Understanding Masculinities Mac an Ghaill, Mairtin, 1996-03-01. Masculinity is gaining increasing popular and academic interest. At one level, football hooligans, absent fathers, Essex men, and new men are regular media presences. At the same time, masculinity is the subject of increasingly sophisticated theoretical discussion and there are a wide range of accounts of what masculinity means. Understanding Masculinities is the first introductory text to examine the range of different theoretical and methodological approaches to the understanding of masculinity. It brings together overviews of the key theoretical debates with new empirical material focusing on different social and cultural arenas and the wide range of masculinities which exist. It discusses education, unemployment, sport, sexuality, HIV, and black masculinities. Understanding Masculinities critically explores the gendered and sexual dynamics of these masculinities, challenging and transforming our conventional assumptions. Understanding Masculinities will be important reading for undergraduate and masters students of sociology, women's studies, gender, and psychology. It will also be of interest to anyone concerned with broadening their understanding of masculinity.

The Poker Club: Eldot, 2012-06-12 Eldot continues his five part romp at Camp Walker that began with Barr s Meadow Julian s main objective conquering his scoutmaster s heart is unchanged but he learns that it will take much longer than he planned Meanwhile he learns what he can from the other scouts He works hard at his new job as assistant scribe The romance between Tom and Nick is the major focus of Part 2 Distractions challenges and obstacles occur along the way Of course those just happen to come in the guise of yet other characters that wish to romp with Tom First among these is the exotic Geoff Staples a sophisticated and savvy lad from the west coast and Hawaii He is an experienced urban fox loose in a country chicken coop He is witty adventuresome and outrageously daring He and his two friends from Atlanta have a special Poker Club that s strip poker and they lure Tom into a game The sophistication of that scene is contrasted with several others during the three days that constitute the time frame of Julian s Private Scrapbook Part 2 Like a second son the second part in a series has a mix of advantages and disadvantages As long as the reader keeps this in mind there is no reason for disappointment The big advantage is not having to spend so much time introducing and describing The action gets started early on and there is room for lots more The disadvantage is for readers who didn t read the first book or who have largely forgotten it There are some built in helps for that in Part 2 A synopsis of part one is provided at the end of the book The Index of Characters is purposely expanded to include a brief notation about events of importance to the character in Part 1 These do not equal a full reading but they do provide an idea of what has happened to the individual Being the second in a family of five is similar to another task that faces The Poker Club Number two son has to share with number one the burden of setting an example for the next book there are others coming along Still the fun and insights of Part 2 certainly stand on their own
