**Color & Emotion** Buddy Huang ,Evan Yanagi ,2015-10-01 By using the traditional Chinese theories of the Five Elements and Zi Wei Dou Shu we have explored the interrelationship between our personal elemental colors and their impact on our personal emotion In order to easily manage this relationship we have created the simple concept of a personal ID The personal ID does not represent citizens of a country but they are rather the number codes that derive precisely from the year month day hour and minute of our births and take into account the longitude and latitude of the birth place as well as the true solar time There are a total of nine numbers Through these nine numbers we can balance the five elemental energies to make us complete The same IDs are also attached to all products Therefore you can buy the products that match your elemental requirements The 109TM app helps you match the Yin and Yang attributes of the Five Elements and shop from our 109TM online shopping platform **Mindfulness-Based Cognitive Therapy for Anxious Children** Randye J.

with a saucy slap and a bright glance of happiness lighted up her sweet face as the young man kissed the place her fingers had hit and then pressed the flowers to his lips      *The Bride of the Nile. furrow could not only command but compel submission was legible alike in his thin firmly closed lips and in the zeal with which his following of truculent and bearded fighting men armed to the teeth obeyed his slightest sign His Egyptian attendant the head of the Hermeneutai the guild of the Dragomans of that period was a swarthy and surly native of Memphis whenever he accidentally came too close to the fierce looking riders of the dromedaries he shrunk his shoulders as if he expected a blow or a push while he poured out question and answer to the Merchant Haschim the owner of the caravan without timidity and with the voluble garrulity of his tribe

Hawthorne, 1960-06-01 Look around and select a subject that you can see painted That will paint itself Do the obvious thing before you do the superhuman thing It may have been accidental but you knew enough to let this alone The good painter is always making use of accidents Never try to repeat a success Swing a bigger brush you don't know what fun you are missing For 31 years Charles Hawthorne spoke in this manner to students of his famous Cape Cod School of Art The essence of that instruction has been collected from students notes and captured in this book retaining the personal feeling and the sense of on the spot inspiration of the original classroom Even though Hawthorne is addressing himself to specific problems in specific paintings his comments are so revealing that they will be found applicable a hundred times to your own work The book is divided into sections on the outdoor model still life landscape the indoor model and watercolor Each section begins with a concise essay and continues with comments on basic elements general character color form seeing posture etc It is in the matter of color that students will especially feel themselves in the presence of a master guide and critic Hawthorne's ability to see color and
