Seizures And Epilepsy In The Elderly:

Seizures and Epilepsy in the Elderly A. J. Rowan, Eugene Ramsay, 1997 Epileptic seizures in the elderly population occur more frequently than previously thought Recent epidemiologic data indicate that the incidence of seizures rises sharply after middle age Seizures occur because of previous stroke or head trauma in addition to a variety of systemic derangements drugs drug withdrawal or acute intracranial disease The aging process creates particular problems in diagnosis specific therapy and long term management Prompt diagnosis and therapy are essential This book emphasizes the physiologic and pathologic changes associated with aging that have an impact on diagnosis and treatment It will include epidemiology clinical diagnosis imaging and electrophysiologic studies age related physiologic changes pharmacokinetics drug interactions current and new antiepileptic drugs and management **Epilepsy in the Elderly** Günter Krämer, 1999 This text provides a systematic description of the advantages and disadvantages of individual drugs for the elderly and provides orientation by means of numerous tables which list among others drug interactions and special features in cases of liver and kidney disease including hemodialysis **Handbook on the Neuropsychology of Aging and Dementia** Lisa D. Ravdin, Heather L. Katzen, 2019-02-14 This comprehensive update offers practical advice for professionals working in neuropsychology with older adults Focusing on fundamentals common issues special considerations and late life cognitive disorders respected names in this critical specialty address a wide range of presenting problems and assessment diagnostic and treatment concerns Throughout coverage pays keen attention to detail bringing real world nuance to large scale concepts and breaking down complex processes into digestible steps And like its predecessor the new Handbook features recommendations for test batteries and ends each chapter by extracting its clinical pearls A sampling of the topics covered Assessment of depression and anxiety in older adults The assessment of change serial assessments in dementia evaluations Elder abuse identification in older adults Clinical assessment of postoperative cognitive decline Cognitive training and rehabilitation in aging and dementia Differentiating mild cognitive impairment and cognitive changes of normal aging Evaluating cognition in patients with chronic obstructive pulmonary disease This Second Edition of the Handbook on the Neuropsychology of Aging and Dementia offers a wealth of expert knowledge and hands on guidance for neuropsychologists gerontologists social workers and other clinicians interested in aging This can be a valuable reference for those studying for board certification in neuropsychology as well as a resource for veteran practitioners brushing up on key concepts in neuropsychology of age related disorders **Management of Seizures and Epilepsy in the Elderly** Erica B. Chisanga, 2004 **Geriatric Neurology**, 2019-11-19 Geriatric Neurology Volume 167 serves as an update on the basic biological and behavioral mechanisms underlying the aging process with an emphasis on neurological aging and state of the art reviews on our understanding of vascular cognitive neurodegenerative and neuropsychiatric diseases in the elderly Developed with an eye to providing both the basic underpinnings of age related changes and the clinical information necessary to aid in diagnostics

and treatment the book serves as a useful volume for students basic and translational scientists and practicing clinicians on how to understand and treat common neurological disorders in the elderly Reviews the foundations of geriatric neurology including the fundamentals of age associated changes in molecular biology altered pharmacokinetics and psychopharmacology that make drug therapy in the elderly different from younger patients Contains major advances in our understanding of neurodegenerative diseases Features contributions from world leaders in geriatric neurology the broadest most expert coverage available *Clinical Neurology of the Older Adult* Joseph I. Sirven, Barbara L. Malamut, 2008 Now in its Second Edition this text is the most up to date reference on the evaluation and treatment of neurologic problems in older adults The book is organized so that clinicians can quickly look up either a patient s symptom s or a disease and includes medication charts and diagnostic algorithms Psychosocial issues such as driving and long term care options are also addressed This edition has more information on EMG evoked potentials other clinical neurophysiologic procedures brain imaging PET scans for dementia screening and functional imaging in patients with cognitive changes Updated information on new antiparkinsonian agents and paraneoplastic syndromes is also included **Oxford Textbook of Geriatric Medicine** Jean-Pierre Michel, B. Lynn Beattie, Finbarr C. Martin, Jeremy D. Walston, 2018 The third edition of the definitive international reference book on all aspects of the medical care of older persons will provide every physician involved in the care of older patients with a comprehensive resource on all the clinical problems they are likely to encounter as well as on related psychological philosophical and social issues *Clinical Neurology of Aging* Martin L. Albert, Janice E. Knoefel, 2011-03-03 This clinically focused book is designed to help clinicians help older persons maintain that joy Now divided into 9 comprehensive sections this edition contains subjects ranging from geriatric assessment to pain management and palliative care **The American Psychiatric Publishing Textbook of Geriatric Neuropsychiatry** C. Edward Coffey, Jeffrey L. Cummings, 2011 Rev ed of The American Psychiatric Press textbook of geriatric neuropsychiatry 2nd ed 2000 **Handbook of Neuropsychology and Aging** Paul David Nussbaum, 1997-05-31 Leaders in neuropsychology behavioral neurology speech and language science neuropsychiatry and many other disciplines contribute to this volume the first comprehensive review of knowledge in the field They discuss a wide range of disorders including areas of recent research such as frontal lobe dementias and the neuropsychological aspects of late life depression and clinical problems typically given insufficient consideration in other works such as seizure disorder head injury and mental retardation Normal aging is also covered in detail and assessment procedures and clinical interventions are given thorough treatment Other highlights include discussions of guardianship and caregiving personality and behavior psychotic disorders Alzheimer s and head trauma *Geriatric Emergency Medicine* Joseph H. Kahn, Brendan G. Magauran, Jr, Jonathan S. Olshaker, 2014-01-16 As the global geriatric population continues to grow an increasing proportion of people reporting to emergency departments are elderly The work up of these patients uses more time and resources than that of younger patients and is complicated by the fact that

acute disease often presents more subtly without the outward manifestations typically seen in younger patients This volume focuses on the unique pathophysiology of the elderly presenting guidelines for resuscitation evaluation and management The first section discusses general principles including demographics pharmacology and pain management The following sections cover high risk chief presenting complaints and review geriatric emergencies Finally topics of particular relevance in the geriatric population are discussed including functional assessment end of life care financial considerations and abuse This book provides a comprehensive practical framework for community and academic emergency medicine practitioners as well as emergency department administrators striving to improve delivery of care to this vulnerable growing population Acute

Symptomatic Seizures and Epileptiform Abnormalities: Management and Outcomes Vineet Punia,Zhibin Chen,Carla Bentes,Marian Galovic,2023-04-26 **Clinical Neurology of Aging** Martin Albert, MD, PhD, FAAN,Janice Knoefel, MD, MPH,2011-01-11

Clinical Neurology of Aging Third Edition continues the tradition of the First 1984 and Second 1994 editions with 60 chapters written by the world s elite clinicians from neurology geriatrics and research on all aspects of geriatric neurology Aging does not automatically imply decline Many older people find joy in their friendships and their willingness to look at the world with a calmer view than they may have had in youth This clinically focused book is designed to help clinicians help older persons maintain that joy Now divided into 9 comprehensive sections the Third Edition contains subjects ranging from geriatric assessment to pain management and palliative care Specific sections include Introduction to Geriatric Neurology Neurological Assessment in Aging Cognitive Disorders in Aging Motor Disorders in Aging Neuropsychiatric Illness in Aging Sensory Disturbance in Aging Peripheral Neurology of Aging Disease States in Elderly and Neurological Therapeutics With a deft touch the editors Drs Martin Albert and Janice Knoefel have incorporated the geriatric care perspective and a quality oriented approach to health care throughout the volume The result the definitive reference useful for all clinicians caring for older people and informative to those who set policies that affect research and clinical practice Advanced Practice Nursing in the Care of Older Adults Laurie Kennedy-Malone,Kathleen Ryan Fletcher,Lori

Martin-Plank,2014-01-20 Explore effective ways to enhance the wellness and independence of older adults across the wellness illness continuum From an overview of the theories of aging and assessment through the treatment of disorders including complex illnesses this evidence based book provides the comprehensive gerontological coverage you need to prepare for your role as an Advanced Practice Nurse Understand how to easily identify factors that may affect the wellness of your patients and their families Plus enhance your critical thinking skills with real world case studies that bring concepts to life **Neurobiology of Epilepsy and Aging** R. Eugene Ramsay,2007-04-16 Discusses all aspects of epilepsy in aging patients

Seizures And Epilepsy In The Elderly Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Seizures And Epilepsy In The Elderly free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Seizures And Epilepsy In The Elderly free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Seizures And Epilepsy In The Elderly free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Seizures And Epilepsy In The Elderly. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Seizures And Epilepsy In The Elderly any PDF files. With these platforms, the world of PDF downloads is just a click away.
