Sefer Hahinnuch The Of Mitzvah Education:

Séfer HaHinnuch Aaron (ha-Levi, of Barcelona),1978 **Sefer Ha-ḥinukh** ,1978 **Sefer Ha-hinnukh** Aaron Halevi,1978 **Sefer Ha-Hinnuch** ,1989-07-01 Teaching Jewish Life Cycle Barbara Binder Kadden,Bruce Kadden,1997 Background information on every stage of life covers every Jewish life cycle event from birth to death insights from Jewish tradition hundreds of creative activities for all ages **Teaching Mitzvot** Barbara Binder Kadden,Behrman House,Bruce Kadden,2005-06 This exceptional guide for learning and teaching about mitzvot offers overviews of 41 mitzvot in six areas holidays rituals word and thought tzedakah gemilut chasadim and ahavah All school programs for each mitzvah and more than 600 activities spanning all grade levels help you implement creative classroom techniques and enrich your students experiences **The Late Medieval Hebrew Book in the Western Mediterranean** Javier del Barco,2015-09-29 This collection takes the Hebrew book as a focal point for exploring the production circulation transmission and consumption of Hebrew texts in the cultural context of the late medieval western Mediterranean The authors elaborate in particular on questions concerning private vs public book production and collection the religious and cultural components of manuscript patronage collaboration between Christian and Jewish scribes artists and printers and the impact of printing on Iberian Jewish communities Unlike other approaches that take context into consideration merely to explain certain variations in the history of the Hebrew book from antiquity to the present the premise of these essays is that context constitutes the basis for understanding practices and processes in late medieval Jewish book culture **Gender and Dialogue in the Rabbinic Prism** Admiel Kosman,2012-10-30 The author applies the fields of gender studies psychoanalysis and literature to Talmudic texts In opposition to the perception of Judaism as a legal system he argues that the Talmud demands inner spiritual effort to which the trait of humility and the refinement of the ego are central This leads to the question of the attitude to the Other in general and especially to women The author shows that the Talmud places the woman who represents humility and good heartedness in the Talmudic narratives above the character of the male depicted in these narratives as a scholar with an inflated sense of self importance In the last chapter that in terms of its scope and content could be a freestanding monograph the author employs the insights that emerged from the preceding chapters to present a new reading of the Creation narrative in the Bible and the Rabbinic commentaries The divine act of creation is presented as a primal sexual act a sort of dialogic model of the consummate sanctity that takes its place in man s spiritual life when the option of opening one s heart to the other in a male female dialogue is realized **The Next Phase of Business Ethics** Michael Schwartz,Howard Harris,2019-09-04 This volume looks at the role of organizations in society the international and multidisciplinary scope of business ethics and the importance of narrative **Sefer HaHinnuch** ,1978 **Jewish Law and American Law, Volume 1** Samuel J. Levine,2021-02-16 This volume contributes to the growing field of comparative Jewish and American law presenting twenty six essays characterized by a number of distinct features The essays will appeal to legal scholars and at

the same time will be accessible and of interest to a more general audience of intellectually curious readers These contributions are faithful to Jewish law on its own terms while applying comparative methods to offer fresh perspectives on complex issues in the Jewish legal system Through careful comparative analysis the essays also turn to Jewish law to provide insights into substantive and conceptual areas of the American legal system particularly areas of American law that are complex controversial and unsettled

The Book of Job in Jewish Life and Thought Jason Kalman, 2021-12-20 Despite its general absence from the Jewish liturgical cycle and its limited place in Jewish practice the Book of Job has permeated Jewish culture over the last 2 000 years Job has not only had to endure the suffering described in the biblical book but the efforts of countless commentators interpreters and creative rewriters whose explanations more often than not challenged the protagonist's righteousness in order to preserve Divine justice Beginning with five critical essays on the specific efforts of ancient medieval and modern Jewish writers to make sense of the biblical book this volume concludes with a detailed survey of the place of Job in the Talmud and Midrashic corpus in medieval biblical commentary in ethical mystical and philosophical tracts as well as in poetry and creative writing in a wide variety of Jewish languages from around the world from the second to sixteenth centuries

Rabbi, Mystic, or Impostor? Michal Oron, 2020-03-04 The enigmatic kabbalist Samuel Falk known as the Ba'al Shem of London has piqued the curiosity of scholars for generations Eighteenth century London was fascinated by Jews and as a miracle worker and adventurer well connected and well read Falk had much to offer Interest in the man was further aroused by rumours of his dealings with European aristocrats and other famous characters as well as with scholars Freemasons and Shabbateans but evidence was scanty Michal Oron has now brought together all the known source material on the man and her detailed annotations of his diary and that of his assistant give us rich insights into his activities over several years We learn of his meetings and his travels his finances his disputes his dreams and his remedies and lists of his books We see London's social life and commerce its landed gentry and its prisons and what people ate wore and possessed The burgeoning Jewish community of London and its religious practices as well as its communal divisiveness is depicted especially colourfully The scholarly introductions by Oron and by Todd Endelman and the informative appendices help contextualize the diaries and offer an intriguing glimpse of Jewish involvement in little known aspects of London life at the threshold of the modern era Translated by Edward Levin With an introduction by Todd M Endelman

Imagining the Self, Imagining the Other Eva Frojmovic, 2021-10-05 This collection revisits the complex subject of medieval visual representations of Jews and Judaism by themselves and by Christians The topics range from questions of Jewish identity in Iberian illuminated Hebrew manuscripts 13th 14th centuries to representations of Synagoga and Judas in the Bible Moralis e and cathedral sculpture to early modern Jewish self images The essays are prefaced by a critical study of the discovery of medieval Jewish art among art historians and cultural activists ca 1900 35 The volume will be of value to art historians as well as medieval and early modern historians with an interest in Jewish culture and Jewish Christian relations Contributors
