RSVP to please respond immediately to continually feast read and adhere to spiritual cuisine and this invitation was signed in the vibrant red blood ink of our Savior Welcome to a book that will add yum to your biblical spiritual smorgasbord It s a metaphor of restaurant dining and contains good eats the attire with after you re dressed don t get dirty the appetizer the main entr e spiritual etiquette balanced diet with don t die hungry and more The call is for the remnant to respond to the dinner invitation the trumpet will sound which is the meal bell for continued dining and eternal rewards Royal priesthood it s time for personal confession to own up to who you really are then formulate a spiritual menu plan that coincides with God s plan for you and know who you are at the Master s Table **Mind Leap: Intimate Changes and Communication Between Worlds** David W. Letts,2009-03-24 Fully revised with Reader s Guide Self Exploration Questions chapter reviews and expanded Moita material Reading Mind Leap was one of the most delightful experiences of my summer First I found it an absolutely intriguing story of personal challenge and human relationships But second and most important I found it highly inspiring There are many times in my own spiritual journey that I wonder whether it is all worth the effort whether there really is a greater reality This book is a powerful incentive to keep going an inspiration and a source of hope Joyce E Ansell literary editor How can we learn to live wholly with deep intuition in this world Where can it lead for each of us in this transformative era We hear follow a path with heart listen to your dreams open to spirit But rare is the book that actually takes us far into that experience Mind Leap does so by telling a challenging liberating true story from the consciousness revolution and inviting readers to participate by reviewing their own life events and perceptions A novelist couldn t create spiritual explorers more opposite than Kelly and David growing up the psychic daughter of an abusive alcoholic and mystic son of an activist minister But as young adults with other partners dreams and intuitions pointed each other out hinting of the natural bridge they would form together As they were then tested in a crucible of intersecting lives Moita began to speak through Kelly initiating an experiment in communication between worlds Her over 200 interactive sessions shared with hundreds of participants have been compared to the Seth material Mind Leap reveals the hidden workings of spirit that connect us to

people and situations we need to grow in strength freedom and love The narrative unfolds on many levels giving a unique inside view of the channeling phenomenon even as the prophetic messages turn from individuals to the crisis transformation of our Earth We see you all the time are near you yet very rarely can touch for you do not see us For you we are merely a whisper in the trees We have watched for a great many years and now there is a drawing together of worlds a time when the two worlds may touch and not be destroyed by each other when they may integrate and understand The coming together of our worlds will not change just yours but mine Life will never be the same again Moita *Secrets to Exceptional Living*
Joyce Meyer, 2009-05-30 Effective October 1 2002 Joyce Meyer s bestselling backlist is available exclusively from Warner Faith And look for the first of several new major books from Joyce beginning in April 2003 Light ,1895 **Prosper Your Soul, Beloved** Vicki Heymann, Beloved I pray that you may prosper in all things and be in health just as your soul prospers 3 John 2 NKJV It has been a dream of mine to prosper financially using biblical principles I prayed about it and then one morning the Lord told me that it was time and that He would teach me He instructed me to wait on Him every morning and to write down the things He taught me I followed His instructions guidance and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book s title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out **THE UNITED METHODIST FREE CHURCHES' MAGAZINE** ,1878
