discourse which I recently delivered in this house and which has since been published That sermon having stirred up the minds of the thoughtful has thereby been the means of calling our present subject into consideration which gives me another occasion to attend to this very important inquiry About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Everybody's book [select passages].**
