Cultural Heritage Education in the Everyday Landscape Camilla Casonato, Bertrando Bonfantini, 2022-12-01. This book summarizes work being undertaken within the School Activates Resources stitching the lost heritage of the suburbs. SCAR project which addressed cultural heritage in a broad sense as a system of values identified by the populations and in constant evolution. This tangible and intangible heritage fuels the promotion of intergenerational and intercultural dialogue and represents an opportunity for resilient social and territorial development. The book ponders the experience gained and the points of view of the different disciplines involved. Examines issues such as children and youth participation in civil life or education in cultural heritage and landscape and presents real-world experiences of heritage education in everyday landscape in difficult contexts and/or concerning poorly recognized and valued cultural heritage.
