Seeing The Lord Resurrection And Early Christian Practices:

Seeing the Lord Marianne Sawicki, 1994 **Fair Play: Diversity and Conflicts in Early Christianity** Ismo Dunderberg, Christopher Tuckett, Kari Syreeni, 2014-04-09 This collection of essays in honour of Heikki Rönkä, New Testament professor at the University of Helsinki consists of 22 essays written by his colleagues and students on Jesus the gospels Paul early Christianity and biblical interpretation Rönkä's own research has been characterized by methodological awareness combined with a keen interest in ethical issues Both these aspects come to expression in his insistence on fair play as a correct scholarly attitude involving an honest dialogue a real encounter and a recognition of diverging opinions In this spirit most of the essays in this book lay emphasis on issues related to early Christian diversity and conflicts and to their challenge in modern society The book is useful for scholars academic teachers and students interested in various aspects of the New Testament early Christianity and hermeneutics A Breath of Fresh Air Amelia C. Boomershine, 2017-03-28 *Breath of Fresh Air* Biblical Storytelling with Prisoners challenges the behemoth of mass incarceration through the convergence of biblical storytelling pedagogy restorative justice principles and peacemaking circle structure Circle of the Word is an interactive creative process of engagement with biblical stories It is a spiritual intervention that addresses an American criminal justice system that is retributive discriminatory and out of control Boomershine reports on the impact of Circle of the Word for incarcerated men and women and grounds Circle of the Word in a multifaceted foundation the study of the Bible as performance literature the history of prison reform in Enlightenment England the doctrine of the Word of God and the development of hope theory Since the purpose of the book is both advocacy and empowerment a how to chapter is included with details for implementation Participation in Circle of the Word has proven to be a transformative experience for men and women directly impacted by mass incarceration discovering community in the midst of isolation and hope in the midst of despair Mary and Martha Satoko Yamaguchi, 2006-12-26 *Mary and Martha* Women in the World of Jesus focuses on women as portrayed in the Johannine Gospel the nature of their lives and their relationship to Jesus **The Word Before the Powers** Charles L. Campbell, 2002-01-01 In this examination of the ethical significance of preaching Charles Campbell provides both fresh insights into the relationship between preaching and ethics and a challenging moral vision for the contemporary church Moving beyond a narrow focus on moral decision making or social issues sermons Campbell argues that a particular ethic nonviolent resistance is inherent in the practice of preaching and shapes the moral life of the church In the face of the powers the fundamental ethical task of preaching involves building up the church as a community of resistance Employing three dimensions of character ethics vision practices and virtues Campbell demonstrates the concrete ways in which preachers may undertake this task **Of Widows and Meals** Reta Halteman Finger, 2007 Though community has become a common byword in the contemporary Western church the practice of communal sharing has effectively fallen by the wayside Unfortunately it is often the poor who are left wanting because we no longer come together Reta Halteman

Finger finds a solution to this modern problem by learning from the ancient Mediterranean Christian culture of community. In the earliest Jerusalem church, in holding the responsibility for preparing and serving communal meals, women were given a place of honor. With the table fellowship and goods sharing of the early church, Luke says there were no needy persons among them (Acts 4:34). Finger thoroughly examines this agape meal tradition, challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the communal sharing lasted for hundreds of years longer than previously assumed. *Of Widows and Meals* begins a discussion of need in community that can revolutionize the contemporary church's interaction with the world at large.

The Directory on Popular Piety and the Liturgy Peter C. Phan, 2005-2006
Catholic Press Association Award Winner

After suffering an eclipse during the post-Vatican II liturgical reform, popular piety has regained its vital role in the spiritual life of Catholics. In response to its re-emergence, the Congregation for Divine Worship and the Discipline of the Sacraments issued the *Directory on Popular Piety and the Liturgy* on December 17, 2001. The Directory was written for bishops and their collaborators as a pastoral guide addressing the relationship between liturgy and popular piety. *Directory on Popular Piety and the Liturgy: Principles and Guidelines: A Commentary* by Peter C. Phan provides a chapter-by-chapter commentary on the Directory, summarizing its contents, highlighting its strengths and weaknesses, and offering suggestions on how devotional practices can be implemented in the United States. For liturgists, religious educators, and students, pastoral leaders, and other interested Christians, this volume is helpful toward promoting a vigorous and authentic devotional life in the community while respecting the preeminence of liturgical worship. The Commentary begins with a preface by Peter C. Phan and an introduction by James Empereur entitled "Popular Piety and the Liturgy: Principles and Guidelines." Chapters in Part One: Emerging Trends. History. Magisterium. Theology are: Liturgy and Popular Piety in a Historical Perspective by Mark R. Francis; Liturgy and Popular Piety in the Church's Magisterium by Peter Fink; and Theological Principles for an Evaluation and Renewal of Popular Piety by Nathan Mitchell. Chapters in Part Two: Guidelines for the Harmonization of Popular Piety with the Liturgy are: The Liturgical Year and Popular Piety by Keith F. Pecklers; Veneration of the Holy Mother of God by Joyce Ann Zimmerman; Veneration of the Saints and Beati by Rail Gomez; Suffrage for the Dead by Peter C. Phan; Shrines and Pilgrimages by Ana Maria Pineda. Concludes with a bibliography that presents the most significant recent writings on popular piety and liturgy by Robert Brancatelli. Peter C. Phan, PhD, is the Ignacio Ellacuria Professor of Catholic Social Thought at Georgetown University.

Petitioners, Penitents, and Poets
Timothy J. Sandoval, Ariel Feldman, 2020-10-26

This volume contributes to the growing interest in understanding the phenomenon of prayer and praying in the Hebrew Bible. Early Judaism and nascent Christianity. Papers by the leading scholars in these fields revisit long-standing questions and chart new paths of inquiry into the nature, form, and practice of addressing the divine in the ancient world. The essays in this volume deal with particular texts of and about prayer practices of prayer as well as figures and locations historical and literary that are associated with prayer and praying. These studies

apply a range of methods and theoretical approaches to prayer and the language of prayer in literatures of Early Judaism and Christianity Some studies apply the classical methods of biblical studies to Second Temple texts of prayer including form critical and text critical approaches others engage in literary and narrative analysis of ancient works that recount discourse directed to the divine Still other studies draw on anthropological and sociological analyses of prayer or marshal particular theories of discourse ethics and moral agency to offer fresh interpretations of address to God in the literature of Second Temple Judaism and earliest Christianity **Have Mercy on Me** Glenna Jackson,2002-12-01 Matthew s gospel begins and ends with the Jewish Gentile debate and at the heart of both the issue and the gospel is the story of the Canaanite woman It is a story that reveals tension between Jews and proselytes in Matthew s community and responds to the question What must one do to be a member of the community This study focuses on the stereotype of the woman as a Canaanite as well as Matthew s sources and the form of the story The conclusion is that the story reflects a reinforcement of Jewish law that allows gentiles to attain membership in the Matthean community thus continuing the Jewish tradition that allows gentiles into the faith

Handbook of Early Christianity Anthony J. Blasi,Jean Duhaime,Paul-André Turcotte,2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity s formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity s birth **The Divine Voice** Stephen H. Webb,2012-01-20 Makes the bold claim that the rhetorical skills of public speaking are essential to all Christian witness

Seeking the Identity of Jesus Beverly Roberts Gaventa,Richard B. Hays,2008-10-15 In view of the proliferation of conflicting images of Jesus in the church in the academy and in popular culture it is no wonder that his identity sometimes appears more elusive than ever Seeking the Identity of Jesus brings together an interdisciplinary group of leading scholars from the fields of biblical studies theology and church history to focus on the complex problems surrounding the quest for the historical Jesus Their perspectives are richly informed by Scripture testimony from the church s past and experience of the risen Jesus in the present Contributors Dale C Allison Jr Gary A Anderson Markus Bockmuehl Sarah Coakley Brian E Daley Beverly Roberts Gaventa A Katherine Grieb Richard B Hays Robert W Jenson Joel Marcus R W L Moberly William C Placher Katherine Sonderegger David C Steinmetz Marianne Meye Thompson Francis Watson **Mary Magdalene** Bruce

Chilton,2006-11-21 After two thousand years of flawed history here at last is a magnificent new biography of Mary Magdalene that draws her out of the shadows of history and restores her to her rightful place of importance in Christianity Throughout history Mary Magdalene has been both revered and reviled a woman who has taken on many forms witch whore the incarnation of the eternal feminine the devoted companion and perhaps even the wife of Jesus In this brilliant new biography Bruce Chilton a renowned biblical scholar offers the first complete and authoritative portrait of this fascinating woman Through groundbreaking interpretations of ancient texts Chilton shows that Mary played a central role in Jesus ministry and was a seminal figure in the creation of Christianity Chilton s descriptions of who Mary Magdalene was and what she did challenge the male dominated history of Christianity familiar to most readers Placing Mary within the traditions of Jewish female savants Chilton presents a visionary figure who was fully immersed in the mystical practices that shaped Jesus own teachings and a woman who was a religious master in her own right

Miracles and Wonders in the Middle Ages and Early Modern Period Albrecht Classen,2025-10-20 Despite the assumption that we live today in a rather rationalist and mechanized world there remain many aspects that neither medicine nor physics can fully explain The Catholic Church continues to pronounce individuals as saints because scientifically confirmed miracles are associated with them If we want to gain a solid understanding of the pre modern history of mentality emotions and everyday culture it proves to be highly revealing to examine what miracles and wonders had meant at that time both in the theological and medical field in the visual arts and literature As a matter of fact people both in the East and in the West have consistently flocked to pilgrimage sites all over the world in the hope that a miracle might happen and solve issues for them The contributors to this volume based on a symposium at the University of Arizona May 2024 approach this critically important topic from many different perspectives taking us from the early Middle Ages to the early modern age examining hagiographical medical literary and alchemical texts discussing both miracles and wonders as relevant themes in the public discourses Both the passage through Inferno and Purgatorio as the crucial pathway toward Paradiso and the experience of women s miraculous conception are identified as deeply impactful for the pre modern world and this both in Christian and Muslim cultures Studying miracles and wonders through a kaleidoscope of different materials and concepts makes it possible to gain a closer understanding of people s mindsets power structures and the debate between medicine and religion These topics were also greatly important in other cultures as several papers on Arabic medieval literature indicate Further pursuing this global issue we recognize easily that the separation line between the Middle Ages and the early modern period is only a modern construct and often not that helpful because the discourse on miracles and wonders has continued and influences even us today Nudge Leonard Sweet,2010-08-01 Evangelism is about reaching out to others Really You think Brace yourself In Nudge author Leonard Sweet sets out to revolutionize our understanding of evangelism He defines evangelism as nudge awakening each other to the God who is already there Sweet s revolution promises to affect your encounters with others as well as shaking the very

roots of your own faith So brace yourself *Conversations with Barth on Preaching* Bishop William H. Willimon, 2010-09-01

One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of William H Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well *Mediating Religion* Jolyon P. Mitchell, Sophia Marriage, 2003-06-01 This is the first book to bring together many aspects of the interplay between religion media and culture from around the world in a single comprehensive study Leading international scholars provide the most up to date findings in their fields and in a readable and accessible way Some of the topics covered include religion in the media age popular broadcasting communication theology popular piety film and religion myth and ritual in cyberspace music and religion communication ethics and the nature of truth in media saturated cultures The result is not only a wide ranging resource for scholars and students but also a unique introduction to this increasingly important phenomenon of modern life **Wisdom Commentary: Luke 1?9** Barbara E.

Reid, OP, Shelly Matthews, 2021-01-15 Because there are more women in the Gospel of Luke than in any other gospel feminists have given it much attention In this commentary Shelly Matthews and Barbara Reid show that feminist analysis demands much more than counting the number of female characters Feminist biblical interpretation examines how the female characters function in the narrative and also scrutinizes the workings of power with respect to empire to anti Judaism and to other forms of othering Matthews and Reid draw attention to the ambiguities of the text both the liberative possibilities and the ways that Luke upholds the patriarchal status quo and guide readers to empowering reading strategies

Holy People Gordon W. Lathrop, This sequel to Gordon Lathrop's highly successful Holy Things is an exercise in liturgical theology viewing the activities of worship as a means of defining and discussing the concept church It centers on community and assembly to discuss the sacraments It focuses on ecumenism and inculturation as central test cases for a liturgically derived idea of church In hopes of invigorating the local church Lathrop explores the meaning of the term church the relationship of the local liturgical assembly and other Christian assemblies catholicity the personal and communal character of liturgical assembly the unity of the churches the critical principles of liturgy and culture openness to what is radically other and liturgical evangelization Lathrop's work grounds a notion of church that is personal yet communal universal but not triumphalistic **Divergent Church** Tim Shapiro, Kara Faris, 2017-10-17 New faith communities are

appearing across the U S Many of them bear little resemblance on the surface to church in its conventional form But when

we look a little deeper we see striking continuity with the most deeply rooted practices of the Christian faith in community What are those practices What do these unconventional alternative faith communities look like How are they perhaps indicators of a hopeful new future for the church And what can we learn from them Authors Kara Brinkerhoff and Tim Shapiro spent more than a year researching and exploring these questions closely examining the life of a dozen alternative faith communities across the country They include new monastic communities food oriented communities affinity group communities house churches hybrid churches and others They are creative ingenious innovative clever dynamic and transformative But they represent human expressions of activities that have always been part of human religious congregations hospitality learning storytelling care leadership worship and honoring place This fascinating book goes beyond simply analyzing current trends It reveals how innovative Christians are engaging in time honored practices creating new types of communities which will shape the church to come Further it shows us how we too might innovate while holding true to the essential practices of our gathered faith This is an instructive picture of Christian community past present and future
