The Varieties of Nonreligious Experience Jerome P. Baggett, 2018-08-21 A fascinating exploration of the breadth of social emotional and spiritual experiences of atheists in America Self identified atheists make up roughly 5 percent of the American religious landscape comprising a larger population than Jehovah's Witnesses Orthodox Christians Muslims Buddhists and Hindus combined In spite of their relatively significant presence in society atheists are one of the most stigmatized groups in the United States frequently portrayed as immoral unhappy or even outright angry Yet we know very little about what their

lives are actually like as they live among their largely religious and sometimes hostile fellow citizens In this book Jerome P Baggett listens to what atheists have to say about their own lives and viewpoints Drawing on questionnaires and interviews with more than five hundred American atheists scattered across the country *The Varieties of Nonreligious Experience* uncovers what they think about morality what gives meaning to their lives how they feel about religious people and what they think and know about religion itself Though the wider public routinely understands atheists in negative terms as people who do not believe in God Baggett pushes readers to view them in a different light Rather than simply rejecting God and religion atheists actually embrace something much more substantive lives marked by greater integrity open mindedness and progress Beyond just talking about or to American atheists the time is overdue to let them speak for themselves This book is a must read for anyone interested in joining the conversation

[Jesus in an Age of Enlightenment](#) Jonathan C. P. Birch, 2019-07-18 This book explores the religious concerns of Enlightenment thinkers from Thomas Hobbes to Thomas Jefferson Using an innovative method the study illuminates the intellectual history of the age through interpretations of Jesus between c 1650 and c 1826 The book demonstrates the persistence of theology in modern philosophy and the projects of social reform and amelioration associated with the Enlightenment At the core of many of these projects was a robust moral theological realism sometimes manifest in a natural law ethic but always associated with Jesus and a commitment to the sovereign goodness of God This ethical orientation in Enlightenment discourse is found in a range of different metaphysical and political identities dualist and monist progressive and radical which intersect with earlier heretical tendencies in Christian thought Arianism Pelagianism and Marcionism This intellectual matrix helped to produce the discourses of irenic toleration which are a legacy of the Enlightenment at its best

Living without God: A Multicultural Spectrum of Atheism Sanjit Chakraborty, Anway Mukhopadhyay, 2022-11-16 This book deals with the intricate issue of approaching atheism methodologically as well as conceptually from the perspective of cultural pluralism What does atheism mean in different cultural contexts Can this term be applied appropriately to different religious discourses which conceptualize God

gods Goddess goddesses and also godlessness in hugely divergent ways Is my God the same as yours If not then how can your atheism be the same as mine In other words this volume raises the question Is it not high time that we proposed a comparative study of atheism s alongside that of religions rather than believing that atheism is centered in the Western experience Apart from answering these questions the book highlights the much needed focus on the philosophical negotiations between atheism theism and agnosticism The fine chapters collected here present pluralist negotiations with the notion of atheism and its ethical theological literary and scientific corollaries Previously published in Sophia Volume 60 issue 3 September 2021 Chapters Religious Conversion and Loss of Faith Cases of Personal Paradigm Shift and On Being an Infidel are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) *Subject*
