Select Statutes Other Constitution 4ed:

The Governments of Europe William Bennett Munro, 1925

Social Control of Sex Expression Geoffrey

May, 2025-02-03 First published in 1930 Social Control of Sex Expression is a study of the control exercised by Anglo American law over voluntary sex expression Divided into three parts the book starts with the doctrine of sex repression among primitive peoples among the ancient Hebrews and early Christians It then explores the doctrine in English law and the problems of sexual morality and temporal jurisdiction in the second part The last and final part looks at the doctrine in Anglo American law from pre revolutionary America to America today Two facts stand out in relief from this study The one is that the methods of legal control of sex expression have varied widely throughout Anglo American history The other is that the attitude behind the law the doctrine of sexual morality itself has varied not at all The author argues that though the forms of control have changed the fact of control less tangible still persists This is an interesting read for scholars and researchers of sociology law and psychology

Blue? David Schneiderman, 2015-10-06 Situated between two different constitutional traditions those of the United Kingdom and the United States Canada has maintained a distinctive third way federal parliamentary and flexible Yet in recent years it seems that Canadian constitutional culture has been moving increasingly in an American direction Through the prorogation crises of 2008 and 2009 its senate reform proposals and the appointment process for Supreme Court judges Stephen Harper's Conservative government has repeatedly shown a tendency to push Canada further into the US constitutional orbit Red

White and Kind of Blue is a comparative legal analysis of this creeping Americanization as well as a probing examination of the costs and benefits that come with it Comparing British Canadian and American constitutional traditions David Schneiderman offers a critical perspective on the Americanization of Canadian constitutional practice and a timely warning about its unexamined consequences

Public Regulation of Site Selection for Nuclear Power Plants Ernest D. Klema, Robert L. West, 2016-03-17 Public regulation of site selection for nuclear power plants is woven into the fabric of the distinctively American experience in exercising government control over privately owned public utilities Originally published in 1977 the authors have identified the various dimensions of public concern with the selection of new nuclear power sites This volume divided into four parts explores the complex issues at the heart of American nuclear power Part I contains literature which describes the process of power plant siting as conducted by the utilities Part II contains studies and reports on the structure and process of public regulation Part III describes local government State and other Federal agency regulation of siting and finally Part IV cites selected proposals and analyses of recommendations for regulatory reform This is a valuable resource for any student interested in environmental studies and public policy reform
