*Edwards on the Christian Life* Dane Ortlund, 2014-08-31 Jonathan Edwards is widely hailed as the greatest theologian in American history In *Edwards on the Christian Life* Dane Ortlund invites us to explore the great eighteenth century pastor s central passion God s resplendent beauty Whether reflecting on the nature of love the preeminence of Scripture or the glory of the natural world the concept of beauty stood at the heart of Edwards s theology and permeated his portrait of the Christian life Clear and engaging this accessible volume will inspire you to embrace Edwards s magnificent vision of what it means to be a Christian enjoying and reflecting of the beauty of God in all things Part of the Theologians on the Christian Life series

*Children before God* John McNeill, 2017-11-09 This work seeks to delineate a theological framework into which biblically informed imagery and language of children in relation to God can be placed McNeill s aim is to offer a work of positive construction within the general Reformed tradition The book shows that John Calvin has much to offer in this respect but by examining the imagery and language of children in his works it is shown that Calvin is not adequately biblically informed in this area

McNeill argues that Jonathan Edwards provides a theological tool that enables a construal of children more in keeping with biblical language and imagery The book then offers a general critique of current child development theories in which providential activity in child development is more or less ignored By adopting Calvin s theological framework to understand children before God it is argued that the integration of child development and divine providence becomes a distinct possibility This work should be of interest to those working in biblical childhood Calvin and Edwards studies as well as to the more general practitioner working with children in church and society

Schweitzer,2015-08-10 It is not always appreciated that Edwards labored within and for the church His writings offer tremendous help and encouragement to those who like Edwards are called to serve the people of God One challenge to modern readership is that Edwards output is both voluminous and diffuse Jonathan Edwards for the Church has done our generation the invaluable service of compiling and distilling Edwards wisdom on the ministry and the means of grace The essays in this volume will challenge refresh and invigorate as they place us at the feet of one who committed his life and energies to the glory of the church s Head Jesus Christ from publisher [Understanding Jonathan Edwards](#) Gerald R McDermott,2009 This title is an introduction to Jonathan Edwards 1703 58 It looks at subjects which Edwards considered vitally important such as revival Bible typology aesthetics literature and preaching philosophy and world religions **The Works of Jonathan Edwards** Jonathan Edwards,1839 *Selected Sermons of Jonathan Edwards* Jonathan Edwards,1904 **Jonathan Edwards and the Immediacy of God** John Carrick,2020-12-09 Jonathan Edwards is one of the outstanding figures in the history of the

Christian church he was quite simply a man of towering intellect and towering spirituality But it has been noted even by his friends and admirers that his thought is also marked at times by certain idiosyncrasies which inevitably introduce certain complexities into his philosophical theological system This study contends that the theme of divine immediacy is the controlling theme and the correlating principle within Edwards s thought It analyzes the theme of divine immediacy in the thought of Jonathan Edwards under four major heads creation the will ecclesiology and spiritual experience Indeed Dr Carrick claims that the theme of the immediacy of God is the Ariadne s thread which runs with consistency through the multiple aspects of Edwards s philosophical theological ecclesiological experiential and homiletical interests But sometimes a man s strength is also his weakness and it would appear that Edwards s profound commitment to the concept and the reality of the immediacy of God entails significant problems for his entire philosophical theological system Edwards s concept of divine immediacy finds its supreme expression surely in his doctrine of continuous creation but is it not the case that this doctrine of continuous creation is in conflict with his determinism that its tendency is to destroy the moral responsibility of man and that it makes God both the author and the actor of sin In short is it not the case that Edwards s Ariadne s thread is in fact also his Achilles heel
