FAITH ADRIFT CHRISTIANITY Cecil W. Stalnaker, 2022-07-27 Faith Adrift Christianity is a biblical response to a devastating form of Christianity that has gripped the heart and soul of many Christians and their churches namely that of nominal Christianity This form of Christianity is counterfeit at its best and is one of the greatest challenges facing the church today whether Protestant Catholic or Orthodox It is estimated that an alarming 75% of professing Christians are living lifeless forms of their faith Although so many identify as Christians something is strangely wrong Sadly wavering in the Christian faith is more common than not Millions of professing Christians in America and Europe are adrift spiritually and indifferent to Jesus Christ and his church This deceptive form of Christianity is not only personally detrimental to the Christian but devastating to the life of the local church Being a weak form of Christianity the church loses its saltiness and its light dims It nullifies its penetrating and powerful outreach into society If not countered Christians will continue to drift toward the sea of nominally having nothing but a token relationship with God For this reason Faith Adrift Christianity is an

indispensable guide because it reveals counters and provides answers from a biblical perspective to churches regarding those who profess Christ yet live lapsed Christian lives The uniqueness of Faith Adrift Christianity is its biblical analysis as to why people manifest an aloofness regarding God Yet it does not merely cite the problems and leave the reader adrift for it offers effective means to combat this very troublesome challenge *Revive My Heart* Nancy DeMoss

the funeral The One who said Blessed are those who mourn for they shall be comforted fully intends to comfort us personally if we make the effort to detour from our road of grief to search for Him Many believers first turned to God in the moment of crisis Trust and Tragedy shows them how to find Him there again For whenever there is earthly brokenness there is always heavenly openness **God's Eye View** Tommy Tenney,2008-07-13 In God s Eye View Tommy Tenney explores how worship lifts us up to see the trouble we face from God s perspective instead of being trapped in an earthly time bound viewpoint The higher we go the smaller our problems seem Tenney also teaches the Principle of Magnification The closer you get to something the bigger it appears In other words worship not only shrinks our problems it also magnifies God in our lives and to others Worship doesn t really change our problems it just minimizes their influence over us as we focus on God He doesn t promise to remove all of our circumstances but God does assure us that in His presence and from His perspective we can see things as they really are and not how they appear to be In the book of Revelation John was instructed to behold the Lion but from an earthly perspective John saw only the Lamb The heavenly perspective reveals that the Lamb is the Lion the babe of Bethlehem is the ancient of days and the dragon is really a weakened lizard God s eye view is higher than man s Higher than a bird s eye view higher than a man s eye view is God s eye view **The Bible for Personal Revival** David R.
