SCENES FROM A WOMAN'S LIFE

Seeking Rapture Scenes From A Womans Life

Kathryn Harrison

Seeking Rapture Scenes From A Womans Life:

Seeking Rapture Kathryn Harrison, 2004-06-01 A NEW YORK TIMES NOTABLE BOOK In this exquisite book of personal reflections on a woman's life as a child wife and mother Kathryn Harrison a writer of extraordinary gifts Tobias Wolff recalls episodes in her life exploring how the experiences of childhood recur in memory to be transformed and sometimes healed through the lives we lead as adults At the heart of *Seeking Rapture* is the notion that a woman's journey is a continuous process of transformation an ongoing transcendence and re creation of self *The Mother Knot* Kathryn Harrison, 2009-03-12 In this dark gem of a book by the author of *The Kiss* a complex mother daughter relationship precipitates a journey through depression to greater understanding acceptance freedom and love Spare and unflinching *The Mother Knot* is Kathryn Harrison's courageous exploration of her painful feelings about her mother and of her depression and recovery Writer wife mother of three Kathryn Harrison finds herself at age forty one wrestling with a black untamable force that seems to have the power to undermine her sanity and her safety a darkness that is tied to her relationship with her own mother dead for many years but no less a haunting presence Shaken by a family emergency that reveals the fragility of her current happiness Harrison falls prey to despair and anxiety she believed she'd overcome long before A relapse of anorexia becomes the tangible reminder of a youth spent trying to achieve the perfection she had hoped would win her mother's love and forces her to confront understand and ultimately cast out in startling physical form the demons within herself Powerful insightful unforgettable by a writer of extraordinary gifts Tobias Wolff Kathryn Harrison's *The Mother Knot* is a knockout Lost Bodies Laura E. Tanner, 2018-07-05 If the dying body makes us flinch and look away struggling not to see what we have seen the lost body disappears from cultural view buried along with the sensory traces of its corporeal presence from the Introduction American popular culture conducts a passionate love affair with the healthy fit preferably beautiful body and in recent years theories of embodiment have assumed importance in various scholarly disciplines But what of the dying or dead body Why do we avert our gaze speak of it only as absence This thoughtful and beautifully written book illustrated with photographs by Shellburne Thurber and other remarkable images finds a place for the dying and lost body in the material intellectual and imaginary spaces of contemporary American culture Laura E Tanner focuses her keen attention on photographs of AIDS patients and abandoned living spaces newspaper accounts of September 11 literary works by Don DeLillo Donald Hall Sharon Olds Marilynne Robinson and others and material objects including the AIDS Quilt She analyzes the way in which these representations of the body reflect current cultural assumptions revealing how Americans read imagine and view the dynamics of illness and loss The disavowal of bodily dimensions of death and grief she asserts deepens rather than mitigates the isolation of the dying and the bereaved *Lost Bodies* will speak to anyone imperiled by the threat of loss Exposure Kathryn Harrison, 2011-04-06 Luminous and affecting *Exposure* examines the often fine line between art and abuse Taut in plot beautifully realistic and intelligently disturbing Harper's Bazaar Ann Rogers appears to

be a happily married successful young woman A talented photographer she creates happy memories for others videotaping weddings splicing together scenes of smiling faces editing out awkward moments But she cannot edit her own memories so easily images of a childhood spent as her father s model and muse the subject of his celebrated series of controversial photographs To cope Ann slips into a secret life of shame and vice But when the Museum of Modern Art announces a retrospective of her father s shocking portraits Ann finds herself teetering on the edge of self destruction desperately trying to escape the psychological maelstrom that threatens to consume her Astounding told in prose as multifaceted as a diamond crystalline and mesmerizing Remarkable hardly goes far enough Cosmopolitan Impossible to put down Kathryn Harrison is an extremely gifted writer poetic passionate and elegant San Francisco Chronicle Exquisite exhilarating and harrowing Donna Tartt author of *The Secret History* and *The Little Friend* A breathless urban nightmare not easy to forget Stark brilliant and original work Kirkus Reviews starred review *The Seal Wife* Kathryn Harrison,2007-12-18 Stunning hypnotic spare *The Seal Wife* is the masterly new novel by Kathryn Harrison a writer of extraordinary gifts Tobias Wolff Set in Alaska in 1915 it tells the story of a young scientist s consuming love for a woman known as the Aleut a woman who never speaks who refuses to reveal so much as her name Born and educated in midwestern cities Bigelow is sent north by the United States government to establish a weather observatory in Anchorage But what could have prepared him for the loneliness of a railroad town with more than two thousand men and only a handful of women or for winter nights twenty hours long And what can protect him from obsession obsession with a woman who seems in her silence and mystery to possess the power to destroy his life forever and obsession with the weather kite he invents a kite he hopes will fly higher than any has ever flown before and will penetrate the secrets of the heavens A novel of passions both dangerous and generative *The Seal Wife* explores the nature of desire and its ability to propel an individual beyond himself and convention As she brilliantly reimagines the terrain of the Alaskan frontier during the period of the First World War Harrison a master of her material Mary Gordon also evokes early efforts to chart the weather and reveals the interior realm of the psyche and emotions a human landscape that in its splendor and terror is profoundly and eerily reminiscent of the frozen frontier and the storms that scour its face **Joan of Arc** Kathryn Harrison,2015-10-13 Kathryn Harrison gives us a Joan of Arc for our time a shining exemplar of unshakable faith extraordinary courage and self confidence on the battlefield in the royal court during a brutally rigged inquisition and imprisonment and in the face of her death In this new take on Joan s story Harrison deftly weaves historical fact myth folklore scripture artistic representations and centuries of scholarly and critical interpretation into a fascinating narrative revitalizing our sense of Joan as one of the greatest heroines in all of human history *On Sunset* Kathryn Harrison,2019-09-03 Born in Los Angeles at the dawn of the 1960s to parents who quickly departed Kathryn Harrison was received by her maternal grandparents as a late life child Harry Jacobs and Margaret Sassoon true wandering Jews had emigrated to L A after leading whirlwind lives in Shanghai London Alaska Russia and beyond Harrison grew up in

their fading Tudor mansion on Sunset Boulevard a kingdom inhabited by gleaming memories from their extraordinary past Their photos letters and souvenirs sparked endless family stories that spanned cultures dynasties and continents until declining finances forced them to sell the house in 1971 and night fell fast Vivid and poignant filled with the wisdom of retrospect and the wonder of childhood On Sunset seeks to recover a foundational time in her life affirming the power of storytelling and the endurance of memory

Becoming Elizabeth Arden Stacy A. Cordery, 2024-09-03 A sweeping biography of one of the most influential and successful business women in American history BECOMING ELIZABETH ARDEN opens the Red Door to a world of wealth glamor and the profitable business of beauty Elizabeth Arden was a household name on six continents and a millionaire several times over before her death in 1966 Arden counted British royalty and social elites from the overlapping worlds of New York Hollywood London and Paris among her clients She revolutionized skin care and cosmetics making it acceptable for all women to embrace glamour and wear makeup not just actresses and prostitutes She created a successful international business empire before women gained the vote and at a time when virtually no woman owned or ran a national company She developed the first luxury spa and insisted on a holistic understanding of health and beauty Unconventional and driven Arden fervently believed that every woman could be beautiful Acclaimed biographer Stacy Cordery does full justice to one of America's greatest entrepreneurs Canadian born Florence Nightingale Graham turned herself into Elizabeth Arden using her uncanny sense of the possible to take full advantage of everything New York City offered building her company and becoming one with her brand In an astounding rags to riches tale Elizabeth Arden came to personify sophistication and refinement Her hard work and innovation made makeup fitness and style not only acceptable but de rigueur Arden prospered throughout the Depression reimagined women's needs during two World Wars and by pioneering new approaches to marketing and advertising ushered beauty into the modern era Cordery delivers a compelling picture of a modern CEO whose career provides a model for aspiring businesses to this day

Book Review Index Cumulation Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year
